EMC has entered into this Agreement in consideration for the purchase of the Mortgage Loans by the Depositor pursuant to the Mortgage Loan Purchase Agreement and has agreed to take the actions specified herein.

The Depositor, concurrently with the execution and delivery hereof, hereby sells, transfers, assigns, sets over and otherwise conveys to the Trustee for the use and benefit of the Certificateholders, without recourse, all the right, title and interest of the Depositor in and to the Trust Fund.

In connection with such sale, the Depositor has delivered to, and deposited with, or caused to be delivered to and deposited with, the Trustee or the related Custodian, as its agent, the following documents or instruments with respect to each Mortgage Loan so assigned: (i) the original Mortgage Note, including any riders thereto, endorsed without recourse (A) in blank or to order of "Citibank, N.A., as Trustee for Certificateholders of SACO I Trust 2006-10, Mortgage-Backed Certificates, Series 2006-10," or (B) in the case of a loan registered on the MERS system, in blank and showing an unbroken chain of endorsements from the original payee thereof to the Person endorsing it to the Trustee, (ii) the original Mortgage and, if the related Mortgage Loan is a MOM Loan, noting the presence of the MIN and language indicating that such Mortgage Loan is a MOM Loan, which shall have been recorded (or, for Mortgage Loans other than the EMC Flow Loans, if the original is not available, a copy), with evidence of such recording indicated thereon (or if clause (x) in the proviso below applies, shall be in recordable form), (iii) unless the Mortgage Loan is either a MOM Loan or has been assigned in the name of MERS®, the assignment (either an original or a copy, which may be in the form of a blanket assignment if permitted in the jurisdiction in which the Mortgaged Property is located) to the Trustee of the Mortgage with respect to each Mortgage Loan in the name of "Citibank, N.A., as Trustee for Certificateholders of SACO I Trust 2006-10, Mortgage-Backed Certificates, Series 2006-10," which shall have been recorded (or if clause (x) in the proviso below applies, shall be in recordable form), (iv) an original or a copy of all intervening assignments of the Mortgage, if any, with evidence of recording thereon, (v) with respect to any Mortgage Loan (other than any Piggyback Loan), the original policy of title insurance or mortgagee's certificate of title insurance or commitment or binder for title insurance or, in the event such original title policy has not been received from the title insurer, such title policy will be delivered within one year of the Closing Date or, in the event such original title policy is unavailable, a photocopy of such title policy or, in lieu thereof, a current lien search on the related Mortgaged Property; and with respect to any Piggyback Loan, the original policy of title insurance or mortgagee's certificate of title insurance or commitment or binder for title insurance issued as to the related first lien

Mortgage Loan or, in lieu thereof, a lien search on the related Mortgaged Property that was conducted in connection with the related first lien Mortgage Loan and (vi) originals or copies of all available assumption, modification or substitution agreements, if any; provided, however, that in lieu of the foregoing, the Seller may deliver the following documents, under the circumstances set forth below: (x) in lieu of the original Mortgage (other than the Mortgages related to the EMC Flow Loans), assignment thereof to the Trustee or intervening assignments thereof have been delivered or are being delivered to recording offices for recording and have not been returned in time to permit their delivery as specified above, the Depositor may deliver, or cause to be delivered, a true copy thereof with a certification by such Seller or the title company issuing the commitment for title insurance, on the face of such copy, substantially as follows: "Certified to be a true and correct copy of the original, which has been transmitted for recording"; (y) in lieu of the original Mortgage (other than the Mortgages related to the EMC Flow Loans), assignment to the Trustee or in blank or intervening assignments thereof, if the applicable jurisdiction retains the originals of such documents (as evidenced by a certification from the Depositor to such effect) the Depositor may deliver, or cause to be delivered, photocopies of such documents containing an original certification by the judicial or other governmental authority of the jurisdiction where such documents were recorded; and (z) in lieu of the Mortgage Notes relating to the Mortgage Loans identified in the list set forth in Exhibit I, the Depositor may deliver, or cause to be delivered, a lost note affidavit and indemnity and a copy of the original note, if available; and provided, further, however, that in the case of Mortgage Loans which have been prepaid in full after the Cut-off Date and prior to the Closing Date, the Depositor, in lieu of delivering the above documents, may deliver, or cause to be delivered, to the Trustee and the related Custodian a certification of a Servicing Officer to such effect and in such case shall deposit all amounts paid in respect of such Mortgage Loans, in the Master Servicer Collection Account or in the Distribution Account on the Closing Date. In the case of the documents referred to in clause (x) above, the Depositor shall deliver, or cause to be delivered, such documents to the Trustee or the related Custodian promptly after they are received. EMC shall cause, at its expense, the Mortgage and intervening assignments, if any, and to the extent required in accordance with the foregoing, the assignment of the Mortgage to the Trustee to be submitted for recording promptly after the Closing Date; provided that EMC need not cause to be recorded (a) any assignment in any jurisdiction under the laws of which, as evidenced by an Opinion of Counsel addressed to the Trustee delivered by EMC to the Trustee, the Custodians and each Rating Agency, the recordation of such assignment is not necessary to protect the Trustee's interest in the related Mortgage Loan or (b) if MERS is identified on the Mortgage or on a properly recorded assignment of the Mortgage as the mortgagee of record solely as nominee for the related Seller and its successors and assigns. In the event that either Seller, the Depositor or the Master Servicer or the Securities Administrator gives written notice to the Trustee that a court has recharacterized the sale of the Mortgage Loans as a financing, EMC shall submit or cause to be submitted for recording as specified above each such previously unrecorded assignment to be submitted for recording as specified above at the expense of the Trust. In the event a Mortgage File is released to the Company or the Servicer as a result of such Person having completed a Request for Release, the related Custodian shall, if not so completed, complete the assignment of the related Mortgage in the manner specified in clause (iii) above.

In connection with the assignment of any Mortgage Loan registered on the MERS® System, EMC further agrees that it will cause, at EMC's own expense, within 30 days after the Closing Date, the MERS® System to indicate that such Mortgage Loans have been assigned by

EMC to the Depositor and by the Depositor to the Trustee in accordance with this Agreement for the benefit of the Certificateholders by including (or deleting, in the case of Mortgage Loans which are repurchased in accordance with this Agreement) in such computer files (a) the code in the field which identifies the specific Trustee and (b) the code in the field "Pool Field" which identifies the series of the Certificates issued in connection with such Mortgage Loans. EMC further agrees that it will not, and will not permit the Company or the Master Servicer to, and the Master Servicer agrees that it will not, alter the codes referenced in this paragraph with respect to any Mortgage Loan during the term of this Agreement unless and until such Mortgage Loan is repurchased in accordance with the terms of this Agreement or the Mortgage Loan Purchase Agreement.

All original documents relating to the Mortgage Loans that are not delivered to the Trustee or the related Custodian on its behalf are and shall be held by or on behalf of the Seller or the Depositor, as the case may be, in trust for the benefit of the Trustee on behalf of the Certificateholders. Any such original document delivered to or held by the Depositor, shall be delivered promptly to the Custodian on the Trustee's behalf.

Whenever it is provided for in this Agreement that any document, evidence or information relating to a Mortgage Loan to be included in a Mortgage File be delivered or supplied to the Trustee, such delivery or supply shall be made to the appropriate Custodian pursuant to the related Custodial Agreement.

Section 2.02 Acceptance of the Mortgage Loans.

(a) Based on the Initial Certification received by it from the related Custodian, the Trustee acknowledges receipt of, subject to the further review and exceptions reported by the related Custodian pursuant to the procedures described below, the documents (or certified copies thereof) delivered to the Trustee or the related Custodian on its behalf pursuant to Section 2.01 and declares that it holds and will continue to hold directly or through a custodian those documents and any amendments, replacements or supplements thereto and all other assets of the Trust Fund delivered to it in trust for the use and benefit of all present and future Holders of the Certificates. On the Closing Date, the Trustee or the related Custodian on its behalf will deliver one or more Initial Certifications, each in the form of Exhibit One to the Custodial Agreement, to the parties indicated on such exhibit confirming whether or not it has received the Mortgage File for each Mortgage Loan, but without review of such Mortgage File, except to the extent necessary to confirm whether such Mortgage File contains the original Mortgage Note or a lost note affidavit and indemnity in lieu thereof. No later than 90 days after the Closing Date, the Trustee or the related Custodian on its behalf shall, for the benefit of the Certificateholders, review each Mortgage File delivered to it and execute and deliver to EMC and the Master Servicer and, if reviewed by the related Custodian, to the Trustee, one or more Interim Certifications, each substantially in the form of Exhibit Two to the related Custodial Agreement. In conducting such review, the Trustee or the related Custodian on its behalf will ascertain whether all required documents have been executed and received and whether those documents relate, determined on the basis of the Mortgagor name, original principal balance and loan number, to the Mortgage Loans identified in Exhibit B to this Agreement, as supplemented (provided, however, that with respect to those documents described in subclauses (iv) and (vi) of Section 2.01, such obligations shall extend only to documents actually delivered pursuant to such

subclauses). In performing any such review, the Trustee and the related Custodian may conclusively rely on the purported due execution and genuineness of any such document and on the purported genuineness of any signature thereon. If the Trustee or the related Custodian on its behalf finds any document constituting part of the Mortgage File not to have been executed or received, or to be unrelated to the Mortgage Loans identified in Exhibit B or to appear to be defective on its face, the Trustee or the related Custodian on its behalf shall include such information in the exception report attached to the Interim Certification. EMC shall correct or cure any such defect or, if prior to the end of the second anniversary of the Closing Date, EMC may substitute for the related Mortgage Loan a Replacement Mortgage Loan, which substitution shall be accomplished in the manner and subject to the conditions set forth in Section 2.03 or shall deliver to the Securities Administrator and the Trustee an Opinion of Counsel addressed to the Trustee to the effect that such defect does not materially or adversely affect the interests of the Certificateholders in such Mortgage Loan within 90 days from the date of notice from the Trustee of the defect and if EMC fails to correct or cure the defect or deliver such opinion within such period, EMC will, subject to Section 2.03, purchase such Mortgage Loan at the Purchase Price; provided, however, that if such defect relates solely to the inability of EMC to deliver the Mortgage, assignment thereof to the Trustee, or intervening assignments thereof with evidence of recording thereon because such documents have been submitted for recording and have not been returned by the applicable jurisdiction, EMC shall not be required to purchase such Mortgage Loan if EMC delivers such documents promptly upon receipt, but in no event later than 360 days after the Closing Date.

(b) No later than 180 days after the Closing Date, the Trustee or the related Custodian on its behalf will review, for the benefit of the Certificateholders, the Mortgage Files and will execute and deliver or cause to be executed and delivered to EMC, and the Master Servicer and, if reviewed by the related Custodian, to the Trustee, one or more Final Certifications, each substantially in the form of Exhibit Three to the related Custodial Agreement. In conducting such review, the Trustee or the related Custodian on its behalf will ascertain whether each document required to be recorded has been returned from the recording office with evidence of recording thereon and the Trustee or the related Custodian on its behalf has received either an original or a copy thereof, as required in Section 2.01 (provided, however, that with respect to those documents described in subclauses (iv) and (vi) of Section 2.01, such obligations shall extend only to documents actually delivered pursuant to such subclauses). If the Trustee or the related Custodian on its behalf finds any document with respect to a Mortgage Loan has not been received, or to be unrelated, determined on the basis of the Mortgagor name, original principal balance and loan number, to the Mortgage Loans identified in Exhibit B or to appear defective on its face, the Trustee or the related Custodian on its behalf shall note such defect in the exception report attached to the Final Certification and shall promptly notify EMC. EMC shall correct or cure any such defect or, if prior to the end of the second anniversary of the Closing Date, EMC may substitute for the related Mortgage Loan a Replacement Mortgage Loan, which substitution shall be accomplished in the manner and subject to the conditions set forth in Section 2.03 or shall deliver to the Trustee and the Securities Administrator an Opinion of Counsel addressed to the Trustee and the Securities Administrator to the effect that such defect does not materially or adversely affect the interests of Certificateholders in such Mortgage Loan within 90 days from the date of notice from the Trustee of the defect and if EMC is unable within such period to correct or cure such defect, or to substitute the related Mortgage Loan with a Replacement Mortgage Loan or to deliver such opinion, EMC shall, subject to Section 2.03,

purchase such Mortgage Loan at the Purchase Price; provided, however, that if such defect relates solely to the inability of EMC to deliver the Mortgage, assignment thereof to the Trustee or intervening assignments thereof with evidence of recording thereon, because such documents have not been returned by the applicable jurisdiction, EMC shall not be required to purchase such Mortgage Loan, if EMC delivers such documents promptly upon receipt, but in no event later than 360 days after the Closing Date. Notwithstanding anything to the contrary, the Trustee shall have no responsibility with respect to the custody or review of Mortgage Files, all of which shall be performed by the related Custodian pursuant to the related Custodial Agreement, and the Trustee is hereby authorized and directed to enter into each such Custodial Agreement. Performance by the Custodians of their obligations under the respective Custodial Agreement shall satisfy all responsibilities for custody and review of Mortgage Files hereunder. The Trustee shall have no liability for the failure of the Custodians to perform their respective obligations under the related Custodial Agreement.

(c) In the event that a Mortgage Loan is repurchased by EMC in accordance with subsections 2.02(a) or (b) above or Section 2.03, EMC shall remit the applicable Purchase Price to the Master Servicer for deposit in the Master Servicer Collection Account and shall provide written notice to the Securities Administrator and the Trustee detailing the components of the Purchase Price, signed by a Servicing Officer. Upon deposit of the Purchase Price in the Master Servicer Collection Account and upon receipt of a Request for Release with respect to such Mortgage Loan, the related Custodian will release to EMC the related Mortgage File and the Trustee shall execute and deliver all instruments of transfer or assignment, without recourse, representation or warranty furnished to it by the related Seller, as are necessary to vest in EMC title to and rights under the Mortgage Loan. Such purchase shall be deemed to have occurred on the date on which the deposit into the Master Servicer Collection Account was made. The Securities Administrator shall promptly use its best efforts to notify each Rating Agency of such repurchase in accordance with Section 12.05. The obligation of EMC to cure, repurchase or substitute for any Mortgage Loan as to which a defect in a constituent document exists shall be the sole remedies respecting such defect available to the Certificateholders or to the Trustee on their behalf.

(d) EMC shall deliver to the Trustee or the related Custodian on its behalf, and Trustee agrees to accept the Mortgage Note and other documents constituting the Mortgage File with respect to any Replacement Mortgage Loan, which the Trustee or the related Custodian will review as provided in subsections 2.02(a) and 2.02(b), provided, that the Closing Date referred to therein shall instead be the date of delivery of the Mortgage File with respect to each Replacement Mortgage Loan.

(ii) It has the full corporate power and authority to execute, deliver and perform, and to enter into and consummate the transactions contemplated by this Agreement and has duly authorized by all necessary corporate action on its part the execution, delivery and performance of this Agreement; and this Agreement, assuming the due authorization, execution and delivery hereof by the other parties hereto, constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except that (a) the enforceability hereof may be limited by bankruptcy, insolvency, moratorium, receivership and other similar laws relating to creditors' rights generally and (b) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

(v) No consent, approval, authorization or order of any court or governmental agency or body is required for its execution, delivery and performance of, or compliance with, this Agreement or the consummation of the transactions contemplated hereby, or if any such consent, approval, authorization or order is required, it has obtained the same.

(c) EMC (in its capacity as Seller) hereby represents and warrants to the Depositor and the Trustee as follows, as of the Closing Date:

(i) EMC is duly organized as a Delaware corporation and is validly existing and in good standing under the laws of the State of Delaware and is duly authorized and qualified to transact any and all business contemplated by this Agreement to be conducted by EMC in any state in which a Mortgaged Property is located or is otherwise not required under applicable law to effect such qualification and, in any event, is in compliance with the doing business laws of any such state, to the extent necessary to ensure its ability to enforce each Mortgage Loan, to sell the Mortgage Loans in accordance with the terms of the Mortgage Loan Purchase Agreement and to perform any of its other obligations under this Agreement in accordance with the terms hereof.

(ii) EMC has the full corporate power and authority to sell each Mortgage Loan, and to execute, deliver and perform, and to enter into and consummate the transactions contemplated by this Agreement and has duly authorized by all necessary corporate action on the part of EMC the execution, delivery and performance of this Agreement, assuming the due authorization, execution and delivery hereof by the other parties hereto or thereto, as applicable, constitutes a legal, valid and binding obligation of EMC, enforceable against EMC in accordance with its terms, except that (a) the enforceability hereof may be limited by bankruptcy, insolvency, moratorium, receivership and other similar laws relating to creditors' rights generally and (b) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

(iii) The execution and delivery of this Agreement by EMC, the sale of the Mortgage Loans by EMC under the Mortgage Loan Purchase Agreement, the consummation of any other of the transactions contemplated by this Agreement, and the fulfillment of or compliance with the terms hereof and thereof are in the ordinary course of business of EMC and will not (A) result in a material breach of any term or provision of the charter or by-laws of EMC or (B) conflict with, result in a breach, violation or acceleration of, or result in a default under, the terms of any other material agreement or instrument to which EMC is a party or by which

it may be bound, or (C) constitute a violation of any statute, order or regulation applicable to EMC of any court, regulatory body, administrative agency or governmental body having jurisdiction over EMC; and EMC is not in breach or violation of any material indenture or other material agreement or instrument, or in violation of any statute, order or regulation of any court, regulatory body, administrative agency or governmental body having jurisdiction over it which breach or violation may materially impair EMC's ability to perform or meet any of its obligations under this Agreement.

(iv) EMC is an approved Seller of conventional mortgage loans for Fannie Mae and Freddie Mac and is a mortgagee approved by the Secretary of Housing and Urban Development pursuant to sections 203 and 211 of the National Housing Act.

(v) No litigation is pending or, to the best of EMC's knowledge, threatened, against EMC that would materially and adversely affect the execution, delivery or enforceability of this Agreement or the ability of EMC to sell the Mortgage Loans or to perform any of its other obligations under this Agreement in accordance with the terms hereof or thereof.

(vi) No consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by EMC of, or compliance by EMC with, this Agreement or the consummation of the transactions contemplated hereby, or if any such consent, approval, authorization or order is required, EMC has obtained the same.

(vii) With respect to each Mortgage Loan as of the Closing Date (or such other date as may be specified in Section 7 of the Mortgage Loan Purchase Agreement), EMC hereby remakes and restates each of the representations and warranties set forth in Section 7 of the Mortgage Loan Purchase Agreement to the Depositor and the Trustee to the same extent as if fully set forth herein.

(d) Upon discovery by any of the parties hereto of a breach of a representation or warranty set forth in the Mortgage Loan Purchase Agreement with respect to the Mortgage Loans that materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, the party discovering such breach shall give prompt written notice thereof to the other parties. EMC, in its capacity as Seller, hereby covenants with respect to the representations and warranties set forth in the Mortgage Loan Purchase Agreement with respect to the Mortgage Loans, that within 90 days of the discovery of a breach of any representation or warranty set forth therein that materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, it shall cure such breach in all material respects and, if such breach is not so cured, (i) if such 90 day period expires prior to the second anniversary of the Closing Date, remove such Mortgage Loan (a "Deleted Mortgage Loan") from the Trust Fund and substitute in its place a Replacement Mortgage Loan, in the manner and subject to the conditions set forth in this Section; or (ii) repurchase the affected Mortgage Loan or Mortgage Loans from the Trustee at the Purchase Price in the manner set forth below; provided that any such substitution pursuant to (i) above or repurchase pursuant to (ii) above shall not be effected prior to the delivery to the

Trustee and the Securities Administrator of an Opinion of Counsel if required by Section 2.05 hereof and any such substitution pursuant to (i) above shall not be effected prior to the additional delivery to the applicable Custodian of a Request for Release. The Trustee shall give prompt written notice to the parties hereto of EMC's failure to cure such breach as set forth in the preceding sentence. EMC shall promptly reimburse the Master Servicer and the Trustee for any expenses reasonably incurred by the Master Servicer or the Trustee in respect of enforcing the remedies for such breach. To enable the Master Servicer to amend the Mortgage Loan Schedule, EMC shall, unless it cures such breach in a timely fashion pursuant to this Section 2.03, promptly notify the Master Servicer whether it intends either to repurchase, or to substitute for, the Mortgage Loan affected by such breach. With respect to the representations and warranties with respect to the Mortgage Loans that are made to the best of EMC's knowledge, if it is discovered by any of the Depositor, the Master Servicer, EMC, the Securities Administrator or the Trustee that the substance of such representation and warranty is inaccurate and such inaccuracy materially and adversely affects the value of the related Mortgage Loan, notwithstanding EMC's lack of knowledge with respect to the substance of such representation or warranty, EMC (in its capacity as Seller) shall nevertheless be required to cure, substitute for or repurchase the affected Mortgage Loan in accordance with the foregoing.

With respect to any Replacement Mortgage Loan or Loans, EMC (in its capacity as Seller) shall deliver to the Trustee or the related Custodian on its behalf for the benefit of the Certificateholders such documents and agreements as are required by Section 2.01. No substitution will be made in any calendar month after the Determination Date for such month. Notwithstanding the foregoing, such substitution must be done within two years of the Closing Date. Scheduled Payments due with respect to Replacement Mortgage Loans in the Due Period related to the Distribution Date on which such proceeds are to be distributed shall not be part of the Trust Fund and will be retained by EMC (in its capacity as Seller). For the month of substitution, distributions to Certificateholders will include the Scheduled Payment due on any Deleted Mortgage Loan for the related Due Period and thereafter EMC (in its capacity as Seller) shall be entitled to retain all amounts received in respect of such Deleted Mortgage Loan. The Master Servicer shall amend the Mortgage Loan Schedule for the benefit of the Certificateholders to reflect the removal of each such Deleted Mortgage Loan and the substitution of the Replacement Mortgage Loan or Loans and the Master Servicer shall deliver the amended Mortgage Loan Schedule to the Securities Administrator, the Trustee and the related Custodian. Upon such substitution, the Replacement Mortgage Loan or Loans shall be subject to the terms of this Agreement in all respects, and EMC shall be deemed to have made with respect to such Replacement Mortgage Loan or Loans, as of the date of substitution, the representations and warranties set forth in Section 7 or Section 8 of the Mortgage Loan Purchase Agreement with respect to such Mortgage Loan. Upon any such substitution and the deposit into the Master Servicer Collection Account of the amount required to be deposited therein in connection with such substitution as described in the following paragraph and receipt by the related Custodian of a Request for Release for such Mortgage Loan, the related Custodian shall release to EMC the Mortgage File relating to such Deleted Mortgage Loan and held for the benefit of the Certificateholders and the Trustee shall execute and deliver at EMC's direction such instruments of transfer or assignment as have been prepared by EMC, in each case without recourse, representation or warranty as shall be necessary to vest in EMC, or its respective designee, title to the Trustee's interest in any Deleted Mortgage Loan substituted for pursuant to this Section 2.03.

For any month in which EMC substitutes one or more Replacement Mortgage Loans for a Deleted Mortgage Loan, the Master Servicer will determine the amount (if any) by which the aggregate principal balance of all the Replacement Mortgage Loans as of the date of substitution is less than the Stated Principal Balance (after application of the principal portion of the Scheduled Payment due in the month of substitution) of such Deleted Mortgage Loan. An amount equal to the aggregate of such deficiencies, described in the preceding sentence for any Distribution Date (such amount, the "Substitution Adjustment Amount") shall be deposited into the Master Servicer Collection Account, by EMC upon its delivering such Replacement Mortgage Loan on the Determination Date for the Distribution Date relating to the Prepayment Period during which the related Mortgage Loan became required to be purchased or replaced hereunder.

In the event that EMC (in its capacity as Seller) shall have repurchased a Mortgage Loan, the Purchase Price therefor shall be deposited into the Master Servicer Collection Account maintained by the Master Servicer, on the Determination Date for the Distribution Date in the month following the month during which EMC became obligated to repurchase or replace such Mortgage Loan and upon such deposit of the Purchase Price, the delivery of an Opinion of Counsel if required by Section 2.05 and the receipt of a Request for Release, the related Custodian shall release the related Mortgage File held for the benefit of the Certificateholders to EMC, and the Trustee shall execute and deliver at such Person's direction the related instruments of transfer or assignment prepared by EMC, in each case without recourse, representation or warranty, as shall be necessary to transfer title from the Trustee for the benefit of the Certificateholders and transfer the Trustee's interest to EMC to any Mortgage Loan purchased pursuant to this Section 2.03. It is understood and agreed that the obligation under this Agreement of EMC to cure, repurchase or replace any Mortgage Loan as to which a breach has occurred and is continuing shall constitute the sole remedies against EMC (in its capacity as Seller) respecting such breach available to the Certificateholders, the Depositor or the Trustee.

(e) The representations and warranties set forth in this Section 2.03 hereof shall survive delivery of the respective Mortgage Loans and Mortgage Files to the Trustee or the related Custodian for the benefit of the Certificateholders.

Section 2.04 Representations and Warranties of the Depositor.

The Depositor hereby represents and warrants to the Master Servicer, the Securities Administrator and the Trustee as follows, as of the date hereof and as of the Closing Date:

- (i) The Depositor is duly organized and is validly existing as a limited liability company in good standing under the laws of the State of Delaware and has full power and authority necessary to own or hold its properties and to conduct its business as now conducted by it and to enter into and perform its obligations under this Agreement.
- (ii) The Depositor has the full power and authority to execute, deliver and perform, and to enter into and consummate the transactions contemplated by, this Agreement and has duly authorized, by all necessary corporate action on its part, the execution, delivery and performance of this Agreement; and this

Agreement, assuming the due authorization, execution and delivery hereof by the other parties hereto, constitutes a legal, valid and binding obligation of the Depositor, enforceable against the Depositor in accordance with its terms, subject, as to enforceability, to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and (ii) general principles of equity, regardless of whether enforcement is sought in a proceeding in equity or at law.

(iii) The execution and delivery of this Agreement by the Depositor, the consummation of the transactions contemplated by this Agreement, and the fulfillment of or compliance with the terms hereof and thereof are in the ordinary course of business of the Depositor and will not (A) result in a material breach of any term or provision of the certificate of formation or limited liability company agreement of the Depositor or (B) materially conflict with, result in a material breach, violation or acceleration of, or result in a material default under, the terms of any other material agreement or instrument to which the Depositor is a party or by which it may be bound or (C) constitute a material violation of any statute, order or regulation applicable to the Depositor of any court, regulatory body, administrative agency or governmental body having jurisdiction over the Depositor; and the Depositor is not in breach or violation of any material indenture or other material agreement or instrument, or in violation of any statute, order or regulation of any court, regulatory body, administrative agency or governmental body having jurisdiction over it which breach or violation may materially impair the Depositor's ability to perform or meet any of its obligations under this Agreement.

(iv) No litigation is pending, or, to the best of the Depositor's knowledge, threatened, against the Depositor that would materially and adversely affect the execution, delivery or enforceability of this Agreement or the ability of the Depositor to perform its obligations under this Agreement in accordance with the terms hereof or thereof.

(v) No consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Depositor of, or compliance by the Depositor with this Agreement or the consummation of the transactions contemplated hereby or thereby, or if any such consent, approval, authorization or order is required, the Depositor has obtained the same.

(vi) The Depositor has filed all reports required to be filed by Section 13 or 15(d) of the Exchange Act during the preceding 12 months (or for such shorter period that the Depositor was required to file such reports) and it has been subject to such filing requirement for the past 90 days.

The Depositor hereby represents and warrants to the Trustee as of the Closing Date, following the transfer of the Mortgage Loans to it by the Seller, the Depositor had good title to

the Mortgage Loans and the related Mortgage Notes were subject to no offsets, claims, defenses or counterclaims.

It is understood and agreed that the representations and warranties set forth in this Section 2.04 shall survive delivery of the Mortgage Files to the Trustee or the related Custodian for the benefit of the Certificateholders. Upon discovery by the Depositor or the Trustee of a breach of such representations and warranties, the party discovering such breach shall give prompt written notice to the others and to each Rating Agency.

Section 2.05 Delivery of Opinion of Counsel in Connection with Substitutions and Repurchases.

(a) Notwithstanding any contrary provision of this Agreement, with respect to any Mortgage Loan that is not in default or as to which default is not reasonably foreseeable, no repurchase or substitution pursuant to Sections 2.02 or 2.03 shall be made unless EMC delivers to the Trustee and the Securities Administrator an Opinion of Counsel, addressed to the Trustee and the Securities Administrator, to the effect that such repurchase or substitution would not (i) result in the imposition of the tax on “prohibited transactions” of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V or contributions after the Closing Date, as defined in Sections 860F(a)(2) and 860G(d) of the Code, respectively, or (ii) cause any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to fail to qualify as a REMIC at any time that any Certificates are outstanding. Any Mortgage Loan as to which repurchase or substitution was delayed pursuant to this paragraph shall be repurchased or the substitution therefor shall occur (subject to compliance with Sections 2.02 or 2.03) upon the earlier of (a) the occurrence of a default or a default becoming reasonably foreseeable with respect to such Mortgage Loan and (b) receipt by the Trustee of an Opinion of Counsel addressed to the Trustee and the Securities Administrator to the effect that such repurchase or substitution, as applicable, will not result in the events described in clause (i) or clause (ii) of the preceding sentence.

(b) Upon discovery by the Depositor, EMC or the Master Servicer that any Mortgage Loan does not constitute a “qualified mortgage” within the meaning of Section 860G(a)(3) of the Code, the party discovering such fact shall promptly (and in any event within 5 Business Days of discovery) give written notice thereof to the other parties and the Trustee and the Securities Administrator. In connection therewith, EMC shall either (i) substitute, if the conditions in Section 2.03 with respect to substitutions are satisfied, a Replacement Mortgage Loan for the affected Mortgage Loan, or (ii) repurchase the affected Mortgage Loan within 90 days of such discovery in the same manner as it would a Mortgage Loan for a breach of representation or warranty in accordance with Section 2.03. The Trustee shall reconvey to EMC the Mortgage Loan to be released pursuant hereto (and the related Custodian shall deliver the related Mortgage File) in the same manner, and on the same terms and conditions, as it would a Mortgage Loan repurchased for breach of a representation or warranty in accordance with Section 2.03.

Section 2.06 Countersignature and Delivery of Certificates.

(a) The Trustee acknowledges the sale, transfer and assignment to it of the Trust Fund and, concurrently with such transfer and assignment, and the Securities Administrator has executed, countersigned and delivered, to or upon the order of the Depositor, the Certificates in

authorized denominations evidencing the entire ownership of the Trust Fund. The Trustee agrees to hold the Trust Fund and exercise the rights referred to above for the benefit of all present and future Holders of the Certificates and to perform the duties set forth in this Agreement in accordance with its terms.

(b) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to the REMIC I Regular Interests and the other assets of REMIC II for the benefit of the holders of the REMIC II Regular Interests and the Class R-2 Certificates. The Trustee acknowledges receipt of the REMIC I Regular Interests (which are uncertificated) and the other assets of REMIC II and declares that it holds and will hold the same in trust for the exclusive use and benefit of the holders of the REMIC II Regular Interests and the Class R-2 Certificates.

(c) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to the REMIC II Regular Interests and the other assets of REMIC III for the benefit of the holders of the Regular Certificates (other than the Class C Certificates), the Class C Interest, the Class IO Interest and the Class R-3 Certificates. The Trustee acknowledges receipt of the REMIC II Regular Interests (which are uncertificated) and the other assets of REMIC III and declares that it holds and will hold the same in trust for the exclusive use and benefit of the holders of the Regular Certificates (other than the Class C Certificates), the Class C Interest, the Class IO Interest and the Class R-3 Certificates.

(d) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to the Class C Interest for the benefit of the Holders of the Class C Certificates and Class RX Certificates (in respect of the Class R-4 Interest). The Trustee acknowledges receipt of the Class C Interest (which is uncertificated) and declares that it holds and will hold the same in trust for the exclusive use and benefit of the Holders of the Class C Certificates and Class RX Certificates (in respect of the Class R-4 Interest).

(e) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to the Class IO Interest for the benefit of the holders of the REMIC V Regular Interest IO and Class RX Certificates (in respect of the Class R-5 Interest). The Trustee acknowledges receipt of the Class IO Interest (which is uncertificated) and declares that it holds and will hold the same in trust for the exclusive use and benefit of the holders of the REMIC V Regular Interest IO and Class RX Certificates (in respect of the Class R-5 Interest).

Section 2.07 Purposes and Powers of the Trust.

The purpose of the common law trust, created hereunder (the "Trust"), is to engage in the following activities:

(a) acquire and hold the Mortgage Loans and the other assets of the Trust Fund and the proceeds therefrom for the benefit of the Certificateholders;

(b) to issue the Certificates sold to the Depositor in exchange for the Mortgage Loans and the other assets of the Trust Fund;

(c) to make distributions on the Certificates;

(d) to engage in those activities that are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith; and

(e) subject to compliance with this Agreement, to engage in such other activities as may be required in connection with conservation of the Trust Fund and the making of distributions to the Certificateholders.

The Trust is hereby authorized to engage in the foregoing activities. The Trust shall not engage in any activity other than in connection with the foregoing or other than as required or authorized by the terms of this Agreement while any Certificate is outstanding.

ARTICLE III

ADMINISTRATION AND SERVICING OF EMC MORTGAGE LOANS BY THE
COMPANY

Section 3.01 The Company.

The Company shall service and administer the EMC Mortgage Loans in accordance with this Agreement and with customary and usual standards of practice of prudent mortgage loan servicers in the respective states in which the related Mortgaged Properties are located. In connection with such servicing and administration, the Company shall have full power and authority, acting alone and/or through subservicers as provided in Section 3.03, to do or cause to be done any and all things that it may deem necessary or desirable and consistent with the terms of this Agreement and customary servicing practices in connection with such servicing and administration, including but not limited to, the power and authority, subject to the terms hereof (i) to execute and deliver, on behalf of the Certificateholders and the Trustee, customary consents or waivers and other instruments and documents, (ii) to consent to transfers of any related Mortgaged Property and assumptions of the Mortgage Notes and related Mortgages (but only in the manner provided herein), (iii) to collect any Insurance Proceeds and other Liquidation Proceeds or Subsequent Recoveries, and (iv) subject to Section 3.12, to effectuate foreclosure or other conversion of the ownership of the Mortgaged Property securing any EMC Mortgage Loan; provided that the Company shall take no action that is inconsistent with or prejudices the interests of the Trust Fund, or the Certificateholders or this Agreement in any EMC Mortgage Loan or the rights and interests of the Depositor, the Master Servicer or the Trustee under this Agreement.

Without limiting the generality of the foregoing, the Company, in its own name or in the name of the Trust, the Depositor or the Trustee, is hereby authorized and empowered by the Trust, the Depositor and the Trustee, when the Company believes it appropriate in its reasonable judgment, to execute and deliver, on behalf of the Trustee, the Depositor, the Certificateholders or any of them, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge and all other comparable instruments, with respect to the EMC Mortgage Loans, and with respect to the related Mortgaged Properties held for the benefit of the Certificateholders. The Company shall prepare and deliver to the Depositor and/or the Trustee such documents requiring execution and delivery by any or all of them as are necessary or appropriate to enable the Company to service and administer the EMC Mortgage Loans. Upon receipt of such documents, the Depositor and/or the Trustee shall execute such documents and deliver them to the Company.

In accordance with the standards of the first paragraph of this Section 3.01, the Company shall advance or cause to be advanced funds as necessary for the purpose of effecting the payment of taxes and assessments on the Mortgaged Properties relating to the EMC Mortgage Loans, which advances shall be reimbursable in the first instance from related collections from the Mortgagors pursuant to Section 5.04, and further as provided in Section 5.02. All costs incurred by the Company, if any, in effecting the timely payments of taxes and assessments on the Mortgaged Properties relating to the EMC Mortgage Loans and related insurance premiums shall not, for the purpose of calculating monthly distributions to the Certificateholders, be added

to the Stated Principal Balance under the related EMC Mortgage Loans, notwithstanding that the terms of such Mortgage Loans so permit.

If the Mortgage relating to a Mortgage Loan had a lien senior to the Mortgage Loan on the related Mortgaged Property as of the Cut-off Date, then the Company may consent to the refinancing of the prior senior lien, provided that the following requirements are met:

- (i) the resulting Combined Loan-to-Value Ratio of such Mortgage Loan is no higher than the Combined Loan-to-Value Ratio prior to such refinancing; and
- (ii) the interest rate, or, in the case of an adjustable rate existing senior lien, the maximum interest rate, for the loan evidencing the refinanced senior lien is no more than 2.0% higher than the interest rate or the maximum interest rate, as the case may be, on the loan evidencing the existing senior lien immediately prior to the date of such refinancing; and
- (iii) the loan evidencing the refinanced senior lien is not subject to negative amortization.

The Trustee shall furnish the Company and the Servicer with any powers of attorney and other documents in form as provided to it necessary or appropriate to enable the Company and the Servicer to service and administer the related Mortgage Loans and REO Property, to execute and deliver instruments of satisfaction or cancellation, or of partial or full release or discharge, and to foreclose upon or otherwise liquidate Mortgaged Property, and to appeal, prosecute or defend in any court action relating to the Mortgage Loans or the Mortgaged Property, in accordance with the GMACM Servicing Agreement and this Agreement.

Section 3.02 Due-on-Sale Clauses; Assumption Agreements.

(a) Except as otherwise provided in this Section 3.02, when any property subject to a Mortgage has been or is about to be conveyed by the Mortgagor, the Company shall to the extent that it has knowledge of such conveyance, enforce any due-on-sale clause contained in any Mortgage Note or Mortgage, to the extent permitted under applicable law and governmental regulations, but only to the extent that such enforcement will not adversely affect or jeopardize coverage under any Required Insurance Policy. Notwithstanding the foregoing, the Company is not required to exercise such rights with respect to an EMC Mortgage Loan if the Person to whom the related Mortgaged Property has been conveyed or is proposed to be conveyed satisfies the terms and conditions contained in the Mortgage Note and Mortgage related thereto and the consent of the mortgagee under such Mortgage Note or Mortgage is not otherwise so required under such Mortgage Note or Mortgage as a condition to such transfer. In the event that the Company is prohibited by law from enforcing any such due-on-sale clause, or if coverage under any Required Insurance Policy would be adversely affected, or if nonenforcement is otherwise permitted hereunder, the Company is authorized, subject to Section 3.02(b), to take or enter into an assumption and modification agreement from or with the person to whom such property has been or is about to be conveyed, pursuant to which such person becomes liable under the Mortgage Note and, unless prohibited by applicable state law, the Mortgagor remains liable

thereon, provided that the Mortgage Loan shall continue to be covered (if so covered before the Company enters such agreement) by the applicable Required Insurance Policies. The Company, subject to Section 3.02(b), is also authorized with the prior approval of the insurers under any Required Insurance Policies to enter into a substitution of liability agreement with such Person, pursuant to which the original Mortgagor is released from liability and such Person is substituted as Mortgagor and becomes liable under the Mortgage Note. Notwithstanding the foregoing, the Company shall not be deemed to be in default under this Section 3.02(a) by reason of any transfer or assumption that the Company reasonably believes it is restricted by law from preventing.

(b) Subject to the Company's duty to enforce any due-on-sale clause to the extent set forth in Section 3.02(a), in any case in which a Mortgaged Property has been conveyed to a Person by a Mortgagor, and such Person is to enter into an assumption agreement or modification agreement or supplement to the Mortgage Note or Mortgage that requires the signature of the Trustee, or if an instrument of release signed by the Trustee is required releasing the Mortgagor from liability on the related EMC Mortgage Loan, the Company shall prepare and deliver or cause to be prepared and delivered to the Trustee for signature and shall direct, in writing, the Trustee to execute the assumption agreement with the Person to whom the Mortgaged Property is to be conveyed and such modification agreement or supplement to the Mortgage Note or Mortgage or other instruments as are reasonable or necessary to carry out the terms of the Mortgage Note or Mortgage or otherwise to comply with any applicable laws regarding assumptions or the transfer of the Mortgaged Property to such Person. In connection with any such assumption, no material term of the Mortgage Note (including, but not limited to, the Mortgage Rate, the amount of the Scheduled Payment and any other term affecting the amount or timing of payment on the EMC Mortgage Loan) may be changed. In addition, the substitute Mortgagor and the Mortgaged Property must be acceptable to the Company in accordance with its servicing standards as then in effect. The Company shall notify the Trustee that any such substitution or assumption agreement has been completed by forwarding to the Trustee the original (and to the Master Servicer a copy) of such substitution or assumption agreement, which in the case of the original shall be added to the related Mortgage File and shall, for all purposes, be considered a part of such Mortgage File to the same extent as all other documents and instruments constituting a part thereof. Any fee collected by the Company for entering into an assumption or substitution of liability agreement will be retained by the Company as additional servicing compensation.

Section 3.03 Subservicers.

The Company shall perform all of its servicing responsibilities hereunder or may cause a subservicer to perform any such servicing responsibilities on its behalf, but the use by the Company of a subservicer shall not release the Company from any of its obligations hereunder and the Company shall remain responsible hereunder for all acts and omissions of each subservicer as fully as if such acts and omissions were those of the Company. The Company shall pay all fees of each subservicer from its own funds, and a subservicer's fee shall not exceed the Servicing Fee payable to the Company hereunder.

At the cost and expense of the Company, without any right of reimbursement from its Protected Account, the Company shall be entitled to terminate the rights and responsibilities of a

subservicer and arrange for any servicing responsibilities to be performed by a successor subservicer; provided, however, that nothing contained herein shall be deemed to prevent or prohibit the Company, at the Company's option, from electing to service the related Mortgage Loans itself. In the event that the Company's responsibilities and duties under this Agreement are terminated pursuant to Section 9.01, the Company shall at its own cost and expense terminate the rights and responsibilities of each subservicer effective as of the date of termination of the Company. The Company shall pay all fees, expenses or penalties necessary in order to terminate the rights and responsibilities of each subservicer from the Company's own funds without reimbursement from the Trust Fund.

Notwithstanding the foregoing, the Company shall not be relieved of its obligations hereunder and shall be obligated to the same extent and under the same terms and conditions as if it alone were servicing and administering the EMC Mortgage Loans. The Company shall be entitled to enter into an agreement with a subservicer for indemnification of the Company by the subservicer and nothing contained in this Agreement shall be deemed to limit or modify such indemnification.

Any subservicing agreement and any other transactions or services relating to the EMC Mortgage Loans involving a subservicer shall be deemed to be between such subservicer and the Company alone, and neither the Master Servicer nor the Trustee shall have any obligations, duties or liabilities with respect to such subservicer including any obligation, duty or liability of either the Master Servicer or the Trustee to pay such subservicer's fees and expenses. For purposes of remittances to the Securities Administrator pursuant to this Agreement, the Company shall be deemed to have received a payment on an EMC Mortgage Loan when a subservicer has received such payment.

Section 3.04 Documents, Records and Funds in Possession of the Company to Be Held for Trustee.

Notwithstanding any other provisions of this Agreement, the Company shall transmit to the Trustee or the related Custodian on behalf of the Trustee as required by this Agreement all documents and instruments in respect of an EMC Mortgage Loan coming into the possession of the Company from time to time and shall account fully to the Master Servicer for any funds received by the Company or that otherwise are collected by the Company as Liquidation Proceeds, Insurance Proceeds or Subsequent Recoveries in respect of any such Mortgage Loan. All Mortgage Files and funds collected or held by, or under the control of, the Company in respect of any EMC Mortgage Loans, whether from the collection of principal and interest payments or from Liquidation Proceeds, Insurance Proceeds or Subsequent Recoveries, including but not limited to, any funds on deposit in the Protected Account maintained by the Company, shall be held by the Company for and on behalf of the Trustee and shall be and remain the sole and exclusive property of the Trustee, subject to the applicable provisions of this Agreement. The Company also agrees that it shall not create, incur or subject any Mortgage File or any funds that are deposited in the Protected Account maintained by the Company or in any Escrow Account, or any funds that otherwise are or may become due or payable to the Trustee for the benefit of the Certificateholders, to any claim, lien, security interest, judgment, levy, writ of attachment or other encumbrance, or assert by legal action or otherwise any claim or right of set off against any Mortgage File or any funds collected on, or in connection with, an EMC

Mortgage Loan, except, however, that the Company shall be entitled to set off against and deduct from any such funds any amounts that are properly due and payable to the Company under this Agreement.

All funds collected or held by, or under the control of, the Company, in respect of any Mortgage Loans, whether from the collection of principal and interest payments or from Liquidation Proceeds, Subsequent Recoveries or Insurance Proceeds, shall be held by the Company for and on behalf of the Trustee and the Certificateholders and shall be and remain the sole and exclusive property of the Trustee; provided, however, that the Company shall be entitled to setoff against, and deduct from, any such funds any amounts that are properly due and payable to the Company under this Agreement.

Section 3.05 Optional Purchase of Certain Mortgage Loans.

With respect to any Mortgage Loan which as of the first day of a Fiscal Quarter is delinquent in payment by 90 days or more or is an REO Property, EMC shall have the right to purchase any such Mortgage Loan or REO Property from the Trust at a price equal to the Purchase Price; provided however (i) that such Mortgage Loan is still 90 days or more delinquent or is an REO Property as of the date of such purchase and (ii) this purchase option, if not theretofore exercised, shall terminate on the date prior to the last day of the related Fiscal Quarter. This purchase option, if not exercised, shall not be thereafter reinstated unless the delinquency is cured and the Mortgage Loan thereafter again becomes 90 days or more delinquent or becomes an REO Property, in which case the option shall again become exercisable as of the first day of the related Fiscal Quarter. This right may be assigned by EMC to a third party, including a holder of a Class of Certificates.

If at any time EMC remits to the Master Servicer a payment for deposit in the Master Servicer Collection Account covering the amount of the Purchase Price for such a Mortgage Loan, and EMC provides to the Master Servicer and Trustee an Officer's Certificate stating that the amount of such payment has been deposited in the Master Servicer Collection Account, then the Trustee shall execute the assignment of such Mortgage Loan prepared and delivered to the Trustee, at the request of EMC, without recourse, representation or warranty, to EMC which shall succeed to all the Trustee's right, title and interest in and to such Mortgage Loan, and all security and documents relative thereto. Such assignment shall be an assignment outright and not for security. EMC will thereupon own such Mortgage, and all such security and documents, free of any further obligation to the Trustee or the Certificateholders with respect thereto.

Section 3.06 Release of Mortgage Files.

(a) Upon becoming aware of the payment in full of any Mortgage Loan, or the receipt by the Company or the Servicer of a notification that payment in full has been escrowed in a manner customary for such purposes for payment to Certificateholders on the next Distribution Date, the Company or the Servicer (pursuant to the GMACM Servicing Agreement), as applicable, will (or if the Company or the Servicer does not, the Master Servicer may), promptly furnish to the Custodian, on behalf of the Trustee, two copies of a certification substantially in the form of Exhibit G hereto signed by a Servicing Officer or Master Servicing Officer (as applicable) or in a mutually agreeable electronic format which will, in lieu of a signature on its

face, originate from a Servicing Officer or Master Servicing Officer (which certification shall include a statement to the effect that all amounts received in connection with such payment that are required to be deposited in the Protected Account maintained by the Company pursuant to Article V or by the Servicer pursuant to the GMACM Servicing Agreement have been or will be so deposited) and shall request that the Custodian, on behalf of the Trustee, deliver to the Company or the Servicer or the Master Servicer the related Mortgage File. Upon receipt of such certification and request, the Custodian, on behalf of the Trustee, shall promptly release the related Mortgage File to the Company or the Servicer or the Master Servicer and the Trustee and Custodian shall have no further responsibility with regard to such Mortgage File. Upon any such payment in full, the Company, the Master Servicer or the Servicer (as applicable) is authorized, to give, as agent for the Trustee as the mortgagee under the Mortgage that secured the Mortgage Loan, an instrument of satisfaction (or assignment of mortgage without recourse, representation or warranty) regarding the Mortgaged Property subject to the Mortgage, which instrument of satisfaction or assignment, as the case may be, shall be delivered to the Person or Persons entitled thereto against receipt therefor of such payment, it being understood and agreed that no expenses incurred in connection with such instrument of satisfaction or assignment, as the case may be, shall be chargeable to the Protected Account.

(b) From time to time and as appropriate for the servicing or foreclosure of any Mortgage Loan and in accordance with this Agreement and the GMACM Servicing Agreement, as applicable, the Trustee shall execute such documents as shall be prepared and furnished to the Trustee by the Company, the Servicer or the Master Servicer (in form reasonably acceptable to the Trustee) and as are necessary to the prosecution of any such proceedings. The related Custodian, on behalf of the Trustee, shall, pursuant to the related Custodial Agreement, upon the request of the Company, the Servicer or the Master Servicer, and delivery to the related Custodian, on behalf of the Trustee, of two copies of a request for release signed by a Servicing Officer or Master Servicing Officer, as applicable, substantially in the form of Exhibit G (or in a mutually agreeable electronic format which will, in lieu of a signature on its face, originate from a Servicing Officer or Master Servicing Officer, as applicable), release the related Mortgage File held in its possession or control to the Company, the Servicer or the Master Servicer, as applicable. Such trust receipt shall obligate the Company, the Servicer or the Master Servicer to return the Mortgage File to the Custodian on behalf of the Trustee, when the need therefor by such Person no longer exists unless the Mortgage Loan shall be liquidated, in which case, upon receipt of a certificate of a Servicing Officer or Master Servicing Officer, as applicable similar to that hereinabove specified, the Mortgage File shall be released by the Custodian, on behalf of the Trustee, to the Company, the Servicer or the Master Servicer.

Section 3.07 Maintenance of Hazard Insurance.

The Company shall cause to be maintained, for each EMC Mortgage Loan, hazard insurance on buildings upon, or comprising part of, the Mortgaged Property against loss by fire, hazards of extended coverage and such other hazards as are customary in the area where the related Mortgaged Property is located with an insurer which is licensed to do business in the state where the related Mortgaged Property is located. Each such policy of standard hazard insurance shall contain, or have an accompanying endorsement that contains, a standard mortgagee clause. The Company shall also cause flood insurance to be maintained on property acquired upon foreclosure or deed in lieu of foreclosure of any EMC Mortgage Loan, to the extent described

below. Pursuant to Section 5.01, any amounts collected by the Company under any such policies (other than the amounts to be applied to the restoration or repair of the related Mortgaged Property or property thus acquired or amounts released to the Mortgagor in accordance with the Company's normal servicing procedures) shall be deposited in the Protected Account maintained by the Company. Any cost incurred by the Company in maintaining any such insurance shall not, for the purpose of calculating monthly distributions to the Certificateholders or remittances to the Securities Administrator for their benefit, be added to the principal balance of the Mortgage Loan, notwithstanding that the terms of the EMC Mortgage Loan so permit. Such costs shall be recoverable by the Company out of late payments by the related Mortgagor or out of Liquidation Proceeds to the extent permitted by Section 5.02. It is understood and agreed that no earthquake or other additional insurance is to be required of any Mortgagor or maintained on property acquired in respect of a Mortgage other than pursuant to such applicable laws and regulations as shall at any time be in force and as shall require such additional insurance. If the Mortgaged Property is located at the time of origination of the related EMC Mortgage Loan in a federally designated special flood hazard area and such area is participating in the national flood insurance program, the Company shall cause flood insurance to be maintained with respect to such EMC Mortgage Loan. Such flood insurance shall be in an amount equal to the least of (i) the Stated Principal Balance of the related EMC Mortgage Loan, (ii) minimum amount required to compensate for damage or loss on a replacement cost basis or (iii) the maximum amount of such insurance available for the related Mortgaged Property under the Flood Disaster Protection Act of 1973, as amended.

In the event that the Company shall obtain and maintain a blanket policy insuring against hazard losses on all of the EMC Mortgage Loans, it shall conclusively be deemed to have satisfied its obligations as set forth in the first sentence of this Section 3.07, it being understood and agreed that such policy may contain a deductible clause on terms substantially equivalent to those commercially available and maintained by comparable servicers. If such policy contains a deductible clause, the Company shall, in the event that there shall not have been maintained on the related Mortgaged Property a policy complying with the first sentence of this Section 3.07, and there shall have been a loss that would have been covered by such policy, deposit in the Protected Account maintained by the Company the amount not otherwise payable under the blanket policy because of such deductible clause. Such deposit shall be from the Company's own funds without reimbursement therefor. In connection with its activities as administrator and servicer of the EMC Mortgage Loans, the Company agrees to present, on behalf of itself and the Trustee for the benefit of the Certificateholders claims under any such blanket policy.

Section 3.08 Presentment of Claims and Collection of Proceeds.

The Company shall prepare and present on behalf of the Trustee and the Certificateholders all claims under the Required Insurance Policies relating to the EMC Mortgage Loans and take such actions (including the negotiation, settlement, compromise or enforcement of the insured's claim) as shall be necessary to realize recovery under such Required Insurance Policies. Any proceeds disbursed to the Company in respect of such Required Insurance Policies shall be promptly deposited in the Protected Account maintained by the Company upon receipt, except that any amounts that are to be applied upon receipt to the repair or restoration of the related Mortgaged Property, which repair or restoration the owner of such Mortgaged Property or EMC, as applicable, has agreed to make as a condition precedent to

the presentation of its claims on the related EMC Mortgage Loan under the applicable Insurance Policy, need not be so deposited (or remitted).

Section 3.09 Books and Records.

The Company shall be responsible for maintaining, and shall maintain, a complete set of books and records for the EMC Mortgage Loans which shall be appropriately identified in the Company's computer system to clearly reflect the ownership of the EMC Mortgage Loans by the Trust. In particular, the Company shall maintain in its possession, available for inspection by the Master Servicer, the Securities Administrator and the Trustee and shall deliver to the Master Servicer, the Securities Administrator and the Trustee upon demand, evidence of compliance with all federal, state and local laws, rules and regulations. The Trustee, the Securities Administrator and the Master Servicer, and any governmental or regulatory agency with jurisdiction over the Trustee, the Securities Administrator or the Master Servicer, as applicable, shall have the right, upon reasonable advance notice to the Company, to inspect and examine the books and records of the Company. To the extent that original documents are not required for purposes of realization of Liquidation Proceeds or Insurance Proceeds, documents maintained by the Company may be in the form of microfilm or microfiche or such other reliable means of recreating original documents, including, but not limited to, optical imagery techniques so long as the Company complies with the requirements of Accepted Servicing Practices. During the term of this Agreement, the Company shall, upon reasonable advance notice, make available a Servicing Officer to the Master Servicer for answering questions and responding to inquiries.

The Company shall maintain with respect to each EMC Mortgage Loan and shall make available for inspection by the Master Servicer, the Securities Administrator and the Trustee the related servicing file during the time such EMC Mortgage Loan is subject to this Agreement and thereafter in accordance with applicable law.

Payments on the Mortgage Loans, including any payoffs, made in accordance with the related Mortgage File will be entered in the Company's set of books and records no more than two business days after receipt and identification, and allocated to principal or interest as specified in the related Mortgage File.

Section 3.10 Custodians to Retain Possession of Certain Insurance Policies and Documents.

The related Custodian on behalf of the Trustee, shall retain possession and custody of the originals (to the extent available) of any certificate of insurance if applicable, and any certificates of renewal as to the foregoing as may be issued from time to time as contemplated by this Agreement. Until all amounts distributable in respect of the Certificates have been distributed in full and the Company or the Servicer, as applicable, otherwise has fulfilled its obligations under this Agreement or the GMACM Servicing Agreement, as applicable, the related Custodian on behalf of the Trustee shall also retain possession and custody of each Mortgage File in accordance with and subject to the terms and conditions of this Agreement. The Company shall promptly deliver or cause to be delivered to the related Custodian on behalf of the Trustee, upon the execution or receipt thereof the originals of any certificates of renewal, and such other

documents or instruments that constitute portions of the Mortgage File that come into the possession of the Company from time to time.

Section 3.11 Fidelity Bond, Errors and Omissions Insurance.

The Company shall maintain, at its own expense, a blanket fidelity bond and an errors and omissions insurance policy, with broad coverage with responsible companies on all officers, employees or other persons acting in any capacity with regard to the EMC Mortgage Loans and who handle funds, money, documents and papers relating to the EMC Mortgage Loans. The fidelity bond and errors and omissions insurance shall be in the form of the Mortgage Banker's Blanket Bond and shall protect and insure the Company against losses, including forgery, theft, embezzlement, fraud, errors and omissions and negligent acts of such persons. Such fidelity bond shall also protect and insure the Company against losses in connection with the failure to maintain any insurance policies required pursuant to this Agreement and the release or satisfaction of an EMC Mortgage Loan which is not in accordance with Accepted Servicing Practices. No provision of this Section 3.11 requiring the fidelity bond and errors and omissions insurance shall diminish or relieve the Company from its duties and obligations as set forth in this Agreement. The minimum coverage under any such bond and insurance policy shall be at least equal to the corresponding amounts required by Accepted Servicing Practices. The Company shall deliver to the Master Servicer annually (together with the Company's Annual Statement of Compliance required under Section 3.16 hereof) a certificate from the surety and the insurer as to the existence of the fidelity bond and errors and omissions insurance policy (along with a copy of such policy then in effect) and shall obtain a statement from the surety and the insurer that such fidelity bond or insurance policy shall in no event be terminated or materially modified without thirty days prior written notice to the Master Servicer and the Trustee. The Company shall notify the Master Servicer, the Securities Administrator and the Trustee in writing within five business days of receipt of notice that such fidelity bond or insurance policy will be, or has been, materially modified or terminated. The Trustee for the benefit of the Certificateholders must be named as loss payees on the fidelity bond and as additional insured on the errors and omissions policy.

Section 3.12 Realization Upon Defaulted Mortgage Loans; Determination of Excess Liquidation Proceeds and Realized Losses; Repurchases of Certain Mortgage Loans.

(a) The Company shall use reasonable efforts to foreclose upon or otherwise comparably convert the ownership of properties securing such of the EMC Mortgage Loans as come into and continue in default and as to which no satisfactory arrangements can be made for collection of delinquent payments. In connection with such foreclosure or other conversion, the Company shall follow such practices and procedures as it shall deem necessary or advisable and as shall be normal and usual in its general mortgage servicing activities and the requirements of the insurer under any Required Insurance Policy; provided that the Company shall not be required to expend its own funds in connection with any foreclosure or towards the restoration of any property unless it shall determine (i) that such restoration and/or foreclosure will increase the proceeds of liquidation of the EMC Mortgage Loan after reimbursement to itself of such expenses and (ii) that such expenses will be recoverable to it through Insurance Proceeds or Liquidation Proceeds (respecting which it shall have priority for purposes of withdrawals from the Protected Account maintained by the Company pursuant to Section 5.02). If the Company

reasonably believes that Liquidation Proceeds with respect to any such EMC Mortgage Loan would not be increased as a result of such foreclosure or other action, such EMC Mortgage Loan will be charged-off and will become a Liquidated Loan. The Company will give notice of any such charge-off and related Final Recovery Determination to the Trustee and the Master Servicer pursuant to Section 5.03. The Company shall be responsible for all other costs and expenses incurred by it in any such proceedings; provided that such costs and expenses shall be Servicing Advances and that it shall be entitled to reimbursement thereof from the proceeds of liquidation of the related Mortgaged Property, as contemplated in Section 5.02. If the Company has knowledge that a Mortgaged Property that the Company is contemplating acquiring in foreclosure or by deed- in-lieu of foreclosure is located within a one-mile radius of any site with environmental or hazardous waste risks known to the Company, the Company will, prior to acquiring the related Mortgaged Property, consider such risks and only take action in accordance with its established environmental review procedures.

With respect to any REO Property relating to an EMC Mortgage Loan, the deed or certificate of sale shall be taken in the name of the Trustee for the benefit of the Certificateholders (or the Trustee's nominee on behalf of the Certificateholders). The Trustee's name shall be placed on the title to such REO Property solely as the Trustee hereunder and not in its individual capacity. The Company shall ensure that the title to such REO Property references this Agreement and the Trustee's capacity hereunder. Pursuant to its efforts to sell such REO Property, the Company shall either itself or through an agent selected by the Company protect and conserve such REO Property in the same manner and to such extent as is customary in the locality where such REO Property is located and may, incident to its conservation and protection of the interests of the Certificateholders, rent the same, or any part thereof, as the Company deems to be in the best interest of the Company and the Certificateholders for the period prior to the sale of such REO Property. The Company shall prepare for and deliver to the Trustee, the Master Servicer and the Securities Administrator a statement with respect to each such REO Property that has been rented showing the aggregate rental income received and all expenses incurred in connection with the management and maintenance of such REO Property at such times as is necessary to enable the Securities Administrator to comply with the reporting requirements of the REMIC Provisions. The net monthly rental income, if any, from such REO Property shall be deposited in the Protected Account maintained by the Company no later than the close of business on each Determination Date. The Company shall perform the tax reporting and withholding related to foreclosures, abandonments and cancellation of indebtedness income as specified by Sections 1445, 6050J and 6050P of the Code by preparing and filing such tax and information returns, as may be required.

In the event that the Trust Fund acquires any Mortgaged Property as aforesaid or otherwise in connection with a default or reasonably foreseeable default on an EMC Mortgage Loan, the Company shall dispose of such Mortgaged Property prior to three years after its acquisition by the Trust Fund or, at the expense of the Trust Fund, request more than 60 days prior to the day on which such three-year period would otherwise expire, an extension of the three-year grace period unless the Trustee and the Securities Administrator shall have been supplied with an Opinion of Counsel addressed to the Trustee and the Securities Administrator (such opinion not to be an expense of the Trustee or the Securities Administrator) to the effect that the holding by the Trust Fund of such Mortgaged Property subsequent to such three-year period will not result in the imposition of taxes on "prohibited transactions" of REMIC I,

REMIC II, REMIC III, REMIC IV or REMIC V as defined in Section 860F of the Code or cause any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to fail to qualify as a REMIC at any time that any Certificates are outstanding, in which case the Trust Fund may continue to hold such Mortgaged Property (subject to any conditions contained in such Opinion of Counsel). Notwithstanding any other provision of this Agreement, no Mortgaged Property acquired by the Trust Fund shall be rented (or allowed to continue to be rented) or otherwise used for the production of income by or on behalf of the Trust Fund in such a manner or pursuant to any terms that would (i) cause such Mortgaged Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code or (ii) subject any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to the imposition of any federal, state or local income taxes on the income earned from such Mortgaged Property under Section 860G(c) of the Code or otherwise, unless the Company has agreed to indemnify and hold harmless the Trust Fund with respect to the imposition of any such taxes.

The decision of the Company to foreclose on a defaulted EMC Mortgage Loan shall be subject to a determination by the Company that the proceeds of such foreclosure would exceed the costs and expenses of bringing such a proceeding. The income earned from the management of any Mortgaged Properties acquired through foreclosure or other judicial proceeding, net of reimbursement to the Company for expenses incurred (including any property or other taxes) in connection with such management and net of unreimbursed Servicing Fees, Advances, Servicing Advances and any management fee paid or to be paid with respect to the management of such Mortgaged Property, shall be applied to the payment of principal of, and interest on, the related defaulted EMC Mortgage Loans (with interest accruing as though such Mortgage Loans were still current) and all such income shall be deemed, for all purposes in the Agreement, to be payments on account of principal and interest on the related Mortgage Notes and shall be deposited into the Protected Account maintained by the Company. To the extent the income received during a Prepayment Period is in excess of the amount attributable to amortizing principal and accrued interest at the related Mortgage Rate on the related EMC Mortgage Loan, such excess shall be considered to be a partial Principal Prepayment for all purposes hereof.

The Liquidation Proceeds from any liquidation of a related EMC Mortgage Loan, net of any payment to the Company as provided above, shall be deposited in the Protected Account upon receipt and made available on the next succeeding Determination Date following receipt thereof for distribution on the related Distribution Date, except that any Excess Liquidation Proceeds shall be retained by the Company as additional servicing compensation.

The proceeds of any Liquidated Loan, as well as any recovery resulting from a partial collection of related Liquidation Proceeds or any income from a an REO Property, will be applied in the following order of priority: first, to reimburse the Company and the Master Servicer for any related unreimbursed Servicing Advances, Master Servicing Fees and Servicing Fees, pursuant to Section 5.02 or this Section 3.12; second, to reimburse the Company and the Master Servicer for any unreimbursed Advances, pursuant to Section 5.02 or this Section 3.12; third, to accrued and unpaid interest (to the extent no Advance has been made for such amount) on the EMC Mortgage Loan or related REO Property, at the Net Mortgage Rate to the first day of the month in which such amounts are required to be distributed; and fourth, as a recovery of principal of the EMC Mortgage Loan.

(b) On each Determination Date, the Company shall determine the respective aggregate amounts of Excess Liquidation Proceeds and Realized Losses, if any, for the prior calendar month.

(c) The Company has no intent to foreclose on any EMC Mortgage Loan based on the delinquency characteristics as of the Closing Date; provided, that the foregoing does not prevent the Company from initiating foreclosure proceedings on any date hereafter if the facts and circumstances of such EMC Mortgage Loans including delinquency characteristics in the Company's discretion so warrant such action.

Section 3.13 Servicing Compensation.

As compensation for its activities hereunder, the Company shall be entitled to retain or withdraw from the Protected Account out of each payment of interest on an EMC Mortgage Loan included in the Trust Fund an amount equal to the Servicing Fee.

Additional servicing compensation in the form of any Excess Liquidation Proceeds, assumption fees, other ancillary income, late payment charges, all Prepayment Interest Excess on any EMC Mortgage Loan, all income and gain net of any losses realized from Permitted Investments with respect to funds in or credited to the Protected Account maintained by the Company shall be retained by the Company to the extent not required to be deposited in the Protected Account maintained by the Company pursuant to Section 5.02. The Company shall be required to pay all expenses incurred by it in connection with its servicing activities hereunder (including payment of any premiums for hazard insurance, as required by Section 3.07) and shall not be entitled to reimbursement therefor except as specifically provided in Section 5.02.

Section 3.14 REO Property.

(a) In the event the Trust Fund acquires ownership of any REO Property in respect of any related EMC Mortgage Loan, the deed or certificate of sale shall be issued to the Trustee, or to its nominee, on behalf of the Certificateholders. The Company shall sell any such REO Property as expeditiously as possible and in accordance with the provisions of this Agreement. Pursuant to its efforts to sell such REO Property, the Company shall protect and conserve such REO Property in the manner and to the extent required herein, in accordance with the REMIC Provisions and in a manner that does not result in a tax on "net income from foreclosure property" or cause such REO Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code.

(b) The Company shall deposit all funds collected and received in connection with the operation of any REO Property in respect of any EMC Mortgage Loan into the Protected Account maintained by the Company.

(c) The Company and the Master Servicer (as applicable), upon the final disposition of any REO Property in respect of any EMC Mortgage Loan, shall be entitled to reimbursement for any related unreimbursed Advances, unreimbursed Servicing Advances, Servicing Fees and Master Servicing Fees from Liquidation Proceeds received in connection with the final disposition of such REO Property; provided, that any such unreimbursed Advances, unreimbursed Servicing Advances, Servicing Fees or Master Servicing Fees as well as any

unpaid Servicing Fees and Master Servicing Fees may be reimbursed or paid, as the case may be, prior to final disposition, out of any net rental income or other net amounts derived from such REO Property.

Section 3.15 Liquidation Reports.

Upon the foreclosure of any Mortgaged Property relating to an EMC Mortgage Loan or the acquisition thereof by the Trust Fund pursuant to a deed-in-lieu of foreclosure, the Company shall submit a liquidation report to the Master Servicer containing such information as shall be mutually acceptable to the Company and the Master Servicer with respect to such Mortgaged Property.

Section 3.16 Annual Statement as to Compliance.

The Company, the Master Servicer and the Securities Administrator shall each deliver to the Securities Administrator and the Depositor, not later than March 15th of each calendar year beginning in 2007, an Officer's Certificate (an "Annual Statement of Compliance") stating, as to each signatory thereof, that (i) a review of the activities of each such party during the preceding calendar year and of its performance under this Agreement and/or other applicable servicing agreement has been made under such officer's supervision and (ii) to the best of such officer's knowledge, based on such review, each such party has fulfilled all of its obligations under this Agreement and/or other applicable servicing agreement in all material respects throughout such year, or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure known to such officer and the nature and status thereof. Such Annual Statement of Compliance shall contain no restrictions or limitations on its use. In the event that the Company, the Securities Administrator or the Master Servicer has delegated any servicing responsibilities with respect to the Mortgage Loans to a subservicer or subcontractor, such subservicer or subcontractor shall be directed by such delegating party to deliver a similar Annual Statement of Compliance (with respect to any related servicing agreement), to the Securities Administrator and the Depositor as described above as and when required with respect to the Company, the Master Servicer and the Securities Administrator.

Failure of the Master Servicer to comply with this Section 3.16 (including with respect to the time frames required in this Section) shall be deemed an Event of Default with respect to such party, and the Trustee at the direction of the Depositor, shall, in addition to whatever rights the Trustee may have under this Agreement and at law or in equity or to damages, including injunctive relief and specific performance, upon notice, immediately terminate all of the rights and obligations of the Master Servicer under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Master Servicer for the same. Failure of the Company to comply with this Section 3.16 (including with respect to the timeframes required in this Section) shall be deemed a Company Default and the Master Servicer shall, in addition to whatever rights the Master Servicer may have under this Agreement and at law or in equity or to damages, including injunctive relief and specific performance, upon notice immediately terminate all of the rights and obligations of the Company under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Company for the same. Failure of the Securities Administrator to comply with this Section 3.16 (including with respect to the time frames required in this Section) shall be deemed a default and the Trustee at the

direction of the Depositor shall, in addition to whatever rights the Trustee may have under this Agreement and at law or in equity or to damages, including injunctive relief and specific performance, upon notice immediately terminate all of the rights and obligations of the Securities Administrator under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Securities Administrator for the same. This paragraph shall supersede any other provision in this Agreement or any other agreement to the contrary.

In the event the Company, the Master Servicer, the Securities Administrator or any subservicer or subcontractor engaged by either such party is terminated or resigns pursuant to the terms of the Agreement, or any other applicable agreement in the case of a subservicer or subcontractor, as the case may be, such party shall provide an Annual Statement of Compliance pursuant to this Section 3.16 or to the related section of such other applicable agreement, as the case may be, as to the performance of its obligations with respect to the period of time it was subject to this Agreement or any other applicable agreement, as the case may be notwithstanding any such termination or resignation.

Section 3.17 Assessments of Compliance and Attestation Reports.

Pursuant to Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB, the Company, the Master Servicer, the Securities Administrator and each Custodian (each, an "Attesting Party") at its own expense shall each deliver to the Securities Administrator and the Depositor on or before March 15th of each calendar year beginning in 2007, a report signed by an authorized officer of such party regarding such Attesting Party's Assessment of Compliance (an "Assessment of Compliance") with the Servicing Criteria during the preceding calendar year. The Assessment of Compliance, as set forth in Regulation AB, must contain the following:

- (a) A statement by such officer of its responsibility for assessing compliance with the Servicing Criteria applicable to the related Attesting Party;
- (b) A statement by such officer that such Attesting Party used the Servicing Criteria attached as Exhibit O hereto, and which will also be attached to the Assessment of Compliance, to assess compliance with the Servicing Criteria applicable to the related Attesting Party;
- (c) An assessment by such officer of the related Attesting Party's compliance with the applicable Servicing Criteria for the period consisting of the preceding calendar year, including disclosure of any material instance of noncompliance with respect thereto during such period, which assessment shall be based on the activities such Attesting Party performs with respect to asset-backed securities transactions taken as a whole involving the related Attesting Party, that are backed by the same asset type as the Mortgage Loans;
- (d) A statement that a registered public accounting firm has issued an Attestation Report on the related Attesting Party's Assessment of Compliance for the period consisting of the preceding calendar year; and
- (e) A statement as to which of the Servicing Criteria, if any, are not applicable to such Attesting Party, which statement shall be based on the activities such Attesting Party

performs with respect to asset-backed securities transactions taken as a whole involving such Attesting Party, that are backed by the same asset type as the Mortgage Loans.

Such report at a minimum shall address each of the Servicing Criteria specified on Exhibit O hereto which are indicated as applicable to the related Attesting Party.

Notwithstanding the foregoing, as to the Securities Administrator and any Custodian, an Assessment of Compliance is not required to be delivered unless it is required as part of a Form 10-K with respect to the Trust Fund.

On or before March 15th of each calendar year beginning in 2007, each Attesting Party shall furnish to the Securities Administrator and the Depositor a report (an "Attestation Report") by a registered public accounting firm that attests to, and reports on, the Assessment of Compliance made by the related Attesting Party, as required by Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122(b) of Regulation AB, which Attestation Report must be made in accordance with standards for Attestation Reports issued or adopted by the Public Company Accounting Oversight Board.

Each of the Company, the Securities Administrator and the Master Servicer shall cause any subservicer and each subcontractor engaged by it and determined by it to be "participating in the servicing function" within the meaning of Item 1122 of Regulation AB, to deliver to the Securities Administrator and the Depositor an Assessment of Compliance and Attestation Report as and when provided above along with an indication of what Servicing Criteria are addressed in such assessment.

Such Assessment of Compliance, as to any subservicer, shall at a minimum address each of the Servicing Criteria specified on Exhibit O hereto which are indicated as applicable to any "primary servicer." The Securities Administrator shall confirm that the assessments, taken as a whole, address all of the Servicing Criteria and taken individually address the Servicing Criteria for each party as set forth on Exhibit O and notify the Depositor of any exceptions. Notwithstanding the foregoing, as to any subcontractor (as defined in the related servicing agreement), an Assessment of Compliance is not required to be delivered unless it is required as part of a Form 10-K with respect to the Trust Fund.

In addition, for the avoidance of doubt and without duplication, the Company as a Servicer shall (and shall cause each subservicer engaged by it to) provide to the Depositor and the Securities Administrator information concerning the following: (A) any Company Default hereunder and any subservicer event of default under the terms of the related Subservicing Agreement, (B) any merger, consolidation or sale of substantially all of the assets of the Company or, to the best of the Company's knowledge, any such subservicer, and (C) the Company's entry into an agreement with a subservicer to perform or assist in the performance of any of the Company's obligations as Servicer.

In addition, the Company as a Servicer, shall cause each subservicer engaged by it to provide the following information to the Depositor and the Securities Administrator, to the extent applicable, within the timeframes that the Company would otherwise have to provide such information:

(A) any material modifications, extensions or waivers of pool asset terms, fees, penalties or payments during the distribution period or that have cumulatively become material over time (Item 1121(a)(11) of Regulation AB);

(B) information regarding material breaches of pool asset representations or warranties or transaction covenants (Item 1121(a)(12) of Regulation AB); and

(C) information regarding new asset-backed securities issuances backed by the same pool assets, any pool asset changes (such as, additions, substitutions or repurchases), and any material changes in origination, underwriting or other criteria for acquisition or selection of pool assets (Item 1121(a)(14) of Regulation AB).

Failure of the Master Servicer or the Company, as applicable, to comply with this Section 3.17 (including with respect to the timeframes required in this Section) shall be deemed an Event of Default with respect to the Master Servicer and a Company Default with respect to the Company, and the Master Servicer or the Trustee at the direction of the Depositor shall, in addition to whatever rights the Master Servicer or the Trustee, as applicable, may have under this Agreement and at law or in equity or to damages, including injunctive relief and specific performance, upon notice immediately terminate all the rights and obligations of the applicable party under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the applicable party for the same. Failure of the Securities Administrator to comply with this Section 3.17 (including with respect to the time frames required in this Section) which failure results in a failure to timely file the Form 10-K shall be deemed a default which may result in the termination of the Securities Administrator pursuant to Section 10.08 of this Agreement and the Depositor shall, in addition to whatever rights the Depositor may have under this Agreement and at law or in equity or to damages, including injunctive relief and specific performance, upon notice immediately terminate all of the rights and obligations of the Securities Administrator under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Securities Administrator for the same. This paragraph shall supersede any other provision in this Agreement or any other agreement to the contrary.

In the event the Company, the Master Servicer, each Custodian, the Securities Administrator or any subservicer or subcontractor engaged by any such party is terminated, assigns its rights and obligations under, or resigns pursuant to, the terms of the Agreement, the related Custodial Agreement, or any other applicable agreement in the case of a subservicer or subcontractor, as the case may be, such party shall provide an Assessment of Compliance and cause to be provided an Attestation Report pursuant to this Section 3.17 or to the related section of such other applicable agreement, as the case may be, notwithstanding any such termination, assignment or resignation.

Section 3.18 Reports Filed with Securities and Exchange Commission.

(a) (i) Within 15 days after each Distribution Date (subject to permitted exceptions under the Exchange Act), the Securities Administrator shall, in accordance with industry standards, prepare and file with the Commission via the Electronic Data Gathering and Retrieval System (“EDGAR”), a Form 10-D, signed by the Master Servicer, with a copy of the Monthly Statement to be furnished by the Securities Administrator to the Certificateholders for

such Distribution Date attached thereto; provided that the Securities Administrator shall have received no later than seven (7) calendar days after the related Distribution Date, all information required to be provided to the Securities Administrator as described in clause (a)(ii) below. Any disclosure in addition to the Monthly Statement that is required to be included on Form 10-D ("Additional Form 10-D Disclosure") shall be reported by the parties set forth on Exhibit Q and by the Trustee to the Securities Administrator and the Depositor and approved by the Depositor pursuant to the paragraph immediately below, and the Securities Administrator will have no duty or liability for any failure hereunder to determine or prepare any Additional Form 10-D Disclosure absent such reporting (other than with respect to when it is the reporting party as set forth in Exhibit P) and approval.

(ii) (A) Within seven (7) calendar days after the related Distribution Date, (i) the parties set forth in Exhibit P and the Trustee shall be required to provide, pursuant to section 3.18(a)(v) below, to the Securities Administrator and the Depositor, to the extent known by a responsible officer thereof, in EDGAR-compatible format, or in such other format as otherwise agreed upon by the Securities Administrator and the Depositor and such party, the form and substance of any Additional Form 10-D Disclosure, if applicable, and (ii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Additional Form 10-D Disclosure on Form 10-D. Subject to the foregoing, the Securities Administrator has no duty under this Agreement to monitor or enforce the performance by the other parties listed on Exhibit P or by the Trustee of their duties under this paragraph or to proactively solicit or procure from such parties any Additional Form 10-D Disclosure information. The Depositor will be responsible for any reasonable out-of-pocket expenses incurred by the Securities Administrator in connection with including any Additional Form 10-D Disclosure on Form 10-D pursuant to this Section.

After preparing the Form 10-D, the Securities Administrator shall forward electronically a draft copy of the Form 10-D to the Depositor and the Master Servicer for review. No later than two (2) Business Days prior to the 15th calendar day after the related Distribution Date, a duly authorized officer of the Master Servicer shall sign the Form 10-D and return an electronic or fax copy of such signed Form 10-D (with an original executed hard copy to follow by overnight mail) to the Securities Administrator. If a Form 10-D cannot be filed on time or if a previously filed Form 10-D needs to be amended, the Securities Administrator will follow the procedures set forth in Section 3.18(a)(vi). Promptly (but no later than one (1) Business Day) after filing with the Commission, the Securities Administrator will make available on its internet website identified in Section 6.06 a final executed copy of each Form 10-D. The signing party at the Master Servicer can be contacted as set forth in Section 12.05. Form 10-D requires the registrant to indicate (by checking "yes" or "no") that it "(1) has filed all reports required to be filed by Section 13 or 15(d) of the Exchange Act during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. The Depositor shall notify the Securities Administrator in writing, no later than the fifth calendar day after the related Distribution Date with respect to the filing of a report on Form 10-D, if the answer to either question should be "no." The Securities Administrator shall be entitled to rely on the representations made by the Depositor in Section 2.04(vi) in preparing, executing and/or filing any such Form 10-D.

(B) The parties to this Agreement acknowledge that the performance by the Securities Administrator of its duties under Sections 3.18(a)(i) and (vi) related to the timely preparation and filing of Form 10-D is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under such Sections. The parties to this Agreement acknowledge that the performance by each of the Master Servicer and the Securities Administrator of its duties under this Section 3.18(a)(ii) related to the timely preparation, execution and filing of Form 10-D is also contingent upon the Company, the Servicer, the Custodians and any subservicers or subcontractors strictly observing deadlines no later than those set forth in this paragraph that are applicable to the parties to this Agreement in the delivery to the Securities Administrator of any necessary Additional Form 10-D Disclosure pursuant to the GMACM Servicing Agreement, Custodial Agreements or any other applicable agreement. The Securities Administrator shall have no liability for any loss, expense, damage or claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 10-D, where such failure results from the failure of any party hereto to deliver on a timely basis, any information needed by the Securities Administrator to prepare, arrange for execution or file such Form 10-D.

(iii) (A) Within four (4) Business Days after the occurrence of an event requiring disclosure on Form 8-K (each such event, a “Reportable Event”), the Securities Administrator shall prepare and file, on behalf of the Trust, at the direction of the Depositor, any Form 8-K, as required by the Exchange Act; provided that, the Depositor shall file the initial Form 8-K in connection with the issuance of the Certificates. Any disclosure or information related to a Reportable Event or that is otherwise required to be included on Form 8-K (“Form 8-K Disclosure Information”) shall be, pursuant to the paragraph immediately below, reported by the parties set forth on Exhibit P and by the Trustee to the Securities Administrator and the Depositor and directed and approved by the Depositor pursuant to the following paragraph, and the Securities Administrator will have no duty or liability for any failure hereunder to determine or prepare any Additional Form 8-K Disclosure absent such reporting (other than with respect to when it is the reporting party as set forth in Exhibit P) and approval.

(B) For so long as the Trust is subject to the Exchange Act reporting requirements, (i) no later than 12:00 p.m. New York City time on the 2nd Business Day after the occurrence of a Reportable Event the parties set forth in Exhibit P and the Trustee shall be required pursuant to Section 3.18(a)(v) below to provide to the Securities Administrator and the Depositor, to the extent known by a responsible officer thereof, in EDGAR-compatible format, or in such other form as otherwise agreed upon by the Securities Administrator and the Depositor and such party, the form and substance of any Form 8-K Disclosure Information, if applicable, and (ii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Form 8-K Disclosure Information on Form 8-K. Subject to the foregoing, the Securities Administrator has no duty under this Agreement to monitor or enforce the performance by the other parties listed on Exhibit P or by the Trustee of their duties under this paragraph or to proactively solicit or procure from such parties any Form 8-K Disclosure Information. The Depositor will be responsible for any reasonable out-of-pocket

expenses incurred by the Securities Administrator in connection with including any Form 8-K Disclosure Information on Form 8-K pursuant to this Section.

(C) After preparing the Form 8-K, the Securities Administrator shall forward electronically a draft copy of the Form 8-K to the Depositor and the Master Servicer for review. No later than the end of business New York City time on the 3rd Business Day after the Reportable Event, a duly authorized officer of the Master Servicer shall sign the Form 8-K and return an electronic or fax copy of such signed Form 8-K (with an original executed hard copy to follow by overnight mail) to the Securities Administrator. If a Form 8-K cannot be filed on time or if a previously filed Form 8-K needs to be amended, the Securities Administrator will follow the procedures set forth in Section 3.18(a)(vi). Promptly (but no later than one (1) Business Day) after filing with the Commission, the Securities Administrator will, make available on its internet website identified in Section 6.06 a final executed copy of each Form 8-K. The signing party at the Master Servicer can be contacted as set forth in Section 12.05. The parties to this Agreement acknowledge that the performance by the Securities Administrator of its duties under this Section 3.18(a)(iii) related to the timely preparation and filing of Form 8-K is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under this Section 3.18(a)(iii). It is understood by the parties hereto that the performance by each of the Master Servicer and the Securities Administrator of its duties under this Section 3.18(a)(iii) related to the timely preparation, execution and filing of Form 8-K is also contingent upon the Servicer, the Company, the Custodians and any subservicers or subcontractors strictly observing deadlines no later than those set forth in this paragraph that are applicable to the parties to this Agreement in the delivery to the Securities Administrator of any necessary Form 8-K Disclosure Information pursuant to the GMACM Servicing Agreement, Custodial Agreements or any other applicable agreement. The Securities Administrator shall have no liability for any loss, expense, damage or claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 8-K, where such failure results from the failure of any party hereto to deliver on a timely basis, any information needed by the Securities Administrator to prepare, arrange for execution or file such Form 8-K.

(iv) (A) On or prior to the 90th day after the end of each fiscal year of the Trust or such earlier date as may be required by the Exchange Act (the "10-K Filing Deadline") (it being understood that the fiscal year for the Trust ends on December 31st of each year), commencing in March 2007, the Securities Administrator shall prepare and file on behalf of the Trust a Form 10-K, in form and substance as required by the Exchange Act. Each such Form 10-K shall include the following items, in each case to the extent they have been delivered to the Securities Administrator within the applicable timeframes set forth in this Agreement, (I) an Annual Statement of Compliance for the Master Servicer, the Securities Administrator, the Company, the Servicer and any subservicer or subcontractor (to the extent Regulation AB requires the Annual Statement of Compliance of any such subservicer and subcontractor to be attached to Form 10-K), as described under Section 3.16, (II)(A) the Assessment of Compliance with Servicing Criteria for the Master Servicer, the Company, the Servicer, each subservicer and subcontractor participating in the servicing function, the Securities Administrator and the Custodian, as described under Section 3.17, and (B) if the Assessment of Compliance of the Master Servicer, the Company, the Servicer, each subservicer and subcontractor, the Securities

Administrator or the Custodian described under Section 3.17 identifies any material instance of noncompliance, disclosure identifying such instance of noncompliance, or if the Assessment of Compliance of the Master Servicer, the Company, the Servicer, the subservicer, the subcontractor, the Securities Administrator or the Custodian described under Section 3.17 is not included as an exhibit to such Form 10-K, disclosure that such report is not included and an explanation why such report is not included, (III)(A) the registered public accounting firm Attestation Report for the Master Servicer, the subservicer, the subcontractor, the Company, the Servicer, the Securities Administrator and the Custodian, as described under Section 3.17, and (B) if any registered public accounting firm Attestation Report described under Section 3.17 identifies any material instance of noncompliance, disclosure identifying such instance of noncompliance, or if any such registered public accounting firm Attestation Report is not included as an exhibit to such Form 10-K, disclosure that such report is not included and an explanation why such report is not included, and (IV) a Sarbanes-Oxley Certification ("Sarbanes-Oxley Certification") as described in this Section 3.18 (a)(iv)(D) below. Any disclosure or information in addition to (I) through (IV) above that is required to be included on Form 10-K ("Additional Form 10-K Disclosure") shall be reported by the parties set forth on Exhibit P and by the Trustee to the Securities Administrator and the Depositor and, pursuant to the paragraph immediately below, approved by the Depositor, and the Securities Administrator will have no duty or liability for any failure hereunder to determine or prepare any Additional Form 10-K Disclosure absent such reporting (other than with respect to when it is the reporting party as set forth in Exhibit P) and approval.

(B) No later than March 15th of each year that the Trust is subject to the Exchange Act reporting requirements, commencing in 2007, (i) the parties set forth in Exhibit P and the Trustee shall be required to provide pursuant to Section 3.18(a)(v) below to the Securities Administrator and the Depositor, to the extent known, in EDGAR-compatible format, or in such other format as otherwise agreed upon by the Securities Administrator and the Depositor and such party, the form and substance of any Additional Form 10-K Disclosure, if applicable, and (ii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Additional Form 10-K Disclosure on Form 10-K. Subject to the foregoing, the Securities Administrator has no duty under this Agreement to monitor or enforce the performance by the other parties listed on Exhibit P and the Trustee of their duties under this paragraph or to proactively solicit or procure from such parties any Additional Form 10-K Disclosure information. The Depositor will be responsible for any reasonable out-of-pocket expenses incurred by the Securities Administrator in connection with including any Additional Form 10-K Disclosure on Form 10-K pursuant to this Section.

(C) After preparing the Form 10-K, the Securities Administrator shall forward electronically a draft copy of the Form 10-K to the Depositor and the Master Servicer for review. Form 10-K requires the registrant to indicate (by checking "yes" or "no") that it (1) has filed all reports required to be filed by Section 13 or 15(d) of the Exchange Act during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. The Depositor shall notify the Securities Administrator in writing, no later than the 15th calendar day of March in any year in which the Trust is subject to the reporting requirements of the Exchange Act, if the answer to either question should be

"no." The Securities Administrator shall be entitled to rely on the representations made by the Depositor in Section 2.04(vi) in preparing, executing and/or filing any such Form 10-K. No later than 12:00 p.m. New York City time on the 4th Business Day prior to the 10-K Filing Deadline, a senior officer of the Master Servicer in charge of the master servicing function shall sign the Form 10-K and return an electronic or fax copy of such signed Form 10-K (with an original executed hard copy to follow by overnight mail) to the Securities Administrator. If a Form 10-K cannot be filed on time or if a previously filed Form 10-K needs to be amended, the Securities Administrator will follow the procedures set forth in Section 3.18(a)(vi). Promptly (but no later than one (1) Business Day) after filing with the Commission, the Securities Administrator will make available on its internet website identified in Section 6.06 a final executed copy of each Form 10-K. The signing party at the Master Servicer can be contacted as set forth in Section 12.05. The parties to this Agreement acknowledge that the performance by the Securities Administrator of its duties under Section 3.18(a)(iv) related to the timely preparation and filing of Form 10-K is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under such Section and Section 3.16 and Section 3.17. It is understood by the parties hereto that the performance by the Master Servicer and the Securities Administrator of its duties under this Section 3.18(a)(iv) related to the timely preparation, execution and filing of Form 10-K is also contingent upon the Company, the Servicer, the Custodians and any subservicer or subcontractor strictly observing deadlines no later than those set forth in this paragraph that are applicable to the parties to this Agreement in the delivery to the Securities Administrator of any necessary Additional Form 10-K Disclosure, any Annual Statement of Compliance and any Assessment of Compliance and attestation pursuant to the GMACM Servicing Agreement, the Custodial Agreements or any other applicable agreement. The Securities Administrator shall have no liability for any loss, expense, damage or claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 10-K, where such failure results from the failure of any party hereto to deliver on a timely basis, any information needed by the Securities Administrator to prepare, arrange for execution or file such Form 10-K.

(D) Each Form 10-K shall include a certification (the "Sarbanes-Oxley Certification") required to be included therewith pursuant to the Sarbanes-Oxley Act. The Securities Administrator and the Company shall, and each such party shall cause any subservicer or subcontractor engaged by it to, provide to the Person who signs the Sarbanes-Oxley Certification (the "Certifying Person"), by March 15 of each year in which the Trust is subject to the reporting requirements of the Exchange Act and otherwise within a reasonable period of time upon request, a certification (a "Back-Up Certification"), in the form attached hereto as Exhibit M upon which the Certifying Person, the entity for which the Certifying Person acts as an officer, and such entity's officers, directors and Affiliates (collectively with the Certifying Person, "Certification Parties") can reasonably rely; provided, however, that the Securities Administrator and the Company shall not be required to undertake an analysis of any accountant's report attached as an exhibit to the Form 10-K. The senior officer of the Master Servicer in charge of the master servicing function shall serve as the Certifying Person on behalf of the Trust. Such officer of the Certifying Person can be contacted as set forth in Section 12.05. In the event the Securities Administrator is terminated or resigns pursuant to the

terms of this Agreement or any subcontractor or subservicer is terminated pursuant to the related servicing agreement, the Securities Administrator, subcontractor or subservicer, as applicable, shall provide a Back-Up Certification to the Certifying Person pursuant to this Section 3.18(a)(iv) with respect to the period of time it was subject to this Agreement or the related servicing agreement, as applicable. Notwithstanding the foregoing, (i) the Master Servicer and the Securities Administrator shall not be required to deliver a Back-Up Certification to each other if both are the same Person and the Master Servicer is the Certifying Person and (ii) the Master Servicer shall not be obligated to sign the Sarbanes-Oxley Certification in the event that it does not receive any Back-Up Certification required to be furnished to it pursuant to this section or the GMACM Servicing Agreement or Custodial Agreement.

(v) With respect to any Additional Form 10-D Disclosure, Additional Form 10-K Disclosure or any Form 8-K Disclosure Information (collectively, the “Additional Disclosure”) relating to the Trust Fund in the form attached hereto as Exhibit Q, the Securities Administrator’s obligation to include such Additional Information in the applicable Exchange Act report is subject to receipt from the entity that is indicated in Exhibit P as the responsible party for providing that information, if other than the Securities Administrator, as and when required as described in Section 3.18(a)(i) through (iv) above. Each of the Master Servicer, Custodian, Seller, Company and the Depositor hereby agree to notify and provide (to the extent known) to the Securities Administrator and the Depositor all Additional Disclosure relating to the Trust Fund, with respect to which such party is indicated in Exhibit P as the responsible party for providing that information. Within five Business Days prior to each Distribution Date of each year that the Trust is subject to the Exchange Act reporting requirements, the Depositor shall make available to the Securities Administrator the Significance Estimate and the Securities Administrator shall use such information to calculate the Significance Percentage. The Securities Administrator shall provide the Significance Percentage to the Depositor by the later of the Distribution Date or (3) three Business Days after the receipt of the Significance Estimate from the Depositor. If the Significance Percentage meets either of the threshold levels detailed in Item 1115(b)(1) or 1115(b)(2) of Regulation AB, the Securities Administrator shall deliver written notification to the Depositor and the Swap Provider to that effect. The Securities Administrator shall request and the Depositor shall obtain from the Swap Provider any information required under Regulation AB to the extent required under the Swap Agreement. The Depositor shall be obligated to provide to the Securities Administrator (no later than, in the case of Form 10-D, the seventh calendar day after the Distribution Date and in the case of Form 10-K, March 15th in any year in which a Form 10-K is filed for the Trust) any information that may be required to be included in any Form 10-D, Form 8-K or Form 10-K or written notification instructing the Securities Administrator that such Additional Disclosure regarding the Swap Provider is not necessary for such Distribution Date.

So long as the Depositor is subject to the filing requirements of the Exchange Act with respect to the Trust Fund, the Trustee shall notify the Securities Administrator and the Depositor of any bankruptcy or receivership with respect to the Trustee or of any proceedings of the type described under Item 1117 of Regulation AB that have occurred as of the end of the related Due Period, together with a description thereof, no later than the date on which such information is required to be reported to the Securities Administrator and the Depositor by the other parties hereto as set forth under this Section 3.18. In addition, the Trustee shall notify the Securities

Administrator and the Depositor of (i) any affiliations or relationships that develop after the Closing Date between the Trustee and the Depositor, the Seller, the Securities Administrator, the Master Servicer or the Custodian of the type described under Item 1119 of Regulation AB, and (ii) the occurrence of an Event of Default (with respect to the Master Servicer) actually known to a Responsible Officer of the Trustee together, in each case, with a description thereof, no later than the date on which such information is required to be reported to the Securities Administrator and the Depositor by the other parties hereto as set forth under this Section 3.18. Any notice required to be given by the Trustee to the Securities Administrator and the Depositor pursuant to this paragraph shall be accompanied by an Additional Disclosure Notification form attached hereto as Exhibit Q and shall be submitted in EDGAR-compatible format. Should the identification of any of the Depositor, the Seller, the Securities Administrator, the Master Servicer or the Custodian change, the Depositor shall promptly notify the Trustee.

(vi) (A) On or prior to January 30 of the first year in which the Securities Administrator is able to do so under applicable law, the Securities Administrator shall prepare and file a Form 15 relating to the automatic suspension of reporting in respect of the Trust under the Exchange Act.

(B) In the event that the Securities Administrator is unable to timely file with the Commission all or any required portion of any Form 8-K, 10-D or 10-K required to be filed by this Agreement because required disclosure information was either not delivered to it or delivered to it after the delivery deadlines set forth in this Agreement or for any other reason, the Securities Administrator will promptly notify the Depositor and the Master Servicer. In the case of Form 10-D and 10-K, the parties hereto will cooperate to prepare and file a Form 12b-25 and a 10-D/A and 10-K/A as applicable, pursuant to Rule 12b-25 of the Exchange Act. In the case of Form 8-K, the Securities Administrator will, upon receipt of all required Form 8-K Disclosure Information and upon the approval and direction of the Depositor, include such disclosure information on the next Form 10-D. In the event that any previously filed Form 8-K, 10-D or 10-K needs to be amended, the Securities Administrator will notify the Depositor and the Master Servicer and the parties hereto will cooperate to prepare any necessary 8-K/A, 10-D/A or 10-K/A. Any Form 15, Form 12b-25 or any amendment to Form 8-K, Form 10-D or Form 10-K shall be signed by the appropriate officer of the Master Servicer. The parties hereto acknowledge that the performance by the Securities Administrator of its duties under this Section 3.18(a)(vi) related to the timely preparation and filing of Form 15, a Form 12b-25 or any amendment to Form 8-K, Form 10-D or Form 10-K is contingent upon such parties performing their duties under this Section. The Securities Administrator shall have no liability for any loss, expense, damage, claim arising out of or with respect to any failure to properly prepare and/or timely file any such Form 15, Form 12b-25 or any amendments to Form 8-K, Form 10-D or Form 10-K, where such failure results from the failure of any party hereto to deliver on a timely basis, any information needed by the Securities Administrator to prepare, arrange for execution or file such Form 15, Form 12b-25 or any amendments to Forms 8-K, Form 10-D or Form 10-K.

The parties hereto agree to promptly furnish to the Securities Administrator, from time to time upon request, such further information, reports and financial statements within its control or possession related to this Agreement and the Mortgage Loans as the Securities Administrator

reasonably deems appropriate to prepare and file all necessary reports with the Commission. The Securities Administrator shall have no responsibility to file any items other than those specified in this Section 3.18; provided, however, the Securities Administrator shall cooperate with the Depositor in connection with any additional filings with respect to the Trust Fund as the Depositor deems necessary under the Exchange Act. Copies of all reports filed by the Securities Administrator under the Exchange Act shall be sent to: the Depositor c/o Bear, Stearns & Co. Inc., Attn: Managing Director Analysis and Control, One Metrotech Center North, Brooklyn, New York 11202-3859. Fees and expenses incurred by the Securities Administrator in connection with this Section 3.18 shall not be reimbursable from the Trust Fund. The Depositor shall be responsible for any reasonable fees and expenses assessed or incurred by the Securities Administrator to the extent set forth in this Section 3.18.

(b) The Securities Administrator shall indemnify and hold harmless each of the Company, the Depositor and the Master Servicer (if the Master Servicer is unaffiliated with the Securities Administrator) and their respective officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach of the Securities Administrator's obligations under Sections 3.16, 3.17 and 3.18 or the Securities Administrator's negligence, bad faith or willful misconduct in connection therewith. In addition, the Securities Administrator shall indemnify and hold harmless the Depositor and the Master Servicer (if the Master Servicer is unaffiliated with the Securities Administrator) and each of their officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Back-Up Certification, the Annual Statement of Compliance, the Assessment of Compliance, any Additional Disclosure or other information provided by the Securities Administrator pursuant to Section 3.16, 3.17 and 3.18 (the "Securities Administrator Information"), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; provided, by way of clarification, that clause (ii) of this paragraph shall be construed solely by reference to the Securities Administrator Information and not to any other information communicated in connection with the Certificates, without regard to whether the Securities Administrator Information or any portion thereof is presented together with or separately from such other information.

The Depositor shall indemnify and hold harmless each of the Company, the Securities Administrator and the Master Servicer and their officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach of the obligations of the Depositor under Sections 3.16, 3.17 and 3.18 or the Depositor's negligence, bad faith or willful misconduct in connection therewith.

The Master Servicer shall indemnify and hold harmless each of the Company, the Securities Administrator (if the Securities Administrator is unaffiliated with the Master Servicer) and the Depositor and their respective officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach of the

obligations of the Master Servicer under Sections 3.16, 3.17 and 3.18 or the Master Servicer's negligence, bad faith or willful misconduct in connection therewith. In addition, the Master Servicer shall indemnify and hold harmless the Depositor and each of its officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Annual Statement of Compliance, any Assessment of Compliance, any Attestation Report, any Additional Disclosure or other information provided by the Master Servicer pursuant to Section 3.16, 3.17 and 3.18 (the "Master Servicer Information"), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; provided, by way of clarification, that clause (ii) of this paragraph shall be construed solely by reference to the Master Servicer Information and not to any other information communicated in connection with the Certificates, without regard to whether the Master Servicer Information or any portion thereof is presented together with or separately from such other information.

The Company shall indemnify and hold harmless each of the Depositor, the Securities Administrator and the Master Servicer and their respective officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach of the obligations of the Company under Sections 3.16, 3.17 and 3.18 or the Company's negligence, bad faith or willful misconduct in connection therewith. In addition, the Company shall indemnify and hold harmless each of the Depositor, the Securities Administrator and the Master Servicer and their respective officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Back-Up Certification, the Annual Statement of Compliance, the Assessment of Compliance, any Attestation Report, any Additional Disclosure or other information provided by or on behalf of the Company or on behalf of any subservicer or subcontractor of the Company pursuant to Section 3.16, 3.17 and 3.18 (the "Company Information"), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; provided, by way of clarification, that clause (ii) of this paragraph shall be construed solely by reference to the Company Information and not to any other information communicated in connection with the Certificates, without regard to whether the Company Information or any portion thereof is presented together with or separately from such other information.

If the indemnification provided for herein is unavailable or insufficient to hold harmless the Depositor, the Securities Administrator or the Master Servicer, as applicable, then the defaulting party, in connection with any conduct for which it is providing indemnification for under this Section 3.18(b), agrees that it shall contribute to the amount paid or payable by the other parties as a result of the losses, claims, damages or liabilities of the other party in such proportion as is appropriate to reflect the relative fault and the relative benefit of the respective parties.

The indemnification provisions set forth in this Section 3.18(b) shall survive the termination of this Agreement or the termination of any party to this Agreement.

(c) Nothing shall be construed from the foregoing subsections (a) and (b) to require the Securities Administrator or any officer, director or Affiliate thereof to sign any Form 10-K or any certification contained therein. Furthermore, the inability of the Securities Administrator to file a Form 10-K as a result of the lack of required information as set forth in Section 3.18(a) or required signatures on such Form 10-K or any certification contained therein shall not be regarded as a breach by the Securities Administrator of any obligation under this Agreement.

(d) Notwithstanding the provisions of Section 11.01, this Section 3.18 may be amended without the consent of the Certificateholders.

(e) Any report, notice or notification to be delivered by the Company, the Master Servicer or the Securities Administrator to the Depositor pursuant to this Section 3.18, may be delivered via facsimile to Reg AB Compliance Manager, via email to RegABNotifications@bear.com or, in the case of a notification, telephonically by calling Reg AB Compliance Manager at 212-272-7525.

Section 3.19 Intention of the Parties and Interpretation.

Each of the parties acknowledges and agrees that the purpose of Sections 3.16, 3.17 and 3.18 of this Agreement is to facilitate compliance by the Seller, the Depositor, the Master Servicer and the Securities Administrator with the provisions of Regulation AB promulgated by the SEC under the 1934 Act (17 C.F.R. §§ 229.1100 - 229.1123), as such may be amended from time to time and subject to clarification and interpretive advice as may be issued by the staff of the SEC from time to time. Therefore, each of the parties agrees that (a) the obligations of the parties hereunder shall be interpreted in such a manner as to accomplish that purpose, (b) the parties' obligations hereunder will be supplemented and modified as necessary to be consistent with any such amendments, interpretive advice or guidance, convention or consensus among active participants in the asset-backed securities markets, advice of counsel, or otherwise in respect of the requirements of Regulation AB, (c) the parties shall comply with requests made by the Sponsor, the Depositor or other applicable parties hereto for delivery of additional or different information as the Securities Administrator, the Master Servicer, the Sponsor or the Depositor may determine in good faith is necessary to comply with the provisions of Regulation AB, and (d) no amendment of this Agreement shall be required to effect any such changes in the parties' obligations as are necessary to accommodate evolving interpretations of the provisions of Regulation AB.

ARTICLE IV

MASTER SERVICING OF MORTGAGE LOANS BY MASTER SERVICER

Section 4.01 Master Servicer.

The Master Servicer shall, beginning on the Closing Date, supervise, monitor and oversee the obligation of the Company and the Servicer to service and administer their respective Mortgage Loans in accordance with the terms of this Agreement and the GMACM Servicing Agreement, respectively and shall have full power and authority to do any and all things which it may deem necessary or desirable in connection with such master servicing. In performing its obligations hereunder, the Master Servicer shall act in a manner consistent with Accepted Master Servicing Practices. Furthermore, the Master Servicer shall oversee and consult with the Company and the Servicer as necessary from time-to-time to carry out the Master Servicer's obligations hereunder, shall receive and review certain reports, information and other data provided to the Master Servicer by the Company and the Servicer and shall enforce the obligations, conditions and covenants of the Company and Servicer to the extent set forth in this Agreement and the GMACM Servicing Agreement, respectively. The Master Servicer shall monitor the Company and the Servicer's servicing activities with respect to each related Mortgage Loan, reconcile the results of such monitoring with such information described in the previous sentence and received by the Master Servicer on a monthly basis and coordinate corrective adjustments to the Company's, the Servicer's and Master Servicer's records, and based on such reconciled and corrected information, the Master Servicer shall provide such information to the Securities Administrator as shall be necessary in order for it to prepare the statements specified in Section 6.06 and any other information and statements required hereunder. The Master Servicer shall reconcile the results of its Mortgage Loan monitoring with the actual remittances of the Company and the Servicer pursuant to this Agreement and the GMACM Servicing Agreement, respectively. The Master Servicer shall be entitled to conclusively rely on the Mortgage Loan data provided by the Company and the Servicer and shall have no liability for any errors in such Mortgage Loan data.

The Master Servicer, the Trustee and the Securities Administrator shall provide access to the records and documentation in possession of the Master Servicer, the Trustee or the Securities Administrator regarding the related Mortgage Loans and REO Property to the Certificateholders, the FDIC, and the supervisory agents and examiners of the FDIC, such access being afforded only upon reasonable prior written request and during normal business hours at the office of the Master Servicer, the Trustee or the Securities Administrator; provided, however, that, unless otherwise required by law, neither the Master Servicer, the Trustee nor the Securities Administrator shall be required to provide access to such records and documentation if the provision thereof would violate the legal right to privacy of any Mortgagor. The Master Servicer, the Trustee and the Securities Administrator shall allow representatives of the above entities to photocopy any of the records and documentation and shall provide equipment for that purpose at a charge that covers the Master Servicer's, the Trustee's or the Securities Administrator's actual costs.

The Trustee shall execute and deliver to the Company, the Servicer or the Master Servicer, as applicable, any court pleadings, requests for trustee's sale or other documents

necessary or desirable to (i) the foreclosure or trustee's sale with respect to a Mortgaged Property; (ii) any legal action brought to obtain judgment against any Mortgagor on the Mortgage Note or security instrument; (iii) obtain a deficiency judgment against the Mortgagor; or (iv) enforce any other rights or remedies provided by the Mortgage Note or security instrument or otherwise available at law or equity.

Section 4.02 Monitoring of Company and Servicers.

(a) In the review of the Company's and the Servicer's activities, the Master Servicer may rely upon the Annual Statement of Compliance of the Company and the Servicer with regard to such Person's compliance with the terms of this Agreement or the GMACM Servicing Agreement; provided that no such reliance will relieve the Master Servicer of its obligations pursuant to this Agreement. In the event that the Master Servicer, in its judgment, determines that the Company or the Servicer should be terminated in accordance with this Agreement or the GMACM Servicing Agreement, or that a notice should be sent pursuant to this Agreement or the GMACM Servicing Agreement with respect to the occurrence of an event that, unless cured, would constitute grounds for such termination, the Master Servicer shall notify the Depositor and the Trustee thereof and the Master Servicer shall issue such notice or take such other action as it deems appropriate.

(b) The Master Servicer, for the benefit of the Trustee and the Certificateholders, shall enforce the obligations of the Company under this Agreement and of the Servicer under the GMACM Servicing Agreement, and shall, in the event that the Company or the Servicer fails to perform its obligations in accordance with this Agreement or the GMACM Servicing Agreement, subject to the preceding paragraph, terminate the rights and obligations of such Person thereunder and act as servicer of the related Mortgage Loans or to instruct the Trustee to enter into a new servicing agreement with a successor servicer selected by the Master Servicer; provided, however, it is understood and acknowledged by the parties hereto that there shall be a period of transition (not to exceed 90 days) before the actual servicing functions can be fully transferred to such successor servicer; provided further, if the Servicer or the Company has failed to advance or failed to make a payment so that the Master Servicer has had to advance its own funds, then the Master Servicer may terminate the Servicer or the Company. Such enforcement, including, without limitation, the legal prosecution of claims, termination of the GMACM Servicing Agreement and the pursuit of other appropriate remedies, shall be in such form and carried out to such an extent and at such time as the Master Servicer, in its good faith business judgment, would require were it the owner of the related Mortgage Loans. The Master Servicer shall pay the costs of such enforcement at its own expense, subject to its right of reimbursement pursuant to the provisions of this Agreement or the GMACM Servicing Agreement, provided that the Master Servicer shall not be required to prosecute or defend any legal action except to the extent that the Master Servicer shall have received reasonable indemnity for its costs and expenses in pursuing such action.

(c) To the extent that the costs and expenses of the Master Servicer related to any termination of the Company or the Servicer, appointment of a successor servicer or the transfer and assumption of servicing by the Master Servicer with respect to this Agreement or the GMACM Servicing Agreement (including, without limitation, (i) all legal costs and expenses and all due diligence costs and expenses associated with an evaluation of the potential

termination of the Company or the Servicer as a result of an alleged or actual breach of contract or an event of default by such Person and (ii) all costs and expenses associated with the complete transfer of servicing, including all servicing files and all servicing data and the completion, correction or manipulation of such servicing data as may be required by the successor servicer to correct any errors or insufficiencies in the servicing data or otherwise to enable the successor servicer to service the Mortgage Loans in accordance with this Agreement or the GMACM Servicing Agreement) are not fully and timely reimbursed by the Company or the terminated Servicer, the Master Servicer shall be entitled to reimbursement of such costs and expenses from the Master Servicer Collection Account.

(d) The Master Servicer shall require the Company and the Servicer to comply with the remittance requirements and other obligations set forth in this Agreement or the GMACM Servicing Agreement, as applicable.

(e) If the Master Servicer acts as a servicer, it will not assume liability for the representations and warranties of the Company or the Servicer, if any, that it replaces.

Section 4.03 Fidelity Bond.

The Master Servicer, at its expense, shall (i) maintain in effect a blanket fidelity bond and an errors and omissions insurance policy, affording coverage with respect to all directors, officers, employees and other Persons acting on such Master Servicer's behalf, and covering errors and omissions in the performance of the Master Servicer's obligations hereunder or (ii) self insure if LaSalle maintains with any Rating Agency the equivalent of a long term unsecured debt rating of "A". The errors and omissions insurance policy and the fidelity bond referred to in (i) above shall be in such form and amount generally acceptable for entities serving as master servicers.

Section 4.04 Power to Act; Procedures.

The Master Servicer shall master service the Mortgage Loans and shall have full power and authority, subject to the REMIC Provisions and the provisions of Article XI hereof, to do any and all things that it may deem necessary or desirable in connection with the master servicing and administration of the Mortgage Loans, including but not limited to the power and authority (i) to execute and deliver, on behalf of the Certificateholders, the Trustee and the Securities Administrator, customary consents or waivers and other instruments and documents, (ii) to consent to transfers of any Mortgaged Property and assumptions of the Mortgage Notes and related Mortgages, (iii) to collect any Insurance Proceeds and Liquidation Proceeds, and (iv) to effectuate foreclosure or other conversion of the ownership of the Mortgaged Property securing any Mortgage Loan, in each case, in accordance with the provisions of this Agreement and the GMACM Servicing Agreement, as applicable; provided, however, that the Master Servicer shall not (and, consistent with its responsibilities under Section 4.02, shall not permit the Company or the Servicer to) knowingly or intentionally take any action, or fail to take (or fail to cause to be taken) any action reasonably within its control and the scope of duties more specifically set forth herein, that, under the REMIC Provisions, if taken or not taken, as the case may be, would cause REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to fail to qualify as a REMIC or result in the imposition of a tax upon the Trust Fund (including but not

limited to the tax on prohibited transactions as defined in Section 860F(a)(2) of the Code and the tax on contributions to a REMIC set forth in Section 860G(d) of the Code) unless the Master Servicer has received an Opinion of Counsel (but not at the expense of the Master Servicer) to the effect that the contemplated action, or failure to take action, will not cause REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to fail to qualify as a REMIC or result in the imposition of a tax upon REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V, as the case may be.

The Trustee shall execute and deliver such other documents, as the Master Servicer may request, to enable the Master Servicer to master service and administer the Mortgage Loans and carry out its duties hereunder, in each case in accordance with Accepted Master Servicing Practices (and the Trustee shall have no liability for misuse of any such powers of attorney by the Master Servicer, the Company or the Servicer). If the Master Servicer or the Trustee has been advised that it is likely that the laws of the state in which action is to be taken prohibit such action if taken in the name of the Trustee or that the Trustee would be adversely affected under the “doing business” or tax laws of such state if such action is taken in its name, the Master Servicer shall join with the Trustee in the appointment of a co-trustee pursuant to Section 10.11 hereof. In the performance of its duties hereunder, the Master Servicer shall be an independent contractor and shall not, except in those instances where it is taking action in the name of the Trustee, be deemed to be the agent of the Trustee.

Section 4.05 Due-on-Sale Clauses; Assumption Agreements.

To the extent provided in this Agreement or the GMACM Servicing Agreement, to the extent Mortgage Loans contain enforceable due-on-sale clauses, the Master Servicer shall enforce the obligation of the Company and the Servicer to enforce such clauses in accordance with this Agreement or the GMACM Servicing Agreement. If applicable law prohibits the enforcement of a due-on-sale clause or such clause is otherwise not enforced in accordance with this Agreement or the GMACM Servicing Agreement, and, as a consequence, a Mortgage Loan is assumed, the original Mortgagor may be released from liability in accordance with this Agreement or the GMACM Servicing Agreement.

Section 4.06 Documents, Records and Funds in Possession of Master Servicer, Company and Servicer To Be Held for Trustee.

(a) The Master Servicer shall transmit and the Company or the Servicer (to the extent required by this Agreement or the GMACM Servicing Agreement) shall transmit to the Trustee or Custodian such documents and instruments coming into the possession of such Person from time to time as are required by the terms hereof, or in the case of the Servicer, the GMACM Servicing Agreement, to be delivered to the Trustee or Custodian. Any funds received by the Master Servicer, the Company or by the Servicer in respect of any Mortgage Loan or which otherwise are collected by the Master Servicer, the Company or by the Servicer as Liquidation Proceeds or Insurance Proceeds in respect of any Mortgage Loan shall be held for the benefit of the Trustee and the Certificateholders subject to the Master Servicer’s right to retain or withdraw from the Master Servicer Collection Account, the Master Servicing Compensation and other amounts provided in this Agreement, and to the right of the Company and the Servicer to retain its Servicing Fee and other amounts as provided in this Agreement or the GMACM Servicing Agreement. The Master Servicer shall, and (to the extent provided in this

Agreement or the GMACM Servicing Agreement) shall enforce the obligation of the Company and the Servicer to, provide access to information and documentation regarding the Mortgage Loans to the Trustee, and their respective agents and accountants at any time upon reasonable request and during normal business hours, and to Certificateholders that are savings and loan associations, banks or insurance companies, the Office of Thrift Supervision, the FDIC and the supervisory agents and examiners of such Office and Corporation or examiners of any other federal or state banking or insurance regulatory authority if so required by applicable regulations of the Office of Thrift Supervision or other regulatory authority, such access to be afforded without charge but only upon reasonable request in writing and during normal business hours at the offices of the Master Servicer designated by it. In fulfilling such a request the Master Servicer shall not be responsible for determining the sufficiency of such information.

(b) All Mortgage Files and funds collected or held by, or under the control of, the Master Servicer, in respect of any Mortgage Loans, whether from the collection of principal and interest payments or from Liquidation Proceeds or Insurance Proceeds, shall be held by the Master Servicer for and on behalf of the Trustee and the Certificateholders and shall be and remain the sole and exclusive property of the Trustee; provided, however, that the Master Servicer, the Company and the Servicer shall be entitled to setoff against, and deduct from, any such funds any amounts that are properly due and payable to the Master Servicer, the Company or the Servicer under this Agreement or the GMACM Servicing Agreement.

Section 4.07 Presentment of Claims and Collection of Proceeds.

The Master Servicer shall (to the extent provided in this Agreement and the GMACM Servicing Agreement) enforce the obligation of the Company or the Servicer to, prepare and present on behalf of the Trustee and the Certificateholders all claims under the Insurance Policies and take such actions (including the negotiation, settlement, compromise or enforcement of the insured's claim) as shall be necessary to realize recovery under such policies. Any proceeds disbursed to the Master Servicer (or disbursed to the Company or the Servicer and remitted to the Master Servicer) in respect of such policies, bonds or contracts shall be promptly deposited in the Master Servicer Collection Account upon receipt, except that any amounts that are to be applied upon receipt to the repair or restoration of the related Mortgaged Property, which repair or restoration the owner of such Mortgaged Property or EMC, as applicable, has agreed to make as a condition precedent to the presentation of its claims on the related EMC Mortgage Loan under the applicable Insurance Policy, need not be so deposited (or remitted).

Section 4.08 Realization Upon Defaulted Mortgage Loans.

The Master Servicer shall enforce any obligation of the Company and the Servicer (to the extent set forth under this Agreement and the GMACM Servicing Agreement, as applicable) to foreclose upon, repossess or otherwise comparably convert the ownership of Mortgaged Properties securing such of the Mortgage Loans as come into and continue in default and as to which no satisfactory arrangements can be made for collection of delinquent payments, all in accordance with this Agreement or the GMACM Servicing Agreement, as applicable.

Section 4.09 Compensation of the Master Servicer.

The Master Servicer shall be entitled to the Master Servicing Fee on each Distribution Date as compensation for the performance of its obligations hereunder. The Master Servicer shall be required to pay all expenses incurred by it in connection with its activities hereunder and shall not be entitled to reimbursement therefor except as provided in this Agreement.

Section 4.10 REO Property.

(a) In the event the Trust Fund acquires ownership of any REO Property in respect of any related Mortgage Loan, the deed or certificate of sale shall be issued to the Trustee, or to its nominee, on behalf of the related Certificateholders. The Master Servicer shall, to the extent provided in this Agreement and the GMACM Servicing Agreement, as applicable, cause the Company and the Servicer to sell any REO Property as expeditiously as possible and in accordance with the provisions of this Agreement and the GMACM Servicing Agreement, as applicable. The Master Servicer shall enforce any obligations of the Company or the Servicer to protect and conserve, such REO Property in the manner and to the extent required by this Agreement or the GMACM Servicing Agreement, in accordance with the REMIC Provisions and in a manner that does not result in a tax on “net income from foreclosure property” or cause such REO Property to fail to qualify as “foreclosure property” within the meaning of Section 860G(a)(8) of the Code.

(b) The Master Servicer shall, to the extent required by this Agreement and the GMACM Servicing Agreement, as applicable, enforce the obligation of the Company and the Servicer, as applicable, to deposit all funds collected and received in connection with the operation of any REO Property in the related Protected Account.

Section 4.11 UCC.

EMC shall file any financing statements, continuation statements or amendments thereto required by any change in the Uniform Commercial Code.

Section 4.12 Reserve Fund; Payments to and from Swap Administrator; Supplemental Interest Trust.

(a) As of the Closing Date, the Securities Administrator shall establish and maintain in the name of the Supplemental Interest Trust Trustee, a separate trust for the benefit of the Holders of the Class A, Class M and Class B Certificates and the Swap Provider. The Supplemental Interest Trust shall hold the Swap Agreement, the Swap Administration Agreement, the Swap Account and REMIC V Regular Interest IO. The Swap Account shall be an Eligible Account, and funds on deposit therein shall be held separate and apart from, and shall not be commingled with, any other moneys, including, without limitation, other moneys of the Securities Administrator held pursuant to this Agreement. Amounts in the Swap Account shall, at the direction of the Majority Class C Certificateholder, be invested in Permitted Investments that mature no later than the Business Day prior to the next succeeding Distribution Date. All net income and gain from such investments shall be distributed to the Majority Class C Certificateholder, not as a distribution in respect of any interest in any REMIC, on such Distribution Date. In the absence of written instructions to the Securities Administrator, amounts

on deposit in the Swap Account shall remain uninvested. All amounts earned on amounts on deposit in the Swap Account shall be taxable to the Majority Class C Certificateholder. Any losses on such investments shall be deposited in the Swap Account by the Class C Certificateholder out of its own funds immediately as realized. In performing its duties hereunder and under the Swap Agreement and the rights in respect of the Swap Administration Agreement, the Supplemental Interest Trust Trustee shall be entitled to the same rights, protections and indemnities as provided to the Securities Administrator hereunder.

(b) On or before the Closing Date, the Securities Administrator shall establish a Reserve Fund on behalf of the Holders of the Certificates (other than the Class X Certificates). On the Closing Date, the Depositor shall cause an amount equal to the Reserve Fund Deposit to be deposited into the Reserve Fund. The Reserve Fund must be an Eligible Account. The Reserve Fund shall be titled "Reserve Fund, LaSalle Bank National Association, as Securities Administrator on behalf of Citibank, N.A. as Trustee for the benefit of holders of SACO I Trust 2006-10, Mortgage-Backed Certificates, Series 2006-10, Certificates". The Securities Administrator shall deposit in the Reserve Fund all payments received from the Swap Administrator that are payable to the Trust Fund pursuant to the Swap Administration Agreement. On each Distribution Date, the Securities Administrator shall remit such amounts received from the Swap Administrator to the Holders of the Class A, Class M and Class B Certificates in the manner provided in clause (d) below. In addition, on each Distribution Date as to which there is a Basis Risk Shortfall Carry Forward Amount payable to any Class of Class A, Class M or Class B Certificates, the Securities Administrator shall deposit the amounts distributable pursuant to clauses (C) and (D) of Section 6.04(a)(3) into the Reserve Fund, and the Securities Administrator has been directed by the Class C Certificateholder to distribute any amounts then on deposit in the Reserve Fund to the Holders of the Class A, Class M or Class B Certificates in respect of the Basis Risk Shortfall Carry Forward Amounts for each such Class in the priorities set forth in clauses (C) and (D) of Section 6.04(a)(3). Any amount paid to the Holders of Class A, Class M or Class B Certificates from amounts distributable pursuant to clauses (C) and (D) of Section 6.04(a)(3) pursuant to the preceding sentence in respect of Basis Risk Shortfall Carry Forward Amounts shall be treated as distributed to the Class C Certificateholder in respect of the Class C Certificates and paid by the Class C Certificateholder to the Holders of the Class A, Class M and Class B Certificates, as applicable. Any payments to the Holders of the Class A, Class M and Class B Certificates in respect of Basis Risk Shortfall Carry Forward Amounts, whether pursuant to the second preceding sentence or pursuant to clause (d) below, shall not be payments with respect to a Regular Interest in a REMIC within the meaning of Section 860G(a)(1) of the Code.

(c) Net Swap Payments and Swap Termination Payments (other than Swap Termination Payments resulting from a Swap Provider Trigger Event and to the extent not paid by the Swap Administrator on behalf of the Supplemental Interest Trust Trustee from any upfront payment received pursuant to any replacement interest rate swap agreement that may be entered into by the Supplemental Interest Trust Trustee) payable by the Swap Administrator, on behalf of the Supplemental Interest Trust Trustee, to the Swap Provider pursuant to the Swap Agreement shall be deducted from Interest Funds, and to the extent of any such remaining amounts due, from Principal Funds, prior to any distributions to the Certificateholders. On or before each Distribution Date, such amounts shall be remitted to the Swap Administrator, and deposited into the Swap Account, first to make any Net Swap Payment owed to the Swap

Provider pursuant to the Swap Agreement for such Distribution Date and for prior Distribution Dates, if any, and second to make any Swap Termination Payment (not due to a Swap Provider Trigger Event and to the extent not paid by the Swap Administrator on behalf of the Supplemental Interest Trust Trustee from any upfront payment received pursuant to any replacement interest rate swap agreement that may be entered into by the Supplemental Interest Trust Trustee) owed to the Swap Provider pursuant to the Swap Agreement for such Distribution Date and for prior Distribution Dates, if any. For federal income tax purposes, such amounts paid to the Supplemental Interest Trust on each Distribution Date shall first be deemed paid to the Supplemental Interest Trust in respect of REMIC V Regular Interest IO to the extent of the amount distributable on such REMIC V Regular Interest IO on such Distribution Date, and any remaining amount shall be deemed paid to the Supplemental Interest Trust in respect of a Class IO Distribution Amount. Any Swap Termination Payment triggered by a Swap Provider Trigger Event owed to the Swap Provider pursuant to the Swap Agreement will be subordinated to distributions to the Holders of the Class A, Class M and Class B Certificates, and the Swap Administrator shall pay the amount set forth in Section 6.04(a)(3) to the Swap Provider. In addition, the Swap Administrator shall remit to the Swap Provider any Swap Optional Termination Payment paid as part of the Mortgage Loan Purchase Price and remitted to the Supplemental Interest Trust pursuant to Section 11.01.

(d) On or before each Distribution Date, Net Swap Payments payable by the Swap Provider pursuant to the Swap Agreement to the Swap Administrator, on behalf of the Supplemental Interest Trust Trustee, will be deposited by the Swap Administrator, acting on behalf of the Supplemental Interest Trust Trustee, into the Swap Account pursuant to the Swap Administration Agreement. The Swap Administrator shall, to the extent provided in the Swap Administration Agreement, remit amounts on deposit in the Swap Account to the Securities Administrator for deposit into the Reserve Fund. On each Distribution Date, to the extent required, the Securities Administrator shall withdraw such amounts from the Reserve Fund to distribute to the Certificates in the following order of priority:

(i) *first*, to the Class A Certificates to pay (a) Current Interest and any Interest Carry Forward Amount to the extent due to the interest portion of a Realized Loss, in each case to the extent not fully paid pursuant to Section 6.04(a)(1) and (b) any Unpaid Realized Loss Amounts for such Class;

(ii) *second*, sequentially to the Class M-1, Class M-2, Class M-3, Class M-4, Class M-5, Class M-6, Class B-1, Class B-2, Class B-3 and Class B-4 Certificates, in that order, to pay Current Interest to the extent not fully paid pursuant to Section 6.04(a)(1) and any Interest Carry Forward Amount, in each case to the extent due to the interest portion of a Realized Loss;

(iii) *third*, to pay sequentially, to the Class A, Class M-1, Class M-2, Class M-3, Class M-4, Class M-5, Class M-6, Class B-1, Class B-2, Class B-3 and Class B-4 Certificates, in that order, any Basis Risk Shortfall Carry Forward Amounts for such Distribution Date; and

(iv) *fourth*, to pay as principal to the Class A, Class M and Class B Certificates as part of the Extra Principal Distribution Amount payable under Section 6.04(a)(2) until

the Overcollateralization Target Amount has been reached, to the extent not paid from Excess Cashflow pursuant to Section 6.04(a)(3) for such Distribution Date. For the avoidance of doubt, any amounts distributable pursuant to this clause (iv) shall be limited to rebuilding overcollateralization related to Loan to the extent overcollateralization has been reduced through Realized Losses related to Loan.

(e) The Reserve Fund is an “outside reserve fund” within the meaning of Treasury Regulation Section 1.860G-2(h) and shall be an asset of the Trust Fund but not an asset of any REMIC. The Securities Administrator on behalf of the Trust shall be the nominal owner of the Reserve Fund. The Majority Class C Certificateholder shall be the beneficial owner of the Reserve Fund, subject to the power of the Securities Administrator on behalf of the Securities Administrator to transfer amounts under Section 6.04. Amounts in the Reserve Fund shall, at the written direction of the Majority Class C Certificateholder to the Securities Administrator, be invested in Permitted Investments that mature no later than the Business Day prior to the next succeeding Distribution Date. All net income and gain from such investments shall be distributed to the Majority Class C Certificateholders, not as a distribution in respect of any interest in any REMIC, on such Distribution Date. In the absence of written instructions to the Securities Administrator, amounts on deposit in the Reserve Fund shall remain uninvested. All amounts earned on amounts on deposit in the Reserve Fund shall be taxable to the Majority Class C Certificateholder. Any losses on such investments shall be deposited in the Reserve Fund by the Majority Class C Certificateholder out of its own funds immediately as realized. The Swap Account, which is created and maintained by the Swap Administrator pursuant to the Swap Administration Agreement, is an “outside reserve fund” within the meaning of Treasury Regulation Section 1.860G-2(h) and shall not be an asset of any REMIC created hereunder. The beneficial owner of the Swap Account is identified, and other matters relating to the Swap Account are addressed, in the Swap Administration Agreement.

(f) The Securities Administrator shall treat the Holders of Certificates (other than the Class C, the Class X and Class R Certificates) as having entered into a notional principal contract with respect to the Holders of the Class C Certificates. Pursuant to each such notional principal contract, all Holders of Certificates (other than the Class C, Class X and Class R Certificates) shall be treated as having agreed to pay, on each Distribution Date, to the Holder of the Class C Certificates an aggregate amount equal to the excess, if any, of (i) the amount payable on such Distribution Date on the REMIC III Regular Interest corresponding to such Class of Certificates over (ii) the amount payable on such Class of Certificates on such Distribution Date (such excess, a “Class IO Distribution Amount”). A Class IO Distribution Amount payable from interest collections shall be allocated *pro rata* among such Certificates based on the excess of, with respect to each such Certificate, (i) the amount of interest otherwise payable to the REMIC III Regular Interest relating to such Certificate over (ii) the amount of interest payable to such Certificate at a per annum rate equal to the related Net WAC Cap Rate, and a Class IO Distribution Amount payable from principal collections shall be allocated to the most subordinate Class of Regular Certificates with an outstanding principal balance to the extent of such balance. In addition, pursuant to such notional principal contract, the Holder of the Class C Certificates shall be treated as having agreed to pay Basis Risk Shortfall Carry Forward Amounts with respect to the Holders of the Certificates (other than the Class C, Class X and Class R Certificates) in accordance with the terms of this Agreement. Any payments to the Certificates from amounts deemed received in respect of this notional principal contract shall not be

payments with respect to a Regular Interest in a REMIC within the meaning of Code Section 860G(a)(1). However, any payment from the Certificates (other than the Class C, Class X and Class R Certificates) of a Class IO Distribution Amount shall be treated for tax purposes as having been received by the Holders of such Certificates in respect of their interests in REMIC III and as having been paid by such Holders to the Swap Administrator pursuant to the notional principal contract. Thus, each Certificate (other than the Class R Certificates and Class X Certificates) shall be treated as representing not only ownership of a Regular Interest in REMIC III, but also ownership of an interest in, and obligations with respect to, a notional principal contract.

Section 4.13 Tax Treatment of Class IO Distribution Amounts in the Event of Resecuritization of Class A, Class M or Class B Certificates.

In the event that any Class A, Class M or Class B Certificate is resecuritized in a REMIC (the "Resecuritization REMIC"), for federal income tax purposes, (i) payments on the REMIC III Regular Interest corresponding to such Class A, Class M or Class B Certificate shall, for the avoidance of doubt, be deemed to include the related Class IO Distribution Amount, and (ii) to the extent provided in the operative documents for the Resecuritization REMIC, (a) payments on the "regular interests" issued by the Resecuritization REMIC shall be deemed to include in the aggregate such Class IO Distribution Amount, and (b) such Class IO Distribution Amount shall be deemed paid to the Holder of the Class C Certificates pursuant to a notional principal contract entered into by the holders of one or more "regular interests" issued by the Resecuritization REMIC ("Resecuritization Holders") and the Holder of the Class C Certificates. In such event, Class IO Distribution Amounts deemed paid by Resecuritization Holders under clause (b) of the immediately preceding sentence shall be paid on behalf of such holders pursuant to Section 4.12(c) hereof.

ARTICLE V

ACCOUNTS

Section 5.01 Collection of Mortgage Loan Payments; Protected Account.

(a) The Company shall make reasonable efforts in accordance with customary and usual standards of practice of prudent mortgage lenders in the respective states in which the Mortgaged Properties related to the EMC Mortgage Loans are located to collect all payments called for under the terms and provisions of the EMC Mortgage Loans to the extent such procedures shall be consistent with this Agreement and the terms and provisions of any related Required Insurance Policy. Consistent with the foregoing, the Company may in its discretion (i) waive any late payment charge and (ii) extend the Due Dates for payments due on a Mortgage Note related to an EMC Mortgage Loan for a period not greater than 125 days, provided that, EMC shall not extend the payment date of any Mortgage Loan beyond the date of its final maturity date. In the event of any such arrangement, the Company shall make Advances on the related EMC Mortgage Loan during the scheduled period in accordance with the amortization schedule of such EMC Mortgage Loan without modification thereof by reason of such arrangements, and shall be entitled to reimbursement therefor in accordance with Section 6.01. The Company shall not be required to institute or join in litigation with respect to collection of any payment (whether under a Mortgage, Mortgage Note or otherwise or against any public or governmental authority with respect to a taking or condemnation) if it reasonably believes that enforcing the provision of the Mortgage or other instrument pursuant to which such payment is required is prohibited by applicable law. In addition, if (x) an EMC Mortgage Loan is in default or default is reasonably foreseeable, the Company may also waive, modify or vary any term of any EMC Mortgage Loan or consent to the postponement of strict compliance with any such term or in any manner grant indulgence to any mortgagor, including without limitation, to (1) capitalize any amounts owing on the EMC Mortgage Loan by adding such amount to the outstanding principal balance of the EMC Mortgage Loan, (2) defer such amounts to a later date or the final payment date of such Mortgage Loan, (3) extend the maturity of any such EMC Mortgage Loan, but in no instance past the date on which the final payment is due on the latest maturing Mortgage Loan as of the Cut-off Date, and/or (4) reduce the related Mortgage Rate (subject to clause (y) below), provided that, in the Company's determination, such waiver, modification, postponement or indulgence is not materially adverse to the interests of the Certificateholders (taking into account any estimated Realized Loss that might result absent such action), or (y) the Company delivers to the Trustee, Securities Administrator and Master Servicer a certification addressed to the Trustee and the Securities Administrator, based on the advice of counsel or certified public accountants, in either case, that have a national reputation with respect to taxation of REMICs, that a modification of such EMC Mortgage Loan will not result in the imposition of taxes on or disqualify from REMIC status any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V, the Company may if it reasonably believes that undertaking such actions would be in the best interest of the Certificateholders, (A) amend the related Mortgage Note to reduce the Mortgage Rate applicable thereto, provided that such reduced Mortgage Rate shall in no event be lower than 5.00% with respect to any EMC Mortgage Loan and (B) amend any Mortgage Note related to an EMC Mortgage Loan to extend the maturity thereof; provided that, EMC shall not extend the payment date of any Mortgage Loan beyond its final maturity date.

In accordance with the standards of the first paragraph of Section 3.01, the Company shall not waive (or permit a sub-servicer to waive) any Prepayment Charge related to an EMC Mortgage Loan unless: (i) the enforceability thereof shall have been limited by bankruptcy, insolvency, moratorium, receivership and other similar laws relating to creditors' rights generally, (ii) the enforcement thereof is illegal, or any local, state or federal agency has threatened legal action if the prepayment penalty is enforced, (iii) the mortgage debt has been accelerated in connection with a foreclosure or other involuntary payment or (iv) such waiver is standard and customary in servicing similar Mortgage Loans and relates to a default or a reasonably foreseeable default and would, in the reasonable judgment of the Company, maximize recovery of total proceeds taking into account the value of such Prepayment Charge and the related EMC Mortgage Loan. If a Prepayment Charge is waived, but does not meet the standards described above, then the Company is required to pay the amount of such waived Prepayment Charge, for the benefit of the Class C Certificates, by remitting such amount to the Master Servicer by the Remittance Date. Payments of such waived charges shall not be payments in respect of any Regular Interest.

(b) The Company shall establish and maintain a Protected Account (which shall at all times be an Eligible Account) with a depository institution in the name of the Company for the benefit of the Trustee on behalf of the Certificateholders and designated "EMC Mortgage Corporation, as servicer on behalf of Citibank, N.A., as Trustee, for the benefit of the certificateholders, in trust for registered Holders of SACO I Trust 2006-10, Mortgage-Backed Certificates, Series 2006-10". The Company shall deposit or cause to be deposited into the Protected Account on a daily basis within two Business Days of receipt and identification, except as otherwise specifically provided herein, the following payments and collections remitted by subservicers or received by it in respect of the EMC Mortgage Loans subsequent to the Cut-off Date (other than in respect of principal and interest due on the EMC Mortgage Loans on or before the Cut-off Date) and the following amounts required to be deposited hereunder:

(i) all payments on account of principal, including Principal Prepayments, on the EMC Mortgage Loans;

(ii) all payments on account of interest on the EMC Mortgage Loans net of the related Servicing Fee permitted under Section 3.13, if any;

(iii) all Liquidation Proceeds, Subsequent Recoveries and Insurance Proceeds with respect to any EMC Mortgage Loans, other than proceeds to be applied to the restoration or repair of the Mortgaged Property or released to the Mortgagor in accordance with the Company's normal servicing procedures;

(iv) any amount required to be deposited by the Company pursuant to Section 5.01(c) in connection with any losses on Permitted Investments;

(v) any amounts required to be deposited by the Company pursuant to Section 3.07;

(vi) any Prepayment Charges collected on the EMC Mortgage Loans;
and

(vii) any other amounts required to be deposited hereunder.

The foregoing requirements for deposit by the Company into the Protected Account shall be exclusive, it being understood and agreed that, without limiting the generality of the foregoing, payments in the nature of late payment charges or assumption fees, if collected, need not be deposited by the Company. In the event that the Company shall deposit any amount not required to be deposited and not otherwise subject to withdrawal pursuant to Section 5.02, it may at any time withdraw or direct the institution maintaining the Protected Account, to withdraw such amount from the Protected Account, any provision herein to the contrary notwithstanding. Such withdrawal or direction may be accomplished by delivering written notice thereof to the institution maintaining the Protected Account, that describes the amounts deposited in error in the Protected Account. The Company shall maintain adequate records with respect to all withdrawals made pursuant to this Section. Reconciliations will be prepared for the Protected Account within 45 calendar days after the bank statement cut-off date. All funds deposited in the Protected Account shall be held in trust for the Certificateholders until withdrawn in accordance with Section 5.02.

(c) The institution that maintains the Protected Account shall invest the funds in the Protected Account, in the manner directed by the Company, in Permitted Investments which shall mature not later than the Business Day immediately preceding the Remittance Date and shall not be sold or disposed of prior to its maturity. All such Permitted Investments shall be made in the name of the Trustee, for the benefit of the Certificateholders. All income and gain net of any losses realized from any such investment shall be for the benefit of the Company as servicing compensation and shall be remitted to it monthly as provided herein. The amount of any losses incurred in the Protected Account in respect of any such investments shall be deposited by the Company into the Protected Account, out of the Company's own funds.

(d) The Company shall give at least 30 days advance notice to the Trustee, the Securities Administrator, the Seller, the Master Servicer, each Rating Agency and the Depositor of any proposed change of location of the Protected Account prior to any change thereof.

Section 5.02 Permitted Withdrawals From the Protected Account.

(a) The Company may from time to time make withdrawals from the Protected Account for the following purposes:

(i) to pay itself (to the extent not previously paid to or withheld by the Company), as servicing compensation in accordance with Section 3.13, that portion of any payment of interest that equals the Servicing Fee for the period with respect to which such interest payment was made, and, as additional servicing compensation, those other amounts set forth in Section 3.13;

(ii) to reimburse the Company for Advances made by it with respect to the Mortgage Loans, provided, however, that the Company's right of reimbursement pursuant to this subclause (ii) shall be limited to amounts received on particular EMC Mortgage Loan(s) (including, for this purpose, Liquidation Proceeds and Insurance Proceeds and Subsequent Recoveries) that represent late

recoveries of payments of principal and/or interest on such particular EMC Mortgage Loan(s) in respect of which any such Advance was made;

(iii) to reimburse the Company for any previously made portion of a Servicing Advance or an Advance made by the Company that, in the good faith judgment of the Company, will not be ultimately recoverable by it from the related Mortgagor, any related Liquidation Proceeds, Insurance Proceeds or otherwise (a "Nonrecoverable Advance"), to the extent not reimbursed pursuant to clause (ii) or clause (v);

(iv) to pay the Company any unpaid Servicing Fees and to reimburse it for any unreimbursed Servicing Advances, provided, however, that the Company's right to reimbursement for Servicing Advances pursuant to this subclause (v) with respect to any Mortgage Loan shall be limited to amounts received on particular Mortgage Loan(s) (including, for this purpose, Liquidation Proceeds, Insurance Proceeds, Subsequent Recoveries and purchase and repurchase proceeds) that represent late recoveries of the payments for which such Servicing Advances were made;

(v) to pay to EMC (in its capacity as Seller), the Depositor or itself, as applicable, with respect to each EMC Mortgage Loan or property acquired in respect thereof that has been purchased pursuant to Section 2.02, 2.03 or 3.05 of this Agreement, all amounts received thereon and not taken into account in determining the related Stated Principal Balance of such repurchased EMC Mortgage Loan;

(vi) to pay any expenses recoverable by the Company pursuant to Section 8.04 of this Agreement;

(vii) to withdraw pursuant to Section 5.01 any amount deposited in the Protected Account and not required to be deposited therein; and

(viii) to clear and terminate the Protected Account upon termination of this Agreement pursuant to Section 11.01 hereof.

In addition, no later than 1:00 p.m. New York City time on the Remittance Date, the Company shall withdraw from the Protected Account and remit to the Master Servicer, for deposit in the Master Servicer Collection Account the amount required to be withdrawn therefrom pursuant to Section 5.05 hereof.

With respect to any remittance received by the Master Servicer from EMC after the date on which such remittance was due, EMC shall pay to the Master Servicer interest on any such late payment at an annual rate equal to the Prime Rate, adjusted as of the date of each change, plus two percentage points, but in no event greater than the maximum amount permitted by applicable law. Such interest shall be remitted to the Master Servicer on the date such late payment is made and shall cover the period commencing with the day following the date on which such remittance was due and ending with the Business Day on which such remittance is

made, both inclusive. The payment by EMC of any such interest shall not be deemed an extension of time for payment or a waiver of any Event of Default with respect to EMC.

The Company shall keep and maintain separate accounting, on a Mortgage Loan by Mortgage Loan basis, for the purpose of justifying any withdrawal from the Protected Account pursuant to subclauses (i), (ii), (iv), (v) and (vi) above. Prior to making any withdrawal from the Protected Account pursuant to subclause (iii), the Company shall deliver to the Master Servicer an Officer's Certificate of a Servicing Officer indicating the amount of any previous Advance or Servicing Advance determined by the Company to be a Nonrecoverable Advance and identifying the related EMC Mortgage Loan(s), and their respective portions of such Nonrecoverable Advance.

Section 5.03 Reports to the Master Servicer.

(a) On or before the tenth calendar day of each month, the Company shall furnish to the Master Servicer electronically in a format acceptable to the Master Servicer loan accounting reports in the investor's assigned loan number order to document the payment activity on each EMC Mortgage Loan on an individual mortgage loan basis. (ii) with respect to each Monthly Payment, the amount of such remittance allocable to scheduled interest;

(iii) the amount of servicing compensation received by the Company during the prior calendar month;

(viii) the amount of any Prepayment Charges collected by the Company and the amount of Prepayment Charges paid by the Company in connection with a waiver that is not permitted under this Agreement, and

(ix) any other information necessary for the Securities Administrator to prepare the Monthly Statement pursuant to Section 6.06, including any information required to be provided pursuant to Item 1121 of Regulation AB.

On or before the sixteenth calendar day of each month, or if such day is not a Business Day, the succeeding Business Day, the Company shall furnish to the Master Servicer electronically in a format acceptable to the Master Servicer a report of all Principal Prepayments made during the related Prepayment Period.

(b) The Master Servicer and the Securities Administrator shall be entitled to rely conclusively on the data provided by the Company and the Servicer pursuant to Section 5.03(a) above and shall have no liability for any errors in such Mortgage Loan data.

Section 5.04 Collection of Taxes; Assessments and Similar Items; Escrow Accounts.

With respect to each EMC Mortgage Loan, to the extent required by the related Mortgage Note, the Company shall establish and maintain one or more accounts (each, an “Escrow Account”) and deposit and retain therein all collections from the Mortgagors (or Servicing Advances by the Company) for the payment of taxes, assessments, hazard insurance premiums or comparable items for the account of the Mortgagors. Nothing herein shall require the Company to compel a Mortgagor to establish an Escrow Account in violation of applicable law.

Withdrawals of amounts so collected from the Escrow Accounts may be made only to effect timely payment of taxes, assessments, hazard insurance premiums, condominium or PUD association dues, or comparable items, to reimburse the Company out of related collections for any payments made with respect to each EMC Mortgage Loan pursuant to Section 3.01 (with respect to taxes and assessments and insurance premiums) and Section 3.07 (with respect to hazard insurance), to refund to any Mortgagors for any EMC Mortgage Loans any sums as may be determined to be overages, to pay interest, if required by law or the terms of the related Mortgage or Mortgage Note, to such Mortgagors on balances in the Escrow Account or to clear and terminate the Escrow Account at the termination of this Agreement in accordance with Section 11.01 thereof. The Escrow Account shall not be a part of the Trust Fund.

Section 5.05 Protected Accounts.

(a) The Master Servicer shall enforce the obligation of the Company and the Servicer to establish and maintain a Protected Account in accordance with this Agreement and the GMACM Servicing Agreement, with records to be kept with respect thereto on a Mortgage Loan by Mortgage Loan basis, into which accounts shall be deposited within one Business Day (or as of such other time specified in the GMACM Servicing Agreement) of receipt and identification all collections of principal and interest on any Mortgage Loan and with respect to

any REO Property received by the Company or the Servicer, including Principal Prepayments, Insurance Proceeds, Liquidation Proceeds, Subsequent Recoveries, and advances made from the Company's or the Servicer's own funds (less servicing compensation as permitted by this Agreement or the GMACM Servicing Agreement) and all other amounts to be deposited in the Protected Accounts. Each of the Company and the Servicer is hereby authorized to make withdrawals from and deposits to the related Protected Account for purposes required or permitted by this Agreement. To the extent provided in this Agreement or the GMACM Servicing Agreement, the Protected Account shall be held in a Designated Depository Institution and segregated on the books of such institution in the name of the Company or the Servicer, as applicable on behalf of the Trustee for the benefit of Certificateholders.

(b) To the extent provided in this Agreement or the GMACM Servicing Agreement, amounts on deposit in a Protected Account may be invested in Permitted Investments in the name of the Trustee for the benefit of Certificateholders and, except as provided in the preceding paragraph, not commingled with any other funds, such Permitted Investments to mature, or to be subject to redemption or withdrawal, no later than the date on which such funds are required to be withdrawn for deposit in the Master Servicer Collection Account, and shall be held until required for such deposit. The income earned from Permitted Investments made pursuant to this Section 5.05 shall be paid to the Company or the Servicer under this Agreement or the GMACM Servicing Agreement, and the risk of loss of moneys required to be distributed to the Certificateholders resulting from such investments shall be borne by and be the risk of the Company or the Servicer, as the case may be. The Company or the Servicer (to the extent provided in this Agreement or the GMACM Servicing Agreement) shall deposit the amount of any such loss in the Protected Account within two Business Days of receipt of notification of such loss but not later than the second Business Day prior to the Distribution Date on which the moneys so invested are required to be distributed to the Certificateholders.

(c) To the extent provided in this Agreement or the GMACM Servicing Agreement and subject to this Article V, on or before 1:00 p.m. New York City time on each Remittance Date, the Company or the Servicer shall withdraw or shall cause to be withdrawn from its Protected Account and shall immediately deposit or cause to be deposited in the Master Servicer Collection Account amounts representing the following collections and payments (other than with respect to principal of or interest on the Mortgage Loans due on or before the Cut-off Date):

(i) Scheduled Payments on the Mortgage Loans received or any related portion thereof advanced by the Company or the Servicer pursuant to this Agreement or the GMACM Servicing Agreement which were due on or before the related Due Date, net of the amount thereof comprising the Servicing Fees;

(ii) Full Principal Prepayments received by the Servicer (as described in the GMACM Servicing Agreement) and Full Principal Prepayments received by the Company with respect to such Mortgage Loans in the related Prepayment Period, with scheduled interest for the related Due Period less the Servicing Fee and the Master Servicing Fee, if any;

(iii) Liquidation Proceeds received by the Company or the Servicer with respect to such Mortgage Loans in the prior calendar month, with scheduled interest for the related Due Period less the Servicing Fee and the Master Servicing Fee, if any net of the amount thereof comprising the Servicing Fees;

(iv) Partial Principal Prepayments received by the Company or the Servicer for such Mortgage Loans in the related Prepayment Period, together with any related payments of Compensating Interest;

(v) Any amount to be used as an Advance; and

(vi) The amount of any Prepayment Charges collected with respect to the Mortgage Loans and the amount of any Prepayment Charges paid by the Company or the Servicer in connection with the waiver of a Prepayment Charge in a manner that is not permitted under this Agreement or the GMACM Servicing Agreement.

(d) Withdrawals may be made from a Protected Account by the Company as described in Section 5.02 hereof and by the Master Servicer or the Servicer only to make remittances as provided in Section 5.05(c), 5.08 and 5.09; to reimburse the Master Servicer or the Servicer for Advances which have been recovered by subsequent collection from the related Mortgagor; to remove amounts deposited in error; to remove fees, charges or other such amounts deposited on a temporary basis; or to clear and terminate the account at the termination of this Agreement in accordance with Section 11.01. As provided in Sections 5.05(c) and 5.06(b) certain amounts otherwise due to the Company or the Servicer may be retained by the Company or the Servicer and need not be deposited in the Master Servicer Collection Account.

Section 5.06 Master Servicer Collection Account.

(a) The Master Servicer shall establish and maintain in the name of LaSalle Bank National Association, as Master Servicer, on behalf of the Trustee, for the benefit of the Certificateholders, the Master Servicer Collection Account which shall be an Eligible Account. (i) any Advance and any Compensating Interest Payments;

(b) All amounts deposited to the Master Servicer Collection Account shall be held by the Master Servicer in the name of the Trustee in trust for the benefit of the Certificateholders in accordance with the terms and provisions of this Agreement. The requirements for crediting the Master Servicer Collection Account shall be exclusive, it being understood and agreed that, without limiting the generality of the foregoing, payments in the nature of late payment charges or assumption, tax service, statement account or payoff, substitution, satisfaction, release and other like fees and charges, need not be credited by the Master Servicer to the Master Servicer Collection Account.

(c) The amount at any time credited to the Master Servicer Collection Account may be invested, in the name of the Trustee, or its nominee, for the benefit of the Certificateholders, in Permitted Investments or be held in cash as directed by the Master Servicer. All Permitted Investments shall mature or be subject to redemption or withdrawal on or before, and shall be held until, the next succeeding Distribution Account Deposit Date. Any and all investment earnings from the Master Servicer Collection Account shall be paid to the Master Servicer. The risk of loss of moneys required to be distributed to the Certificateholders resulting from such investments shall be borne by and be the risk of the Securities Administrator. The Securities Administrator shall deposit the amount of any such loss in the Master Servicer Collection Account within two Business Days of receipt of notification of such loss but not later than the second Business Day prior to the Distribution Date on which the moneys so invested are required to be distributed to the Certificateholders.

Section 5.07 Permitted Withdrawals and Transfers from the Master Servicer Collection Account.

(a) The Master Servicer will make such withdrawals or transfers from the Master Servicer Collection Account as the Master Servicer has designated for such transfer or withdrawal pursuant to this Agreement. The Master Servicer may clear and terminate the Master Servicer Collection Account pursuant to Section 11.01 and from time to time remove amounts deposited in error.

(b) On an ongoing basis, the Master Servicer shall withdraw from the Master Servicer Collection Account to pay itself as provided in Section 4.09 and to pay any expenses, costs and liabilities recoverable by the Trustee, the Swap Provider, the Master Servicer, each Custodian or the Securities Administrator pursuant to Sections 4.02, 8.03, 8.04, 9.05 and 10.05; provided however, that the Master Servicer shall be obligated to pay from its own funds any amounts which it is required to pay under Section 8.03(a).

(c) In addition, on or before each Distribution Account Deposit Date, the Master Servicer shall remit to the Securities Administrator for deposit in the Distribution Account any Advances required to be made by the Master Servicer with respect to the Mortgage Loans.

(d) No later than 3:00 p.m. New York time on each Distribution Account Deposit Date (or at such other time and date as is mutually agreed upon between the Master Servicer and the Securities Administrator), the Master Servicer will transfer all available funds on deposit in the Master Servicer Collection Account with respect to the related Distribution Date to the Securities Administrator for deposit in the Distribution Account. In the event that the Master Servicer shall deposit or cause to be deposited to the Distribution Account any amount not required to be credited thereto, the Securities Administrator, upon receipt of a written request therefor signed by a Master Servicing Officer of the Master Servicer, shall promptly transfer such amount to the Master Servicer, any provision herein to the contrary notwithstanding.

(e) On an ongoing basis, the Master Servicer shall withdraw from the Master Servicer Collection Account to pay itself any investment income earned on the investment of funds held in the Master Servicer Collection Account.

Section 5.08 Distribution Account.

(a) The Securities Administrator shall establish and maintain in the name of the Securities Administrator, on behalf of the Trustee, for the benefit of the Certificateholders, the Distribution Account as a segregated trust account or accounts.

(b) All amounts deposited to the Distribution Account shall be held by the Securities Administrator in the name of the Trustee in trust for the benefit of the Certificateholders in accordance with the terms and provisions of this Agreement.

(c) The Distribution Account shall constitute an Eligible Account of the Trust Fund segregated on the books of the Securities Administrator and held by the Securities Administrator, and the Distribution Account and the funds deposited therein shall not be subject to, and shall be protected from, all claims, liens, and encumbrances of any creditors or depositors of the Securities Administrator (whether made directly, or indirectly through a liquidator or receiver of the Securities Administrator). The amount at any time credited to the Distribution Account may be, as directed by the Securities Administrator, held either uninvested or invested in the name of the Trustee, in such Permitted Investments as may be selected by the Securities Administrator on such direction which mature not later than the Business Day immediately preceding the next Distribution Date. Permitted Investments in respect of the Distribution Account shall not be sold or disposed of prior to their maturity. All investment earnings on amounts on deposit in the Distribution Account or benefit from funds uninvested therein from time to time shall be for the account of the Securities Administrator. The Securities Administrator shall be permitted to receive distribution of any and all investment earnings from the Distribution Account on each Distribution Date. If there is any loss on a Permitted Investment or demand deposit, the Securities Administrator shall deposit the amount of the loss in the Distribution Account from its own funds. With respect to the Distribution Account and the funds deposited therein, the Securities Administrator shall take such action as may be necessary to ensure that the Certificateholders shall be entitled to the priorities afforded to such a trust account (in addition to a claim against the estate of the Trustee) as provided by 12 U.S.C. § 92a(e), and applicable regulations pursuant thereto, if applicable.

Section 5.09 Permitted Withdrawals and Transfers from the Distribution Account.

(a) The Securities Administrator will from time to time make or cause to be made such withdrawals or transfers from the Distribution Account as are designated for such transfer or withdrawal pursuant to this Agreement and the GMACM Servicing Agreement (limited in the case of amounts due the Master Servicer to those not withdrawn from the Master Servicer Collection Account in accordance with the terms of this Agreement):

(i) to reimburse the Master Servicer, the Company or the Servicer for any unreimbursed Advance or Servicing Advance of its own funds pursuant to this Agreement or the GMACM Servicing Agreement, such right of the Master Servicer, the Company or the Servicer to reimbursement pursuant to this subclause (i) being limited to amounts received on a particular Mortgage Loan (including, for this purpose, the Repurchase Price therefor, Insurance Proceeds and Liquidation Proceeds) which represent late payments or recoveries of the principal of or interest on such Mortgage Loan respecting which such Advance or Servicing Advance was made;

(ii) to reimburse the Master Servicer, the Company or the Servicer from Insurance Proceeds or Liquidation Proceeds relating to a particular Mortgage Loan for unreimbursed amounts expended by the Master Servicer, the Company or the Servicer in good faith in connection with the restoration of the related Mortgaged Property which was damaged by an uninsured cause or in connection with the liquidation of such Mortgage Loan;

(iii) to reimburse the Master Servicer, the Company or the Servicer from Insurance Proceeds relating to a particular Mortgage Loan for unreimbursed expenses incurred with respect to such Mortgage Loan and to reimburse the Master Servicer, the Company or the Servicer from Liquidation Proceeds from a particular Mortgage Loan for Liquidation Expenses incurred with respect to such Mortgage Loan; provided that the Master Servicer shall not be entitled to reimbursement for Liquidation Expenses with respect to a Mortgage Loan to the extent that (i) any amounts with respect to such Mortgage Loan were paid as Excess Liquidation Proceeds pursuant to clause (x) of this Subsection (a) to the Master Servicer; and (ii) such Liquidation Expenses were not included in the computation of such Excess Liquidation Proceeds;

(iv) to reimburse the Master Servicer, the Company or the Servicer for any Advance or Servicing Advance, after a Realized Loss has been allocated with respect to the related Mortgage Loan if the Advance or Servicing Advance has not been reimbursed pursuant to clauses (i) through (iii);

(v) to pay the Master Servicer as set forth in Section 4.09;

(vi) to reimburse the Master Servicer for expenses, costs and liabilities incurred by and reimbursable to it pursuant to Sections 4.02, 8.04(c) and (d) and 12.02 or otherwise reimbursable to it pursuant to this Agreement;

(vii) to pay to the Master Servicer, as additional master servicing compensation, any Excess Liquidation Proceeds to the extent not retained by the Company or the Servicer;

(viii) to reimburse or pay the Company or the Servicer any such amounts as are due thereto under this Agreement or the GMACM Servicing Agreement and have not been retained by or paid to the Company or the Servicer, to the extent provided herein and in the GMACM Servicing Agreement;

(ix) to reimburse the Trustee, the Custodian or the Securities Administrator for expenses, costs and liabilities incurred by or reimbursable to it pursuant to this Agreement (to the extent not reimbursed from the Master Servicer Collection Account in accordance with Section 5.07);

(x) to remove amounts deposited in error;

(xi) to make distributions to the Swap Administrator for payment to the Swap Provider as provided in this Agreement; and

(xii) to clear and terminate the Distribution Account pursuant to Section 11.01.

(b) The Master Servicer shall keep and maintain separate accounting, on a Mortgage Loan by Mortgage Loan basis, for the purpose of accounting for any reimbursement from the Distribution Account pursuant to subclauses (i) through (iv), inclusive, and (vi) or with respect to any such amounts which would have been covered by such subclauses had the amounts not been retained by the Master Servicer without being deposited in the Distribution Account under Section 5.08.

(c) On each Distribution Date, the Securities Administrator shall distribute the related Interest Remittance Amount and Principal Distribution Amount to the extent of funds on deposit in the Distribution Account to the holders of the related Certificates in accordance with Section 6.04.

ARTICLE VI

DISTRIBUTIONS AND ADVANCES

Section 6.01 Advances.

(a) The Company shall make an Advance with respect to any EMC Mortgage Loan and deposit such Advance in the Master Servicer Collection Account no later than 1:00 p.m. Eastern time on the Remittance Date in immediately available funds. The Servicer shall make an Advance with respect to any Mortgage Loans serviced by it pursuant to the GMACM Servicing Agreement. The Company or the Servicer, as applicable, shall be obligated to make any such Advance only to the extent that such advance would not be a Nonrecoverable Advance. If the Company or the Servicer shall have determined that it has made a Nonrecoverable Advance or that a proposed Advance or a lesser portion of such Advance would constitute a Nonrecoverable Advance, the Company or the Servicer, as the case may be, shall deliver (i) to the Securities Administrator for the benefit of the Certificateholders funds constituting the portion of such Advance that is not deemed Nonrecoverable, if applicable, and (ii) to the Depositor, the Master Servicer, each Rating Agency, and the Trustee an Officer's Certificate setting forth the basis for such determination.

The Company or the Servicer shall discontinue making advances with respect to any Mortgage Loan that becomes 60 days Delinquent. In addition, subject to Section 4.08 of the Agreement, the Company or the Servicer must charge off a Mortgage Loan at the time such Mortgage Loan, as applicable, becomes 180 days Delinquent unless the Company or the Servicer reasonably believes that it may be able to obtain a net recovery through foreclosure proceedings or other conversion of the related Mortgage Loan. Once a Mortgage Loan is charged off, the Company or the Servicer shall not be entitled to any additional Servicing Fee for such Mortgage Loan, except to the extent of any unpaid Servicing Fees and expenses which shall be reimbursable from any recoveries on such Mortgage Loan, and the Mortgage Loan shall be treated as a Liquidated Loan giving rise to a Realized Loss. If the Company or the Servicer determines that a significant net recovery is possible through foreclosure proceedings or other disposition of the related Mortgage Loan that becomes 60 days Delinquent, the Company or the Servicer may continue making advances on such Mortgage Loan. To the extent the Company or the Servicer, as applicable, determines that a proposed Advance would not be a Nonrecoverable Advance and in its sole discretion reinstates and subsequently makes additional Advances for such Mortgage Loan, such Advances shall be reimbursable from any Subsequent Recoveries or as otherwise provided for in this Agreement.

Unless specific Subsequent Recoveries are anticipated, as applicable, on a particular Mortgage Loan that is charged off as described in the preceding paragraph or the GMACM Servicing Agreement, such charged off Mortgage Loan will be released from the Trust Fund, and will be transferred to the Class X Certificateholders. If any Subsequent Recoveries are anticipated on such charged off Mortgage Loans, the release of such Mortgage Loan from the Trust Fund will be delayed until the Distribution Date after receipt of such Subsequent Recoveries. After the release of any charged off Mortgage Loan, the Class X Certificateholders will be entitled to any amounts subsequently received in respect of any such released Mortgage Loans, subject to any fees or expenses owed to the Master Servicer. Such Class X

Certificateholder may designate any servicer to service any such released mortgage loan and the Class X Certificateholder may sell any such released Mortgage Loan to a third party. To the extent the servicing of such released Mortgage Loan is not transferred from the Company or the Servicer, the servicing of such released Mortgage Loan and the fees therefor shall be governed by this Agreement or the GMACM Servicing Agreement, as applicable.

In lieu of making all or a portion of such Advance from its own funds, the Company may (i) cause to be made an appropriate entry in its records relating to the Protected Account that any Amounts Held for Future Distribution has been used by the Company in discharge of its obligation to make any such Advance and (ii) transfer such funds from the Protected Account to the Distribution Account. Any funds so applied and transferred shall be replaced by the Company by depositing such amount in the Distribution Account no later than the close of business on the Remittance Date immediately preceding the Distribution Account Deposit Date on which such funds are required to be distributed pursuant to this Agreement.

The Company shall be entitled to be reimbursed from the Protected Account for all Advances of its own funds made pursuant to this Section as provided in Section 5.02. The obligation to make Advances with respect to any EMC Mortgage Loan shall continue until such EMC Mortgage Loan is paid in full or the related Mortgaged Property or related REO Property has been liquidated or until the purchase or repurchase thereof (or substitution therefor) from the Trust Fund pursuant to any applicable provision of this Agreement, except as otherwise provided in this Section 6.01.

(b) If the Scheduled Payment on a Mortgage Loan that was due on a related Due Date and is delinquent other than as a result of application of the Relief Act and for which the Company or the Servicer was required to make an Advance pursuant to this Agreement or the GMACM Servicing Agreement exceeds the amount deposited in the Master Servicer Collection Account which shall be used for an Advance with respect to such Mortgage Loan, the Master Servicer will deposit in the Master Servicer Collection Account not later than the Distribution Account Deposit Date immediately preceding the related Distribution Date an amount equal to such deficiency, net of the Master Servicing Fee and the Servicing Fee for such Mortgage Loan except to the extent the Master Servicer determines any such Advance to be nonrecoverable from Liquidation Proceeds, Insurance Proceeds or future payments on the Mortgage Loan for which such Advance was made. Subject to the foregoing, the Master Servicer shall continue to make such Advances through the date that the Company or the Servicer is required to do so under this Agreement or the GMACM Servicing Agreement, as applicable. If applicable, on the Distribution Account Deposit Date, the Master Servicer shall present an Officer's Certificate to the Trustee (i) stating that the Master Servicer elects not to make an Advance in a stated amount and (ii) detailing the reason it deems the advance to be nonrecoverable. The Master Servicer may rely on any non-recoverability determination of the Company or the Servicer.

Subject to and in accordance with the provisions of Article IX hereof, in the event the Master Servicer fails to make such Advance, then the Trustee, as Successor Master Servicer, shall be obligated to make such Advance, subject to the provisions of this Section 6.01.

Section 6.02 Compensating Interest Payments.

(a) In the event that there is a Prepayment Interest Shortfall arising from a voluntary Principal Prepayment in part or in full by the Mortgagor with respect to any EMC Mortgage Loan, the Company shall, to the extent of the Servicing Fee for such Distribution Date, remit to the Master Servicer for deposit into the Master Servicer Collection Account, as a reduction of the Servicing Fee for such Distribution Date, no later than the close of business on the Remittance Date immediately preceding such Distribution Date, an amount equal to such Prepayment Interest Shortfall; and in case of such deposit, the Company shall not be entitled to any recovery or reimbursement from the Depositor, the Trustee, the Seller, the Master Servicer, the Securities Administrator, the Trust Fund or the Certificateholders.

(b) The Master Servicer shall enforce the obligation of the Company or the Servicer under this Agreement or the GMACM Servicing Agreement to remit any required Compensating Interest to the Master Servicer Collection Account on the Remittance Date.

(c) The Master Servicer shall be required to remit to the Securities Administrator for deposit in the Distribution Account the amount of any Compensating Interest, to the extent of the Master Servicing Compensation for such Distribution Date, in the event the Company or the Servicer is required to make such payment but fails to do so.

Section 6.03 REMIC Distributions.

On each Distribution Date, the Securities Administrator shall be deemed to have allocated distributions to the REMIC Regular Interests and the REMIC III Regular Interests in accordance with Section 6.07 hereof.

Section 6.04 Distributions.

(a) Subject to Section 4.12(c), on each Distribution Date, an amount equal to the Interest Funds and Principal Funds for such Distribution Date shall be withdrawn by the Securities Administrator to the extent of any such funds in the Distribution Account and distributed in the following order of priority:

- (1) Interest Funds shall be distributed in the following manner and order of priority:

Any Remaining Excess Spread together with any Overcollateralization Release Amount will

be applied as Excess Cashflow and distributed pursuant to clauses (a)(3)(A) through (H) below.

On any Distribution Date, any Relief Act Interest Shortfalls and any related Prepayment Interest Shortfalls to the extent not covered by Compensating Interest will be allocated as set forth in the definition of “Current Interest” herein.

On each Distribution Date, all amounts in respect of Prepayment Charges shall be distributed to the Holders of the Class C Certificates, provided that such distributions shall not be in reduction of the principal balance thereof.

In addition, notwithstanding the foregoing clause (a)(2), to the extent a Class IO Distribution Amount is payable from principal collections, Principal Distribution Amounts will be deemed paid to the most subordinate Class of Regular Certificates, until the Certificate Principal Balance thereof has been reduced to zero, and such amount will be paid pursuant to Section 4.12(f).

In addition, notwithstanding the foregoing, on any Distribution Date after the Distribution Date on which the Certificate Principal Balance of a Class of Class A, Class M or Class B Certificates has been reduced to zero, that Class of Certificates will be retired and will no longer be entitled to distributions, including distributions in respect of Prepayment Interest Shortfalls or Basis Risk Shortfall Carry Forward Amounts.

If, after taking into account such Subsequent Recoveries, the amount of a Realized Loss is reduced, the amount of such Subsequent Recoveries will be applied to increase the Certificate Principal Balance of the related Class of Certificates with the highest payment priority to which Realized Losses have been allocated, but not by more than the amount of Realized Losses previously

allocated to that Class of Certificates pursuant to Section 6.05; provided, however, to the extent that no reductions to a Certificate Principal Balance of any Class of Certificates currently exists as the result of a prior allocation of a Realized Loss, such Subsequent Recoveries will be applied as Excess Cashflow. The amount of any remaining Subsequent Recoveries will be applied to increase the Certificate Principal Balance of the Class of Certificates with the next highest payment priority, up to the amount of such Realized Losses previously allocated to that Class of Certificates pursuant to Section 6.05, and so on. Holders of such Certificates will not be entitled to any payment in respect of Current Interest on the amount of such increases for any Interest Accrual Period preceding the Distribution Date on which such increase occurs. Any such increases shall be applied to the Certificate Principal Balance of each Certificate of such Class in accordance with its respective Percentage Interest.

(c) Subject to Section 11.02 hereof respecting the final distribution, on each Distribution Date the Securities Administrator shall make distributions to each Certificateholder of record on the preceding Record Date either by wire transfer in immediately available funds to the account of such Holder at a bank or other entity having appropriate facilities therefor, if such Holder has so notified the Securities Administrator at least 5 Business Days prior to the related Record Date, or, if not, by check mailed by first class mail to such Certificateholder at the address of such Holder appearing in the Certificate Register. Notwithstanding the foregoing, but subject to Section 11.02 hereof respecting the final distribution, distributions with respect to Certificates registered in the name of a Depository shall be made to such Depository in immediately available funds.

(d) On or before 5:00 p.m. Eastern time on the fourth Business Day immediately preceding each Distribution Date (or at a time and date as is mutually agreed upon by the Securities Administrator and the Master Servicer), the Master Servicer shall deliver the Remittance Report to the Securities Administrator.

Amounts payable as Uncertificated Accrued Interest in respect of REMIC II Regular Interest ZZ shall be reduced when the REMIC II Overcollateralization Amount is less than the REMIC II Required Overcollateralization Amount, by the lesser of (x) the amount of such difference and (y) the Maximum Uncertificated Accrued Interest Deferral Amount, and such amount will be payable to the holders of each REMIC II Regular Interest for which a Class A, Class M or Class B Certificate is the Corresponding Certificate in the same proportion as the Extra Principal Distribution Amount is allocated to the Corresponding Certificates for each such REMIC II Regular Interest, and the Uncertificated Principal Balance of REMIC II Regular Interest ZZ shall be increased by such amount;

(iii) to the holders of REMIC II Regular Interests (other than REMIC II Regular Interest IO) in an amount equal to the remainder of the Interest Funds and Principal Funds, in each case determined without regard to the related clause (2)(ii) of the definitions thereof, for such Distribution Date after the distributions made pursuant to clauses (i) and (ii) above, allocated as follows:

(2) On each Distribution Date, 100% of the Prepayment Charges deemed distributed on the REMIC I Regular Interests shall be distributed, *pro rata*, to the holders of the REMIC II Regular Interests (other than REMIC II Regular Interest IO), provided that such

amounts shall not reduce the Uncertificated Principal Balances of the REMIC II Regular Interests.

(d) On each Distribution Date, interest shall be deemed payable from REMIC III to the holders of each REMIC III Regular Interest the ownership of which is represented by the Class A, Class M and Class B Certificates at a pass-through rate equal to the lesser of (i) the Pass-Through Rate for the Corresponding Certificate determined without regard to the related Net WAC Cap Rate and (ii) the Net WAC Cap Rate for the REMIC III Regular Interest the ownership of which is represented by the Corresponding Certificate for such Distribution Date, in each case on a principal balance equal to the Certificate Principal Balance of the Corresponding Certificate for such Distribution Date. For the avoidance of doubt, principal shall be payable to, and shortfalls, losses and prepayments shall be allocable to, the REMIC III Regular Interests the ownership of which is represented by the Class A, Class M and Class B Certificates as such amounts are payable and allocable to the Corresponding Certificates.

(e) On each Distribution Date, an amount equal to the aggregate amount distributed pursuant to Sections 6.04(a)(3)(C), (D) and (G) on such date shall be deemed distributed from REMIC III to REMIC IV in respect of the Class C Distribution Amount distributable to the Class C Interest, and 100% of the Prepayment Charges deemed distributed on the REMIC II Regular Interests shall be deemed distributed from REMIC III to REMIC IV in respect of the Class C Interest.

Section 7.02 Certificate Register; Registration of Transfer and Exchange of Certificates.

(a) The Securities Administrator shall maintain, or cause to be maintained in accordance with the provisions of Section 7.09 hereof, a Certificate Register for the Trust Fund in which, subject to the provisions of subsections (b) and (c) below and to such reasonable regulations as it may prescribe, the Securities Administrator shall provide for the registration of Certificates and of Transfers and exchanges of Certificates as herein provided. Every Certificate presented or surrendered for registration of Transfer or exchange shall be accompanied by a written instrument of Transfer in form satisfactory to the Securities Administrator duly executed by the holder thereof or his attorney duly authorized in writing.

No service charge to the Certificateholders shall be made for any registration of Transfer or exchange of Certificates, but payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any Transfer or exchange of Certificates may be required.

(b) Subject to Section 7.07 and, in the case of any Global Certificate or Private Certificate upon the satisfaction of the conditions set forth below, upon surrender for registration of transfer of any Certificate at any office or agency of the Securities Administrator maintained for such purpose, the Securities Administrator shall sign, countersign and shall deliver, in the name of the designated transferee or transferees, a new Certificate of a like Class and aggregate Percentage Interest, but bearing a different number.

(c) Subject to Section 7.02(g), so long as a Global Certificate of such Class is outstanding and is held by or on behalf of the Depository, transfers of beneficial interests in such Global Certificate, or transfers by Holders of Individual Certificates of such Class to transferees

that take delivery in the form of beneficial interests in the Global Certificate, may be made only in accordance with this Section 7.02(c) and in accordance with the rules of the Depository:

(i) In the case of a beneficial interest in the Global Certificate being transferred to an Institutional Accredited Investor, such transferee shall be required to take delivery in the form of an Individual Certificate or Certificates and the Securities Administrator shall register such transfer only upon compliance with the provisions of Section 7.02(h).

(iii) In the case of an Individual Certificate of a Class being transferred to a transferee that takes delivery in the form of a beneficial interest in a Global Certificate of such Class, the Securities Administrator shall register such transfer if the transferee has provided the Securities Administrator with a Rule 144A and Related Matters Certificate or comparable evidence as to its QIB status.

(iv) No restrictions shall apply with respect to the transfer or registration of transfer of a beneficial interest in the Global Certificate of a Class to a transferee that takes delivery in the form of a beneficial interest in the Global Certificate of such Class; provided that each such transferee shall be deemed to have made such representations and warranties contained in the Rule 144A and Related Matters Certificate as are sufficient to establish that it is a QIB.

(d) Subject to Section 7.02(g), an exchange of a beneficial interest in a Global Certificate of a Class for an Individual Certificate or Certificates of such Class, an exchange of an Individual Certificate or Certificates of a Class for a beneficial interest in the Global Certificate of such Class and an exchange of an Individual Certificate or Certificates of a Class for another Individual Certificate or Certificates of such Class (in each case, whether or not such exchange is made in anticipation of subsequent transfer, and, in the case of the Global Certificate of such Class, so long as such Certificate is outstanding and is held by or on behalf of the Depository) may be made only in accordance with this Section 7.02(d) and in accordance with the rules of the Depository:

(i) A Holder of a beneficial interest in a Global Certificate of a Class may at any time exchange such beneficial interest for an Individual Certificate or Certificates of such Class.

(ii) A Holder of an Individual Certificate or Certificates of a Class may exchange such Certificate or Certificates for a beneficial interest in the Global Certificate of such Class if such holder furnishes to the Securities Administrator a Rule 144A and Related Matters Certificate or comparable evidence as to its QIB status.

(iii) A Holder of an Individual Certificate of a Class may exchange such Certificate for an equal aggregate principal amount of Individual Certificates of such Class in different authorized denominations without any certification.

(e) (i) Upon acceptance for exchange or transfer of an Individual Certificate of a Class for a beneficial interest in a Global Certificate of such Class as provided herein, the Securities Administrator shall cancel such Individual Certificate and shall (or shall request the Depository to) endorse on the schedule affixed to the applicable Global Certificate (or on a continuation of such schedule affixed to the Global Certificate and made a part thereof) or otherwise make in its books and records an appropriate notation evidencing the date of such exchange or transfer and an increase in the certificate balance of the Global Certificate equal to the certificate balance of such Individual Certificate exchanged or transferred therefor.

(ii) Upon acceptance for exchange or transfer of a beneficial interest in a Global Certificate of a Class for an Individual Certificate of such Class as provided herein, the Securities Administrator shall (or shall request the Depository to) endorse on the schedule affixed to such Global Certificate (or on a continuation of such schedule affixed to such Global Certificate and made a part thereof) or otherwise make in its books and records an appropriate notation evidencing the date of such exchange or transfer and a decrease in the certificate balance of such Global Certificate equal to the certificate balance of such Individual Certificate issued in exchange therefor or upon transfer thereof.

(f) Any Individual Certificate issued in exchange for or upon transfer of another Individual Certificate or of a beneficial interest in a Global Certificate shall bear the applicable legends set forth in Exhibit A-2.

(g) Subject to the restrictions on transfer and exchange set forth in this Section 7.02, the Holder of any Individual Certificate may transfer or exchange the same in whole or in part (in an initial certificate balance equal to the minimum authorized denomination set forth in Section 7.01 above or any integral multiple of \$1.00 in excess thereof) by surrendering such Certificate at the Corporate Trust Office, or at the office of any transfer agent, together with an executed instrument of assignment and transfer satisfactory in form and substance to the Securities Administrator in the case of transfer and a written request for exchange in the case of exchange. The Holder of a beneficial interest in a Global Certificate may, subject to the rules and procedures of the Depository, cause the Depository (or its nominee) to notify the Securities Administrator in writing of a request for transfer or exchange of such beneficial interest for an Individual Certificate or Certificates. Following a proper request for transfer or exchange, the Securities Administrator shall, within five Business Days of such request made at the Corporate Trust Office, sign, countersign and deliver at the Corporate Trust Office, to the transferee (in the case of transfer) or Holder (in the case of exchange) or send by first class mail at the risk of the transferee (in the case of transfer) or Holder (in the case of exchange) to such address as the transferee or Holder, as applicable, may request, an Individual Certificate or Certificates, as the case may require, for a like aggregate Percentage Interest and in such authorized denomination or denominations as may be requested. The presentation for transfer or exchange of any Individual Certificate shall not be valid unless made at the Corporate Trust Office by the registered Holder in person, or by a duly authorized attorney-in-fact.

(h) No Transfer of a Private Certificate shall be made unless such Transfer is made pursuant to an effective registration statement under the Securities Act and any applicable state securities laws or is exempt from the registration requirements under the Securities Act and such state securities laws. In the event that a Transfer is to be made in reliance upon an exemption from the Securities Act and such laws, in order to assure compliance with the Securities Act and such laws, the Certificateholder desiring to effect such Transfer and such Certificateholder's prospective transferee shall each certify to the Trustee and the Securities Administrator in writing the facts (or shall be deemed to certify in the case of a Book-Entry Certificate) surrounding the Transfer by (x)(i) the delivery to the Securities Administrator by the Certificateholder desiring to effect such transfer of a certificate substantially in the form set forth in Exhibit D (the "Transferor Certificate") and (ii) the delivery by the Certificateholder's prospective transferee of (A) a letter in substantially the form of Exhibit E (the "Investment Letter") if the prospective transferee is an Institutional Accredited Investor or (B) a letter in substantially the form of Exhibit F (the "Rule 144A and Related Matters Certificate") if the prospective transferee is a QIB or (y) there shall be delivered to the Trustee and the Securities Administrator an Opinion of Counsel addressed to the Trustee and the Securities Administrator that such Transfer may be made pursuant to an exemption from the Securities Act, which Opinion of Counsel shall not be an expense of the Depositor, the Seller, the Master Servicer, the Securities Administrator or the Trustee; provided, however, that such representation letters will not be required in connection with any transfer of any such Certificate by the Depositor to an affiliate of the Depositor and the Trustee and the Securities Administrator shall be entitled to conclusively rely upon a representation (which, upon the request of the Trustee or the Securities Administrator, shall be a written representation) from the Depositor of the status of such transferee as an affiliate of the Depositor. Notwithstanding the provisions of the immediately preceding sentence, no restrictions shall apply with respect to the transfer or registration of transfer of a beneficial interest in any Certificate that is a Global Certificate of a Class to a transferee that takes delivery in the form of a beneficial interest in the Global Certificate of such Class provided that each such transferee shall be deemed to have made such representations and warranties contained in the Rule 144A and Related Matters Certificate as are sufficient to establish that it is a QIB. The Securities Administrator shall provide to any Holder of a Private Certificate and any prospective transferee designated by any such Holder, information regarding the Certificates and the Mortgage Loans and such other information as shall be necessary to satisfy the condition to eligibility set forth in Rule 144A(d)(4) for Transfer of any such Certificate without registration thereof under the Securities Act pursuant to the registration exemption provided by Rule 144A. The Trustee, the Securities Administrator and the Master Servicer shall cooperate with the Depositor in providing the Rule 144A information referenced in the preceding sentence, including providing to the Depositor such information regarding the Certificates, the Mortgage Loans and other matters regarding the Trust Fund as the Depositor shall reasonably request to meet its obligation under the preceding sentence. Each Holder of a Private Certificate desiring to effect such Transfer shall, and does hereby agree to, indemnify the Trustee, the Depositor, the Seller, the Securities Administrator and the Master Servicer against any liability that may result if the Transfer is not so exempt or is not made in accordance with such federal and state laws.

No transfer of any Class C Certificate shall be made unless the proposed transferee of such Class C Certificate (1) provides to the Securities Administrator the appropriate tax certification form that would eliminate any withholding or deduction for taxes from amounts

payable by the Swap Provider, pursuant to the Interest Rate Swap Agreement, to the Swap Administrator on behalf of the Supplemental Interest Trust (i.e., IRS Form W-9 or IRS Form W-8BEN, W-8IMY, W-8EXP or W-8ECI, as applicable (or any successor form thereto), together with any applicable attachments) and (2) agrees to update such form (a) upon expiration of any such form, (b) as required under then applicable U.S. Treasury regulations and (c) promptly upon learning that such form has become obsolete or incorrect, each as a condition to such transfer. In addition, no transfer of any Class C Certificate shall be made if such transfer would cause the Supplemental Interest Trust to be beneficially owned by two or more persons for federal income tax purposes, or continue to be so treated, unless (i) each proposed transferee of such Class C Certificate complies with the foregoing conditions and (ii) the proposed majority holder of the Class C Certificates (or each holder, if there is or would be no majority holder) (A) provides, or causes to be provided, on behalf of the Supplemental Interest Trust, if applicable, the appropriate tax certification form that would be required from the Supplemental Interest Trust to eliminate any withholding or deduction for taxes from amounts payable by the Swap Provider, pursuant to the Interest Rate Swap Agreement, to the Swap Administrator on behalf of the Supplemental Interest Trust (i.e., IRS Form W-9 or IRS Form W-8BEN, W-8IMY, W-8EXP or W-8ECI, as applicable (or any successor form thereto), together with any applicable attachments) and (B) agrees to update such form (x) upon expiration of any such form, (y) as required under then applicable U.S. Treasury regulations and (z) promptly upon learning that such form has become obsolete or incorrect. If, under applicable U.S. Treasury regulations, such tax certification form may only be signed by a trustee acting on behalf of the Supplemental Interest Trust, then the Supplemental Interest Trust Trustee shall sign such certification form if so requested by a holder of the Class C Certificates. Upon receipt of any tax certification form pursuant to the preceding conditions from a proposed transferee of any Class C Certificate, the Securities Administrator shall forward such tax certification form to the Supplemental Interest Trust Trustee. The Supplemental Interest Trust Trustee shall forward such tax certification form provided to it to the Swap Provider. Each holder of a Class C Certificate and each transferee thereof shall be deemed to have consented to the Supplemental Interest Trust Trustee forwarding to the Swap Provider any tax certification form it has provided and updated in accordance with these transfer restrictions. Any purported sales or transfers of any Class C Certificate to a transferee which does not comply with the requirements of this paragraph shall be deemed null and void under this Agreement.

The Securities Administrator shall be entitled to rely conclusively on any certificate required by this Section 7.02 to be executed in connection with the transfer of any Certificate, and shall be entitled to presume conclusively the continuing accuracy thereof from time to time, in each case without further inquiry or investigation.

The Securities Administrator shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the 1933 Act, applicable state securities laws, ERISA or the Code; except that if a Certificate is required by the terms of this Section 7.02 to be provided to the Securities Administrator by a prospective transferor or transferee, the Securities Administrator shall examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 7.02 and that if an opinion of counsel is provided, the Securities Administrator shall examine the same to determine whether it meets the requirements hereof.

No Transfer of an ERISA Restricted Certificate or Class B-4 Certificate shall be made at any time unless either (i) the transferee of such Certificate provides a representation, or is deemed to represent in the case of a Global Certificate, to the Securities Administrator acceptable to and in form and substance satisfactory to the Securities Administrator to the effect that such transferee is not a Plan, or a Person acting on behalf of a Plan or using the assets of a Plan, or (ii) in the case of any such Certificate presented for registration in the name of a Plan, or a trustee of a Plan or any other person acting on behalf of a Plan, the Securities Administrator shall have received an Opinion of Counsel for the benefit of the Trustee, the Securities Administrator and the Master Servicer and on which they may rely, satisfactory to the Securities Administrator, to the effect that the purchase and holding of such Certificate are permissible under applicable law, will not result in any prohibited transactions under ERISA or Section 4975 of the Code and will not subject the Trustee, the Securities Administrator, the Master Servicer or the Depositor to any obligation in addition to those expressly undertaken in this Agreement, which Opinion of Counsel shall not be an expense of the Trustee, the Securities Administrator, the Master Servicer or the Depositor, or (iii) in the case of a Class B-4 Certificate, the transferee provides a representation, or is deemed to represent in the case of the Global Certificate, or an opinion of counsel to the effect that the proposed transfer or holding of such Class B-4 Certificate and the servicing, management and operation of the Trust and its assets: (I) will not result in any prohibited transaction which is not covered under a prohibited transaction class exemption ("PTCE"), including but not limited to PTCE 84-14, PTCE 91-38, PTCE 90-1, PTCE 95-60 or PTCE 96-23 and (II) will not give rise to any obligation on the part of the Depositor, the Master Servicer, the Securities Administrator or the Trustee in addition to those expressly undertaken in this Agreement. Notwithstanding anything else to the contrary herein, any purported transfer of an ERISA Restricted Certificate to or on behalf of a Plan without the delivery of the Opinion of Counsel as described above shall be void and of no effect; provided that the restriction set forth in this sentence shall not be applicable if there has been delivered to the Trustee and the Securities Administrator an Opinion of Counsel meeting the requirements of clause (ii) of the first sentence of this paragraph. Neither the Trustee, the Securities Administrator nor the Master Servicer shall be required to monitor, determine or inquire as to compliance with the transfer restrictions with respect to any ERISA Restricted Certificate that is a Book-Entry Certificate, and neither the Trustee nor the Master Servicer shall have any liability for transfers of any such Book-Entry Certificates made through the book-entry facilities of any Depository or between or among participants of the Depository or Certificate Owners made in violation of the transfer restrictions set forth herein. Neither the Trustee, the Securities Administrator nor the Master Servicer shall be under any liability to any Person for any registration of transfer of any ERISA Restricted Certificate that is in fact not permitted by this Section 7.02(h) or for making any payments due on such Certificate to the Holder thereof or taking any other action with respect to such Holder under the provisions of this Agreement.

Prior to the termination of the related Supplemental Interest Trust, no Transfer of a related Class A Certificate shall be made unless either (i) the Securities Administrator shall have received a representation from the transferee of such Certificate acceptable to and in form and substance satisfactory to the Securities Administrator, or is deemed to represent in the case of a Global Certificate, that such transferee is not an employee benefit plan subject to Section 406 of ERISA or a plan subject to Section 4975 of the Code (either a "Plan"), or a Person acting on behalf of a Plan or using the assets a Plan, or (ii) the transferee provides a representation, or is

deemed to represent in the case of the Global Certificate that (A) such plan is an accredited investor within the meaning of the Exemption and (B) the proposed transfer or holding of such Certificate are eligible for exemptive relief under PTCE 84-14, PTCE 91-38, PTCE 90-1, PTCE 95-60 or PTCE 96-23.

Each beneficial owner of a related Class M or Class B Certificate (other than a Class B-4 Certificate) or any interest therein shall be deemed to have represented, by virtue of its acquisition or holding of that certificate or interest therein, that either (i) it is not a Plan or investing with "Plan Assets" or (ii) (1) it is an insurance company, (2) the source of funds used to acquire or hold the certificate or interest therein is an "insurance company general account," as such term is defined in PTCE 95-60, and (3) the conditions in Section I of PTCE 95-60 have been satisfied.

Neither the Trustee, the Securities Administrator nor the Master Servicer will be required to monitor, determine or inquire as to compliance with the transfer restrictions with respect to the Global Certificates. Any attempted or purported transfer of any Certificate in violation of the provisions of this Section 7.02 shall be void ab initio and such Certificate shall be considered to have been held continuously by the prior permitted Certificateholder. Any transferor of any Certificate in violation of such provisions, shall indemnify and hold harmless the Trustee, the Securities Administrator and the Master Servicer from and against any and all liabilities, claims, costs or expenses incurred by the Trustee, the Securities Administrator or the Master Servicer as a result of such attempted or purported transfer. Neither the Securities Administrator shall have any liability for transfer of any such Global Certificates in or through book-entry facilities of any Depository or between or among Depository Participants or Certificate Owners made in violation of the transfer restrictions set forth herein. The Securities Administrator shall be entitled, but not obligated, to recover from any Holder of any ERISA Restricted Certificate that was in fact a Plan or a Person acting on behalf of a Plan at the time it became a Holder or, at such subsequent time as it became a Plan or Person acting on behalf of a Plan, all payments made on such ERISA Restricted Certificate at and after either such time. Any such payments so recovered by the Securities Administrator shall be paid and delivered by the Securities Administrator to the last preceding Holder of such Certificate that is not a Plan or Person acting on behalf of a Plan.

(i) Each Person who has or who acquires any Ownership Interest in a Residual Certificate shall be deemed by the acceptance or acquisition of such Ownership Interest to have agreed to be bound by the following provisions, and the rights of each Person acquiring any Ownership Interest in a Residual Certificate are expressly subject to the following provisions:

(i) Each Person holding or acquiring any Ownership Interest in a Residual Certificate shall be a Permitted Transferee and shall promptly notify the Securities Administrator of any change or impending change in its status as a Permitted Transferee.

(ii) No Ownership Interest in a Residual Certificate may be registered on the Closing Date or thereafter transferred, and the Securities Administrator shall not register the Transfer of any Residual Certificate unless, in addition to the certificates required to be delivered to the Securities Administrator under subsection (b) above, the Securities Administrator shall have been furnished with

an affidavit (a "Transfer Affidavit") of the initial owner or the proposed transferee in the form attached hereto as Exhibit C.

(iii) Each Person holding or acquiring any Ownership Interest in a Residual Certificate shall agree (A) to obtain a Transfer Affidavit from any other Person to whom such Person attempts to Transfer its Ownership Interest in a Residual Certificate, (B) to obtain a Transfer Affidavit from any Person for whom such Person is acting as nominee, trustee or agent in connection with any Transfer of a Residual Certificate and (C) not to Transfer its Ownership Interest in a Residual Certificate or to cause the Transfer of an Ownership Interest in a Residual Certificate to any other Person if it has actual knowledge that such Person is not a Permitted Transferee.

(iv) Any attempted or purported Transfer of any Ownership Interest in a Residual Certificate in violation of the provisions of this Section 7.02(i) shall be absolutely null and void and shall vest no rights in the purported Transferee. If any purported transferee shall become a Holder of a Residual Certificate in violation of the provisions of this Section 7.02(i), then the last preceding Permitted Transferee shall be restored to all rights as Holder thereof retroactive to the date of registration of Transfer of such Residual Certificate. Neither the Securities Administrator nor the Trustee shall be under liability to any Person for any registration of Transfer of a Residual Certificate that is in fact not permitted by Section 7.02(h) and this Section 7.02(i) or for making any payments due on such Certificate to the Holder thereof or taking any other action with respect to such Holder under the provisions of this Agreement so long as the Transfer was registered after receipt of the related Transfer Affidavit. The Securities Administrator shall be entitled but not obligated to recover from any Holder of a Residual Certificate that was in fact not a Permitted Transferee at the time it became a Holder or, at such subsequent time as it became other than a Permitted Transferee, all payments made on such Residual Certificate at and after either such time. Any such payments so recovered by the Securities Administrator shall be paid and delivered by the Securities Administrator to the last preceding Permitted Transferee of such Certificate.

(v) The Master Servicer shall make available within 60 days of written request from the Securities Administrator, all information necessary to compute any tax imposed under Section 860E(e) of the Code as a result of a Transfer of an Ownership Interest in a Residual Certificate to any Holder who is not a Permitted Transferee.

The restrictions on Transfers of a Residual Certificate set forth in this Section 7.02(i) shall cease to apply (and the applicable portions of the legend on a Residual Certificate may be deleted) with respect to Transfers occurring after delivery to the Securities Administrator of an Opinion of Counsel addressed to the Securities Administrator, which Opinion of Counsel shall not be an expense of the Trustee, the Securities Administrator, the Seller or the Master Servicer to the effect that the elimination of such restrictions, or any Transfer of a Residual Certificate allowed by such elimination, will not cause REMIC I, REMIC II, REMIC III, REMIC IV or

REMIC V, as applicable, to fail to qualify as a REMIC at any time that the Certificates are outstanding or result in the imposition of any tax on the Trust Fund, a Certificateholder or another Person. Each Person holding or acquiring any Ownership Interest in a Residual Certificate hereby consents to any amendment of this Agreement that, based on an Opinion of Counsel addressed to the Securities Administrator and furnished to the Securities Administrator, is reasonably necessary (a) to ensure that the record ownership of, or any beneficial interest in, a Residual Certificate is not transferred, directly or indirectly, to a Person that is not a Permitted Transferee and (b) to provide for a means to compel the Transfer of a Residual Certificate that is held by a Person that is not a Permitted Transferee to a Holder that is a Permitted Transferee.

(j) The preparation and delivery of all certificates and opinions referred to above in this Section 7.02 shall not be an expense of the Trust Fund, the Trustee, the Depositor, the Seller, the Securities Administrator or the Master Servicer.

Section 7.03 Mutilated, Destroyed, Lost or Stolen Certificates.

If (a) any mutilated Certificate is surrendered to the Securities Administrator, or the Securities Administrator receives evidence to its satisfaction of the destruction, loss or theft of any Certificate and of the ownership thereof and (b) there is delivered to the Securities Administrator such security or indemnity as may be required by them to save the Securities Administrator and the Trustee harmless, then, in the absence of notice to the Securities Administrator that such Certificate has been acquired by a bona fide purchaser, the Securities Administrator shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like Class, tenor and Percentage Interest. In connection with the issuance of any new Certificate under this Section 7.03, the Securities Administrator may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Securities Administrator) connected therewith. Any replacement Certificate issued pursuant to this Section 7.03 shall constitute complete and indefeasible evidence of ownership in the Trust Fund, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time. All Certificates surrendered to the Securities Administrator under the terms of this Section 7.03 shall be canceled and destroyed by the Securities Administrator in accordance with its standard procedures without liability on its part.

Section 7.04 Persons Deemed Owners.

The Securities Administrator, the Trustee and any agent of the Securities Administrator, the Trustee may treat the person in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving distributions as provided in this Agreement and for all other purposes whatsoever, and neither the Securities Administrator, the Trustee, nor any agent of the Securities Administrator or the Trustee shall be affected by any notice to the contrary.

Section 7.05 Access to List of Certificateholders' Names and Addresses.

If three or more Certificateholders, or in the case of Book-Entry Certificates, Certificate Owners (a) request such information in writing from the Securities Administrator, (b) state that

such Certificateholders or Certificate Owners desire to communicate with other Certificateholders or Certificate Owners with respect to their rights under this Agreement or under the Certificates, and (c) provide a copy of the communication that such Certificateholders or Certificate Owners propose to transmit or if the Depositor or the Master Servicer shall request such information in writing from the Securities Administrator, then the Securities Administrator shall, within ten Business Days after the receipt of such request, provide the Depositor, the Master Servicer or such Certificateholders or Certificate Owners at such recipients' expense the most recent list of the Certificateholders of the Trust Fund held by the Securities Administrator, if any. The Depositor and every Certificateholder and Certificate Owner, by receiving and holding a Certificate, agree that the Securities Administrator shall not be held accountable by reason of the disclosure of any such information as to the list of the Certificateholders hereunder, regardless of the source from which such information was derived.

Section 7.06 Book-Entry Certificates.

The Regular Certificates (other than the Class C Certificates), upon original issuance, shall be issued in the form of one or more typewritten Certificates representing the Book-Entry Certificates, to be delivered to the Depository by or on behalf of the Depositor. Such Certificates shall initially be registered on the Certificate Register in the name of the Depository or its nominee, and no Certificate Owner of such Certificates will receive a definitive certificate representing such Certificate Owner's interest in such Certificates, except as provided in Section 7.08. Unless and until definitive, fully registered Certificates ("Definitive Certificates") have been issued to the Certificate Owners of such Certificates pursuant to Section 7.08:

- (a) the provisions of this Section shall be in full force and effect;
- (b) the Depositor, the Securities Administrator and the Trustee may deal with the Depository and the Depository Participants for all purposes (including the making of distributions) as the authorized representative of the respective Certificate Owners of such Certificates;
- (c) registration of the Book-Entry Certificates may not be transferred by the Securities Administrator except to another Depository;
- (d) the rights of the respective Certificate Owners of such Certificates shall be exercised only through the Depository and the Depository Participants and shall be limited to those established by law and agreements between the Owners of such Certificates and the Depository and/or the Depository Participants. Pursuant to the Depository Agreement, unless and until Definitive Certificates are issued pursuant to Section 7.08, the Depository will make book-entry transfers among the Depository Participants and receive and transmit distributions of principal and interest on the related Certificates to such Depository Participants;
- (e) the Depository may collect its usual and customary fees, charges and expenses from its Depository Participants;
- (f) the Securities Administrator may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Depository Participants; and

(g) to the extent that the provisions of this Section conflict with any other provisions of this Agreement, the provisions of this Section shall control.

For purposes of any provision of this Agreement requiring or permitting actions with the consent of, or at the direction of, Certificateholders evidencing a specified percentage of the aggregate unpaid principal amount of any Class of Certificates, such direction or consent may be given by Certificate Owners (acting through the Depository and the Depository Participants) owning Book-Entry Certificates evidencing the requisite percentage of principal amount of such Class of Certificates.

The Private Certificates shall initially be held in fully registered certificated form. If at any time the Holders of all of the Certificates of one or more such Classes request that the Securities Administrator cause such Class to become Global Certificates, the Depositor (with the assistance of the Securities Administrator) will take such action as may be reasonably required to cause the Depository to accept such Class or Classes for trading if it may legally be so traded. If at anytime there are to be Global Certificates, the Global Certificates shall be delivered to the Depository by the Depositor or deposited with the Securities Administrator as custodian for the Depository.

All transfers by Certificate Owners of such respective Classes of Book-Entry Certificates and any Global Certificates shall be made in accordance with the procedures established by the Depository Participant or brokerage firm representing such Certificate Owners. Each Depository Participant shall only transfer Book-Entry Certificates of Certificate Owners it represents or of brokerage firms for which it acts as agent in accordance with the Depository's normal procedures.

Section 7.07 Notices to Depository.

Whenever any notice or other communication is required to be given to Certificateholders of a Class with respect to which Book-Entry Certificates have been issued, unless and until Definitive Certificates shall have been issued to the related Certificate Owners, the Securities Administrator shall give all such notices and communications to the Depository.

Section 7.08 Definitive Certificates.

If, after Book-Entry Certificates have been issued with respect to any Certificates, (a) the Depositor or the Depository advises the Securities Administrator that the Depository is no longer willing or able to discharge properly its responsibilities under the Depository Agreement with respect to such Certificates and the Depositor is unable to locate a qualified successor or (b) the Depositor, with the consent of Depository Participants, advises the Securities Administrator that it elects to terminate the book-entry system with respect to such Certificates through the Depository, then the Securities Administrator shall notify all Certificate Owners of such Certificates, through the Depository, of the occurrence of any such event and of the availability of Definitive Certificates to applicable Certificate Owners requesting the same. The Depositor shall provide the Securities Administrator with an adequate inventory of certificates to facilitate the issuance and transfer of Definitive Certificates. Upon surrender to the Securities Administrator of any such Certificates by the Depository, accompanied by registration

instructions from the Depository for registration, the Securities Administrator shall countersign and deliver such Definitive Certificates. Neither the Depositor nor the Securities Administrator shall be liable for any delay in delivery of such instructions and each may conclusively rely on, and shall be protected in relying on, such instructions.

In addition, if an Event of Default has occurred and is continuing, each Certificate Owner materially adversely affected thereby may at its option request a Definitive Certificate evidencing such Certificate Owner's Voting Rights in the related Class of Certificates. In order to make such request, such Certificate Owner shall, subject to the rules and procedures of the Depository, provide the Depository or the related Depository Participant with directions for the Securities Administrator to exchange or cause the exchange of the Certificate Owner's interest in such Class of Certificates for an equivalent Voting Right in fully registered definitive form. Upon receipt by the Securities Administrator of instructions from the Depository directing the Securities Administrator to effect such exchange (such instructions to contain information regarding the Class of Certificates and the Certificate Principal Balance being exchanged, the Depository Participant account to be debited with the decrease, the registered holder of and delivery instructions for the definitive Certificate, and any other information reasonably required by the Securities Administrator), (i) the Securities Administrator shall instruct the Depository to reduce the related Depository Participant's account by the aggregate Certificate Principal Balance of the definitive Certificate, (ii) the Securities Administrator shall execute, authenticate and deliver, in accordance with the registration and delivery instructions provided by the Depository, a definitive Certificate evidencing such Certificate Owner's Voting Rights in such Class of Certificates and (iii) the Securities Administrator shall execute and authenticate a new Book-Entry Certificate reflecting the reduction in the Certificate Principal Balance of such Class of Certificates by the amount of the definitive Certificates.

Section 7.09 Maintenance of Office or Agency.

The Securities Administrator will maintain or cause to be maintained at its expense an office or offices or agency or agencies located at LaSalle Bank National Association, 135 South LaSalle Street, Suite 1511, Chicago, IL 60603, Attn: Global Securities and Trust Services Group – SACO 2006-10, where Certificates may be surrendered for registration of transfer or exchange. The Securities Administrator initially designates its Corporate Trust Office, as the office for such purposes. The Securities Administrator will give prompt written notice to the Certificateholders of any change in such location of any such office or agency.

ARTICLE VIII

THE DEPOSITOR, THE COMPANY AND THE MASTER SERVICER

Section 8.01 Liabilities of the Depositor, the Company and the Master Servicer.

Each of the Depositor, the Company and the Master Servicer shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by it herein.

Section 8.02 Merger or Consolidation of the Depositor, the Company or the Master Servicer.

(a) Each of the Depositor, the Company and the Master Servicer will keep in full force and effect its existence, rights and franchises as a limited liability company under the laws of the state of its formation, a corporation under the laws of the state of its incorporation or as a national banking association under federal law, as applicable, and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Agreement, the Certificates or any of the Mortgage Loans and to perform its duties under this Agreement.

(b) Any Person into which the Depositor, the Company or the Master Servicer may be merged or consolidated, or any corporation resulting from any merger or consolidation to which the Depositor, the Company or the Master Servicer shall be a party, or any Person succeeding to the business of the Depositor, the Company or the Master Servicer, shall be the successor of the Depositor, the Company or the Master Servicer hereunder, without the execution or filing of any paper or further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.03 Indemnification of the Trustee, the Master Servicer and the Securities Administrator.

(a) The Master Servicer agrees to indemnify the Indemnified Persons for, and to hold them harmless against, any loss, liability or expense (including reasonable legal fees and disbursements of counsel) incurred on their part that may be sustained in connection with, arising out of, or relating to, any claim or legal action (i) related to the Master Servicer's failure to perform its duties in compliance with this Agreement (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this Agreement) or (ii) incurred by reason of the Master Servicer's willful misfeasance, bad faith or gross negligence in the performance of its duties hereunder or by reason of reckless disregard of obligations and duties hereunder, provided, in each case, that with respect to any such claim or legal action (or pending or threatened claim or legal action), the affected Indemnified Person shall have given the Master Servicer and EMC written notice thereof promptly after such Person shall have with respect to such claim or legal action knowledge thereof; provided, however that the failure to give such notice shall not relieve the Master Servicer of its indemnification obligations hereunder except to the extent the Master Servicer is prejudiced thereby. This indemnity shall survive the resignation

or removal of the Trustee, Master Servicer or the Securities Administrator and the termination of this Agreement.

(b) The Company agrees to indemnify the Indemnified Persons and to hold them harmless from and against any and all claims, losses, damages, penalties, fines, forfeitures, legal fees and related costs, judgments, and any other costs, fees and expenses that the Indemnified Persons may sustain in any way related to (i) the failure of the Company to perform in any way its duties hereunder and service the EMC Mortgage Loans in strict compliance with the terms of this Agreement, (ii) breach of any representation or warranty of the Company contained herein or (iii) incurred by reason of the Company's willful misfeasance, bad faith or negligence in the performance of its duties hereunder or by reason of reckless disregard of its obligations and duties hereunder. The Company shall immediately notify the Master Servicer and the Trustee if a claim is made by a third party with respect to this Agreement or the EMC Mortgage Loans, assume (with the consent of the Master Servicer and the Trustee and with counsel reasonably satisfactory to the Master Servicer and the Trustee) the defense of any such claim and pay all expenses in connection therewith, including counsel fees, and promptly pay, discharge and satisfy any judgment or decree which may be entered against it or any Indemnified Person in respect of such claim but failure of the Company to give such notice shall not limit its obligations hereunder. The Company agrees that it will not enter into any settlement of any such claim without the consent of the Indemnified Persons unless such settlement includes an unconditional release of such Indemnified Persons from all liability that is the subject matter of such claim. The provisions of this Section 8.03(b) shall survive termination of this Agreement.

(c) EMC will indemnify any Indemnified Person for any loss, liability or expense of any Indemnified Person not otherwise paid or covered pursuant to subsection (b) above. Such indemnification shall survive termination of this Agreement.

Section 8.04 Limitations on Liability of the Depositor, the Company, the Master Servicer and Others.

(a) Subject to the obligation of the Company and the Master Servicer to indemnify the Indemnified Persons pursuant to Section 8.03, neither the Depositor, the Company, the Master Servicer nor any of the directors, officers, employees or agents of the Depositor, the Company and the Master Servicer shall be under any liability to the Indemnified Persons, the Trust Fund or the Certificateholders for taking any action or for refraining from taking any action in good faith pursuant to this Agreement, or for errors in judgment; provided, however, that this provision shall not protect the Depositor, the Company, the Master Servicer or any such Person against any breach of warranties or representations made herein or any liability which would otherwise be imposed by reason of such Person's willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder.

(b) The Depositor, the Company, the Master Servicer and the Securities Administrator and any of their respective directors, officers, employees or agents may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder.

(c) The Depositor, the Company, the Master Servicer, the Securities Administrator, the Trustee, each Custodian, LaSalle Bank National Association in its individual capacity and any director, officer, employee or agent of the Depositor, the Company, the Master Servicer, the Securities Administrator, the Trustee and each Custodian shall be indemnified by the Trust and held harmless thereby against any loss, liability or expense (including reasonable legal fees and disbursements of counsel) incurred on their part that may be sustained in connection with, arising out of, or related to, any claim or legal action (including any pending or threatened claim or legal action) relating to, or the performance of their obligations under, this Agreement, the GMACM Assignment Agreement, the Custodial Agreements, the Certificates or the GMACM Servicing Agreement, other than (i) in the case of the Company, the Master Servicer or the Securities Administrator, any such loss, liability or expense related to the Company's or the Master Servicer's or Securities Administrator's failure to perform its respective duties in compliance with this Agreement or (ii) in the case of the Company, the Master Servicer or the Securities Administrator, any such loss, liability or expense incurred by reason of the Company's or the Master Servicer's or the Securities Administrator's willful misfeasance, bad faith or gross negligence in the performance of duties hereunder, or by reason of reckless disregard of obligations and duties hereunder or under the Custodial Agreement, as applicable, (iii) in the case of the Trustee, any such loss, liability or expense incurred by reason of the Trustee's willful misfeasance, bad faith or negligence in the performance of its duties hereunder, or by reason of its reckless disregard of obligations and duties hereunder and (iv) in the case of either Custodian, any such loss, liability or expense incurred by reason of such Custodian's willful misfeasance, bad faith or negligence in the performance of its duties under the related Custodial Agreement, or by reason of its reckless disregard of obligations and duties thereunder. Such indemnification shall survive termination of this Agreement.

(d) None of the Depositor, the Company, the Master Servicer or the Securities Administrator shall be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its duties under this Agreement and that in its opinion may involve it in any expense or liability; provided, however, the Master Servicer may in its discretion, undertake any such action which it may deem necessary or desirable with respect to this Agreement and the rights and duties of the parties hereto and the interests of the Certificateholders hereunder. In such event, the legal expenses and costs of such action and any liability resulting therefrom (except any loss, liability or expense incurred by reason of willful misfeasance, bad faith or negligence in the performance of duties hereunder or by reason of reckless disregard of obligations and duties hereunder) shall be expenses, costs and liabilities of the Trust Fund, and the Master Servicer shall be entitled to be reimbursed therefor out of the Master Servicer Collection Account as provided by Section 5.02. Nothing in this Subsection 8.04(d) shall affect the Master Servicer's obligation to master service the Mortgage Loans pursuant to Section 4.01.

(e) In taking or recommending any course of action pursuant to this Agreement, unless specifically required to do so pursuant to this Agreement, the Master Servicer shall not be required to investigate or make recommendations concerning potential liabilities which the Trust might incur as a result of such course of action by reason of the condition of the Mortgaged Properties but shall give notice to the Trustee if it has notice of such potential liabilities.

(f) The Master Servicer shall not be liable for any acts or omissions of the Company or the Servicer.

(g) The Master Servicer may perform any of its duties hereunder or exercise its rights hereunder either directly or through Affiliates, agents or attorneys.

Section 8.05 Master Servicer and Company Not to Resign.

(a) Except as provided in Section 8.07, the Master Servicer shall not resign from the obligations and duties hereby imposed on it except (i) with the prior consent of the Trustee (which consent shall not be unreasonably withheld or delayed) or (ii) upon a determination that any such duties hereunder are no longer permissible under applicable law and such impermissibility cannot be cured. Any such determination permitting the resignation of the Master Servicer shall be evidenced by an Opinion of Counsel, addressed to and delivered to, the Trustee. No such resignation by the Master Servicer shall become effective until the Trustee or a successor to the Master Servicer reasonably satisfactory to the Trustee shall have assumed the responsibilities and obligations of the Master Servicer in accordance with Section 9.02 hereof. The Trustee shall notify each Rating Agency of the resignation of the Master Servicer.

(b) The Company shall not resign from the obligations and duties hereby imposed on it except (i) upon the assignment of its servicing duties with respect to all or a portion of the EMC Mortgage Loans to an institution that is a Fannie Mae and Freddie Mac approved seller/servicer in good standing that has a net worth of not less than \$15,000,000 and with the prior written consent of the Master Servicer (which consent shall not be unreasonably withheld or delayed) or (ii) upon the determination that its duties hereunder are no longer permissible under applicable law and such incapacity cannot be cured by the Company. Any determination permitting the resignation of the Company shall be evidenced by an Opinion of Counsel to such effect addressed to and delivered, to the Master Servicer and the Trustee which Opinion of Counsel shall be in form and substance acceptable to the Master Servicer and the Trustee. No appointment of a successor to the Company shall be effective hereunder unless (a) the Rating Agencies have confirmed in writing that such appointment will not result in a downgrade, qualification or withdrawal of the then current ratings assigned to the Certificates, (b) such successor shall have represented that it meets the eligibility criteria set forth in clause (i) above, and (c) such successor has agreed to assume the obligations of the Company hereunder to the extent of the EMC Mortgage Loans to be serviced by such successor. The Company shall provide a copy of the written confirmation of the Rating Agencies and the agreement executed by such successor to the Master Servicer and the Trustee. No such resignation shall become effective until a qualified successor or the Master Servicer shall have assumed the Company's responsibilities and obligations hereunder. The Company shall notify the Master Servicer, the Trustee and the Rating Agencies of the resignation of the Company or the assignment of all or a portion of its servicing duties hereunder in accordance with this Section 8.05.

Section 8.06 Successor Master Servicer.

In connection with the appointment of any Successor Master Servicer or the assumption of the duties of the Master Servicer, EMC or the Trustee may make such arrangements for the compensation of such Successor Master Servicer out of payments on the Mortgage Loans as EMC or the Trustee and such Successor Master Servicer shall agree. If the Successor Master Servicer does not agree that such market value is a fair price, such Successor Master Servicer shall obtain two quotations of market value from third parties actively engaged in the servicing

of single-family mortgage loans. In no event shall the compensation of any Successor Master Servicer exceed that permitted the Master Servicer hereunder without the consent of all of the Certificateholders.

Section 8.07 Sale and Assignment of Master Servicing.

The Master Servicer may sell and assign its rights and delegate its duties and obligations in their entirety as Master Servicer under this Agreement and EMC may terminate the Master Servicer without cause and select a new Master Servicer; provided, however, that: (i) the purchaser or transferee accepting such assignment and delegation (a) shall be a Person which shall be qualified to service mortgage loans for Fannie Mae or Freddie Mac; (b) shall have a net worth of not less than \$15,000,000 (unless otherwise approved by each Rating Agency pursuant to clause (ii) below) and meets the eligibility requirements herein to serve as Master Servicer and Securities Administrator; (c) shall be reasonably satisfactory to the Trustee (as evidenced in a writing signed by the Trustee); and (d) shall execute and deliver to the Trustee an agreement, in form and substance reasonably satisfactory to the Trustee, which contains an assumption by such Person of the due and punctual performance and observance of each responsibility, covenant and condition of the Master Servicer and the Securities Administrator under this Agreement and each Custodial Agreement from and after the effective date of such assumption agreement; (ii) each Rating Agency shall be given prior written notice of the identity of the proposed successor to the Master Servicer and each Rating Agency's rating of the Certificates in effect immediately prior to such assignment, sale and delegation will not be downgraded, qualified or withdrawn as a result of such assignment, sale and delegation, as evidenced by a letter to such effect delivered to the Master Servicer, the Securities Administrator and the Trustee; and (iii) the Master Servicer assigning and selling the master servicing shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel addressed to the Trustee, each stating that all conditions precedent to such action under this Agreement have been satisfied and such action is permitted by and complies with the terms of this Agreement.

ARTICLE IX

DEFAULT; TERMINATION OF MASTER SERVICER; TERMINATION OF COMPANY

Section 9.01 Events of Default.

“Event of Default,” wherever used herein, means any one of the following events:

(i) any failure by the Master Servicer to remit to the Securities Administrator any amounts received or collected by the Master Servicer in respect of the Mortgage Loans and required to be remitted by it hereunder (other than any Advance), which failure shall continue unremedied for one Business Day after the date on which written notice of such failure shall have been given to the Master Servicer by the Trustee or the Depositor, or to the Trustee and the Master Servicer by the Holders of Certificates evidencing not less than 25% of the Voting Rights evidenced by the Certificates; or

(ii) other than with respect to clause (viii) below, any failure by the Master Servicer to observe or perform in any material respect any other of the covenants or agreements on the part of the Master Servicer contained in this Agreement or any breach of a representation or warranty by the Master Servicer, which failure or breach shall continue unremedied for a period of 60 days after the date on which written notice of such failure shall have been given to the Master Servicer by the Trustee or the Depositor, or to the Trustee and the Master Servicer by the Holders of Certificates evidencing not less than 25% of the Voting Rights evidenced by the Certificates; or

(iii) a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Master Servicer and such decree or order shall have remained in force undischarged or unstayed for a period of 60 consecutive days; or

(iv) the Master Servicer shall consent to the appointment of a receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings of or relating to the Master Servicer or all or substantially all of the property of the Master Servicer; or

(v) the Master Servicer shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of, or commence a voluntary case under, any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors, or voluntarily suspend payment of its obligations; or

(vi) the Master Servicer assigns or delegates its duties or rights under this Agreement in contravention of the provisions permitting such assignment or delegation under Sections 8.05 or 8.07;

(vii) The Master Servicer fails to deposit or cause to be deposited in the Distribution Account any Advance (other than a Nonrecoverable Advance) by 5:00 p.m. New York City time on the first Business Day preceding the Distribution Date; or

(viii) failure by the Master Servicer to duly perform, within the required time period, its obligations under Sections 3.16, 3.17 or 3.18.

If an Event of Default shall occur, then, and in each and every such case, so long as such Event of Default shall not have been remedied, the Trustee may, and at the written direction of the Holders of Certificates evidencing not less than 25% of the Voting Rights evidenced by the Certificates or at the written direction of the Trustee shall in the case of any Event of Default described in clauses (i) through (vi) and clause (viii) above, by notice in writing to the Master Servicer and the Swap Provider, with a copy to each Rating Agency may, terminate all of the rights and obligations (but not the liabilities) of the Master Servicer (and the Securities Administrator if the Master Servicer and the Securities Administrator are the same entity) under this Agreement and in and to the Mortgage Loans and the proceeds thereof, other than its rights as a Certificateholder hereunder. Notwithstanding anything to the contrary contained in this Agreement, the Trustee shall only terminate the Master Servicer for an Event of Default as described in clause (viii) above upon direction from the Depositor. On or after the receipt by the Master Servicer of such written notice, all authority and power of the Master Servicer (and, if applicable, the Securities Administrator) hereunder, whether with respect to the Mortgage Loans or otherwise, shall pass to and be vested in the Trustee, or any Successor Master Servicer appointed pursuant to Section 9.02 (a "Successor Master Servicer" and, if applicable, "Successor Securities Administrator"). Such Successor Master Servicer shall thereupon if such Successor Master Servicer is a successor to the Master Servicer, make any Advance required by Article IV, subject, in the case of the Trustee, to Section 9.02. The Trustee is hereby authorized and empowered to execute and deliver, on behalf of the terminated Master Servicer and, if applicable, the terminated Securities Administrator, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement or assignment of any Mortgage Loans and related documents, or otherwise. Unless expressly provided in such written notice, no such termination shall affect any obligation of the Master Servicer to pay amounts owed pursuant to Article VIII or Article X. The Master Servicer and, if applicable, the Securities Administrator agrees to cooperate with the Trustee in effecting the termination of the Master Servicer's and, if applicable, the Securities Administrator's responsibilities and rights hereunder, including, without limitation, the transfer to the applicable Successor Master Servicer of all cash amounts which shall at the time be credited to the Master Servicer Collection Account maintained pursuant to Section 5.05, or thereafter be received with respect to the applicable Mortgage Loans. The Trustee shall promptly notify each Rating Agency of the occurrence of an Event of Default actually known to a Responsible Officer of the Trustee.

Notwithstanding any termination of the activities of the Master Servicer hereunder, the Master Servicer shall be entitled to receive, out of any late collection of a Scheduled Payment on a Mortgage Loan that was due prior to the notice terminating the Master Servicer's rights and obligations as Master Servicer hereunder and received after such notice, that portion thereof to which the Master Servicer would have been entitled pursuant to Section 5.02 and to receive any other amounts payable to the Master Servicer hereunder the entitlement to which arose prior to the termination of its activities hereunder.

Notwithstanding the foregoing, if an Event of Default described in clause (vii) of this Section 9.01 shall occur, the Trustee shall, at the direction of the Depositor, by notice in writing to the Master Servicer, which may be delivered by telecopy, immediately terminate all of the rights and obligations of the Master Servicer thereafter arising under this Agreement, but without prejudice to any rights it may have as a Holder of the Certificates or to reimbursement of monthly Advances and other advances of its own funds, and the Trustee shall act as provided in Section 9.02 to carry out the duties of the Master Servicer, including the obligation to make any monthly Advance the nonpayment of which was an Event of Default described in clause (vii) of this Section 9.01. Any such action taken by the Trustee must be prior to the distribution on the relevant Distribution Date.

Section 9.02 Trustee to Act; Appointment of Successor.

On and after the time the Master Servicer receives a notice of termination pursuant to Section 9.01 hereof the Trustee shall automatically become the successor to the Master Servicer with respect to the transactions set forth or provided for herein and after a transition period (not to exceed 90 days), shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Master Servicer by the terms and provisions hereof; provided, however, that the Company shall have the right to either (a) immediately assume the duties of the Master Servicer or (b) select a Successor Master Servicer; provided, further, however that, pursuant to Article V hereof, the Trustee in its capacity as Successor Master Servicer shall be responsible for making any Advances required to be made by the Master Servicer immediately upon the termination of the Master Servicer and any such Advance shall be made on the Distribution Date on which such Advance was required to be made by the predecessor Master Servicer. Effective on the date of such notice of termination, as compensation therefor, the Trustee shall be entitled to all compensation, reimbursement of expenses and indemnification that the Master Servicer would have been entitled to if it had continued to act hereunder, provided, however, that the Trustee shall not be (i) liable for any acts or omissions of the Master Servicer, (ii) obligated to make Advances if it is prohibited from doing so under applicable law, (iii) responsible for expenses of the Master Servicer pursuant to Section 2.03 or (iv) obligated to deposit losses on any Permitted Investment directed by the Master Servicer. Notwithstanding the foregoing, the Trustee may, if it shall be unwilling to so act, or shall, if it is prohibited by applicable law from making Advances pursuant to Article VI or if it is otherwise unable to so act, appoint, or petition a court of competent jurisdiction to appoint, any established mortgage loan servicing institution the appointment of which does not adversely affect the then current rating of the Certificates by each Rating Agency as the successor to the Master Servicer hereunder in the assumption of all or any part of the responsibilities, duties or liabilities of the Master Servicer hereunder. Any Successor Master Servicer shall (i) be an institution that is a Fannie Mae and Freddie Mac approved seller/servicer in good standing, that has a net worth of at least \$15,000,000, and (ii) be

willing to act as successor servicer of any Mortgage Loans under this Agreement or the GMACM Servicing Agreement with respect to which the Company or the Servicer has been terminated as servicer, and shall have executed and delivered to the Depositor and the Trustee an agreement accepting such delegation and assignment, that contains an assumption by such Person of the rights, powers, duties, responsibilities, obligations and liabilities of the Master Servicer (other than any liabilities of the Master Servicer hereof incurred prior to termination of the Master Servicer under Section 9.01 or as otherwise set forth herein), with like effect as if originally named as a party to this Agreement, provided that each Rating Agency shall have acknowledged in writing that its rating of the Certificates in effect immediately prior to such assignment and delegation will not be qualified or reduced as a result of such assignment and delegation. If the Trustee assumes the duties and responsibilities of the Master Servicer in accordance with this Section 9.02, the Trustee shall not resign as Master Servicer until a Successor Master Servicer has been appointed and has accepted such appointment. Pending appointment of a successor to the Master Servicer hereunder, the Trustee, unless the Trustee is prohibited by law from so acting, shall act in such capacity as hereinabove provided. In connection with such appointment and assumption, the Trustee may make such arrangements for the compensation of such successor out of payments on Mortgage Loans or otherwise as it and such successor shall agree; provided that no such compensation unless agreed to by the Certificateholders shall be in excess of that permitted the Master Servicer hereunder. The Trustee and such successor shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession. Neither the Trustee nor any other Successor Master Servicer shall be deemed to be in default hereunder by reason of any failure to make, or any delay in making, any distribution hereunder or any portion thereof or any failure to perform, or any delay in performing, any duties or responsibilities hereunder, in either case caused by the failure of the Master Servicer and the Securities Administrator to deliver or provide, or any delay in delivering or providing, any monies, information, documents or records to it.

The costs and expenses of the Trustee in connection with the termination of the Master Servicer, appointment of a Successor Master Servicer and, if applicable, any transfer of master servicing, including, without limitation, all costs and expenses associated with the complete transfer of all master servicing data and the completion, correction or manipulation of such master servicing data as may be required by the Trustee to correct any errors or insufficiencies in the master servicing data or otherwise to enable the Trustee or the Successor Master Servicer to master service the Mortgage Loans properly and effectively, to the extent not previously paid by the terminated Master Servicer, shall be payable to the Trustee pursuant to Section 10.05.

Section 9.03 Notification to Certificateholders.

(a) Upon any termination of or appointment of a successor to the Master Servicer, the Trustee shall give prompt written notice thereof to Certificateholders, the Swap Provider and to each Rating Agency.

(b) Within 60 days after the occurrence of any Event of Default, the Trustee shall transmit by mail to all Certificateholders and the Swap Provider notice of each such Event of Default hereunder actually known to a Responsible Officer of the Trustee, unless such Event of Default shall have been cured or waived.

Section 9.04 Waiver of Defaults.

The Trustee shall transmit by mail to all Certificateholders and the Swap Provider, within 60 days after the occurrence of any Event of Default actually known to a Responsible Officer of the Trustee, unless such Event of Default shall have been cured, notice of each such Event of Default hereunder known to the Trustee. The Holders of Certificates evidencing not less than 51% of the Voting Rights may, on behalf of all Certificateholders, waive any default by the Master Servicer in the performance of its obligations hereunder and the consequences thereof, except a default in the making of or the causing to be made of any required remittances to the Securities Administrator. Upon any such waiver of a past default, such default shall be deemed to cease to exist, and any Event of Default arising therefrom shall be deemed to have been timely remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived. The Trustee shall give notice of any such waiver to each Rating Agency.

Section 9.05 Company Default.

In case one or more of the following events of default by the Company (each, a “Company Default”) shall occur and be continuing, that is to say:

(i) any failure by the Company to remit to the Master Servicer any payment required to be made under the terms of this Agreement on any Remittance Date; or

(ii) failure on the part of the Company duly to observe or perform in any material respect any other of the covenants or agreements on the part of the Company set forth in this Agreement (other than Sections 3.16, 3.17 or 3.18) on the part of the Company set forth in this Agreement, the breach of which has a material adverse effect and which continue unremedied for a period of sixty days (except that such number of days shall be fifteen in the case of a failure to pay any premium for any insurance policy required to be maintained under this Agreement and such failure shall be deemed to have a material adverse effect) after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Company by the Master Servicer; or

(iii) a decree or order of a court or agency or supervisory authority having jurisdiction for the appointment of a conservator or receiver or liquidator in any insolvency, bankruptcy, readjustment of debt, marshaling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Company and such decree or order shall have remained in force undischarged or unstayed for a period of sixty days; or

(iv) the Company shall consent to the appointment of a conservator or receiver or liquidator in any insolvency, bankruptcy, readjustment of debt, marshaling of assets and liabilities or similar proceedings of or relating to the Company or of or relating to all or substantially all of its property; or

(v) the Company shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors, or voluntarily suspend payment of its obligations; or

(vi) the Company attempts to assign its right to servicing compensation hereunder or the Company attempts to sell or otherwise dispose of all or substantially all of its property or assets or to assign this Agreement or the servicing responsibilities hereunder or to delegate its duties hereunder or any portion thereof except as otherwise permitted herein; or

(vii) the Company ceases to be qualified to transact business in any jurisdiction where it is currently so qualified, but only to the extent such non-qualification materially and adversely affects the Company's ability to perform its obligations hereunder; or

(viii) failure by the Company to duly perform, within the required time period, its obligations under Section 3.16, Section 3.17 or Section 3.18;

then, and in each and every such case, so long as a Company Default shall not have been remedied, the Master Servicer, by notice in writing to the Company may, in addition to whatever rights the Master Servicer and the Trustee on behalf of the Certificateholders may have under Section 8.03 and at law or equity to damages, including injunctive relief and specific performance, terminate all the rights and obligations of the Company under this Agreement and in and to the EMC Mortgage Loans and the proceeds thereof without compensating the Company for the same. On or after the receipt by the Company of such written notice, all authority and power of Company under this Agreement, whether with respect to the EMC Mortgage Loans or otherwise, shall pass to and be vested in the Master Servicer after a transition period (not to exceed 90 days). Upon written request from the Master Servicer, the Company shall prepare, execute and deliver, any and all documents and other instruments, place in the Master Servicer's possession all Mortgage Files relating to the EMC Mortgage Loans, and do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement or assignment of the EMC Mortgage Loans and related documents, or otherwise, at the Company's sole expense. The Company agrees to cooperate with the Master Servicer in effecting the termination of the Company's responsibilities and rights hereunder, including, without limitation, the transfer to such successor for administration by it of all cash amounts which shall at the time be credited by the Company to its Protected Account or Escrow Account or thereafter received with respect to the EMC Mortgage Loans or any related REO Property.

The costs and expenses of the Master Servicer in connection with the termination of the Company, appointment of a successor to the Company, and, if applicable, any transfer of servicing, including, without limitation, all costs and expenses associated with the complete transfer of all servicing data and the completion, correction or manipulation of such servicing data as may be required by the Master Servicer or other successor to the Company to correct any errors or insufficiencies in the servicing data or otherwise to enable the Master Servicer or such successor to service the related Mortgage Loans properly and effectively, to the extent not

previously paid by the terminated Company, shall be payable to the Master Servicer or such successor pursuant to Section 5.07.

Section 9.06 Waiver of Company Defaults.

The Master Servicer, may waive only by written notice any default by the Company in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Company Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived in writing.

CONCERNING THE TRUSTEE AND THE SECURITIES ADMINISTRATOR

Section 10.01 Duties of Trustee and the Securities Administrator.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, and the Securities Administrator each undertake to perform such duties and only such duties as are specifically set forth in this Agreement as duties of the Trustee and the Securities Administrator, respectively. If an Event of Default has occurred and has not been cured or waived, the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and the same degree of care and skill in their exercise, as a prudent person would exercise under the circumstances in the conduct of such Person's own affairs.

(b) Upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments which are specifically required to be furnished to the Trustee or the Securities Administrator pursuant to any provision of this Agreement, the Trustee or the Securities Administrator, respectively, shall examine them to determine whether they are in the form required by this Agreement; provided, however, that neither the Trustee or the Securities Administrator shall be responsible for the accuracy or content of any resolution, certificate, statement, opinion, report, document, order or other instrument furnished by the Master Servicer, the Company or pursuant to any provision of this Agreement; provided, further, that neither the Trustee nor the Securities Administrator shall be responsible for the accuracy or verification of any calculation provided to it pursuant to this Agreement.

(c) On each Distribution Date, the Securities Administrator shall make monthly distributions and the final distribution to the Certificateholders from funds in the Distribution Account as provided in Sections 6.04 and 11.01 herein.

(d) No provision of this Agreement shall be construed to relieve the Trustee or the Securities Administrator from liability for its own negligent action, its own negligent failure to act or its own willful misconduct; provided, however, that:

(i) Prior to the occurrence of an Event of Default, and after the curing or waiver of all such Events of Default which may have occurred with respect to the Trustee and at all times with respect to the Securities Administrator, the duties and obligations of the Trustee and the Securities Administrator shall be determined solely by the express provisions of this Agreement, neither the Trustee nor the Securities Administrator shall be liable except for the performance of their respective duties and obligations as are specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Trustee or the Securities Administrator and, in the absence of bad faith on the part of the Trustee or the Securities Administrator, respectively, the Trustee or the Securities Administrator, respectively, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any

certificates or opinions furnished to the Trustee or the Securities Administrator, respectively, and conforming to the requirements of this Agreement;

(ii) Neither the Trustee nor the Securities Administrator shall be liable in its individual capacity for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee or the Securities Administrator, respectively, unless it shall be proved that the Trustee or the Securities Administrator, respectively, was negligent in ascertaining the pertinent facts;

(iii) Neither the Trustee nor the Securities Administrator shall be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the directions of the Holders of Certificates evidencing not less than 25% of the aggregate Voting Rights of the Certificates (or such other percentage as specifically set forth herein), if such action or non-action relates to the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Securities Administrator, respectively, or exercising any trust or other power conferred upon the Trustee or the Securities Administrator, respectively, under this Agreement;

(iv) The Trustee shall not be required to take notice or be deemed to have notice or knowledge of any default or Event of Default unless a Responsible Officer of the Trustee shall have actual knowledge thereof. In the absence of such knowledge, the Trustee may conclusively assume there is no such default or Event of Default;

(v) Anything in this Agreement to the contrary notwithstanding, in no event shall the Trustee or the Securities Administrator be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee or the Securities Administrator, respectively, has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(vi) None of the Securities Administrator, the Master Servicer, the Company, the Seller, the Depositor, the Trustee or the Custodians shall be responsible for the acts or omissions of the other, it being understood that this Agreement shall not be construed to render them partners, joint venturers or agents of one another.

Neither the Trustee nor the Securities Administrator shall be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, and none of the provisions contained in this Agreement shall in any event require the Trustee or the Securities Administrator to perform, or be responsible for the manner of performance of, any of the obligations of the Master Servicer or the Company hereunder or

GMACM under the GMACM Servicing Agreement. The Trustee is hereby authorized and directed to enter into the GMACM Assignment Agreement.

(e) All funds received by the Securities Administrator and required to be deposited in the Distribution Account pursuant to this Agreement will be promptly so deposited by the Securities Administrator.

Section 10.02 Certain Matters Affecting the Trustee and the Securities Administrator.

(a) Except as otherwise provided in Section 10.01:

(i) The Trustee and the Securities Administrator may rely and shall be protected in acting or refraining from acting in reliance on any resolution or certificate of the Depositor, the Seller, the Company or the Master Servicer or the Servicer, any certificates of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(ii) The Trustee and the Securities Administrator may consult with counsel and any advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection with respect to any action taken or suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(iii) Neither the Trustee nor the Securities Administrator shall be under any obligation to exercise any of the trusts or powers vested in it by this Agreement, other than its obligation to give notices pursuant to this Agreement, or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Certificateholders pursuant to the provisions of this Agreement, unless such Certificateholders shall have offered to the Trustee or the Securities Administrator, as applicable, security or indemnity reasonable to it against the costs, expenses and liabilities which may be incurred therein or thereby. Nothing contained herein shall, however, relieve the Trustee of the obligation, upon the occurrence of an Event of Default of which a Responsible Officer of the Trustee has actual knowledge (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Agreement, and to use the same degree of care and skill in their exercise, as a prudent person would exercise under the circumstances in the conduct of his own affairs;

(iv) Neither the Trustee nor the Securities Administrator shall be liable in its individual capacity for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(v) Neither the Trustee nor the Securities Administrator shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order,

approval, bond or other paper or document, unless requested in writing to do so by Holders of Certificates evidencing not less than 25% of the aggregate Voting Rights of the Certificates and provided that the payment within a reasonable time to the Trustee or the Securities Administrator, as applicable, of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee or the Securities Administrator, as applicable, reasonably assured to the Trustee or the Securities Administrator, as applicable, by the security afforded to it by the terms of this Agreement. The Trustee or the Securities Administrator may require reasonable indemnity against such expense or liability as a condition to taking any such action. The reasonable expense of every such examination shall be paid by the Certificateholders requesting the investigation;

(vi) The Trustee and the Securities Administrator may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through Affiliates, agents or attorneys; provided, however, that the Trustee may not appoint any paying agent other than the Securities Administrator to perform any paying agent functions under this Agreement without the express written consent of the Master Servicer, which consents will not be unreasonably withheld. Neither the Trustee nor the Securities Administrator shall be liable or responsible for the misconduct or negligence of any of the Trustee's or the Securities Administrator's agents or attorneys or paying agent appointed hereunder by the Trustee or the Securities Administrator with due care and, when required, with the consent of the Master Servicer;

(vii) Should the Trustee or the Securities Administrator deem the nature of any action required on its part to be unclear or ambiguous, the Trustee or the Securities Administrator, respectively, may require prior to such action that it be provided by the Depositor with reasonable further instructions; the right of the Trustee or the Securities Administrator to perform any discretionary act enumerated in this Agreement shall not be construed as a duty, and neither the Trustee nor the Securities Administrator shall not be accountable for other than its negligence or willful misconduct in the performance of any such act;

(viii) Neither the Trustee nor the Securities Administrator shall be required to give any bond or surety with respect to the execution of the trust created hereby or the powers granted hereunder, except as provided in Section 10.07; and

(ix) Neither the Trustee nor the Securities Administrator shall have any duty to conduct any affirmative investigation as to the occurrence of any condition requiring the repurchase of any Mortgage Loan by any Person pursuant to this Agreement, or the eligibility of any Mortgage Loan for purposes of this Agreement.

(b) The Securities Administrator is hereby directed by the Depositor to execute and deliver the Swap Administration Agreement (and any amendments or supplements to the Swap

Administration Agreement as may be requested by the Majority Class C Certificateholder, regarding the distributions to be made to it or its designees thereunder). Amounts payable by the Securities Administrator on any Distribution Date to the Swap Administrator shall be paid by the Securities Administrator as provided herein. The Securities Administrator in its individual capacity shall have no responsibility for any of the undertakings, agreements or representations with respect to the Swap Agreement or the Swap Administration Agreement, including, without limitation, for making any payments thereunder.

It is acknowledged and agreed that the Person serving as Securities Administrator hereunder shall also serve as Swap Administrator under the Swap Administration Agreement and act as Supplemental Interest Trust Trustee under the Swap Agreement. The Securities Administrator, the Swap Administrator and the Supplemental Interest Trust Trustee are hereby directed by the Depositor to execute and deliver the Swap Administration Agreement (and any amendments or supplements to the Swap Administration Agreement as may be requested by the Majority Class C Certificateholder, regarding the distributions to be made to it or its designees thereunder) and the Supplemental Interest Trust Trustee is hereby directed to execute and deliver the Swap Agreement and to make the representations required therein. The Swap Administrator shall not have any liability for any failure or delay in payments to the Trust which are required under the Swap Administration Agreement where such failure or delay is due to the failure or delay of the Swap Provider in making such payment to the Swap Administrator. LaSalle in its individual capacity and as Swap Administrator, the Securities Administrator and the Supplemental Interest Trust Trustee shall be entitled to be indemnified and held harmless by the Trust from and against any and all losses, claims, expenses or other liabilities that arise by reason of or in connection with the performance or observance by each of the Swap Administrator, the Securities Administrator and the Supplemental Interest Trust Trustee of its duties or obligations under the Swap Agreement or the Swap Administration Agreement, except to the extent that the same is due to the Swap Administrator's, the Securities Administrator's or the Supplemental Interest Trust Trustee's gross negligence, willful misconduct or fraud. Any Person appointed as successor trustee pursuant to Section 9.02 shall also be required to serve as successor Swap Administrator and successor supplemental interest trust trustee under the Swap Agreement and the Swap Administration Agreement.

Section 10.03 Trustee and Securities Administrator Not Liable for Certificates or Mortgage Loans.

The recitals contained herein and in the Certificates (other than the signature and countersignature of the Securities Administrator on the Certificates) shall be taken as the statements of the Depositor, and neither the Trustee nor the Securities Administrator shall have any responsibility for their correctness. Neither the Trustee nor the Securities Administrator makes any representation as to the validity or sufficiency of, the Certificates (other than the signature and countersignature of the Securities Administrator on the Certificates), any Custodial Agreement or of any Mortgage Loan. The Securities Administrator's signature and countersignature (or countersignature of its agent) on the Certificates shall be solely in its capacity as Securities Administrator and shall not constitute the Certificates an obligation of the Securities Administrator in any other capacity. Neither the Trustee nor the Securities Administrator shall be accountable for the use or application by the Depositor of any of the Certificates or of the proceeds of such Certificates, or for the use or application of any funds paid

to the Depositor with respect to the Mortgage Loans. Subject to Section 2.06, neither the Trustee nor the Securities Administrator shall be responsible for the legality or validity of this Agreement, any Custodial Agreement or any document or instrument relating to this Agreement, the validity of the execution of this Agreement or of any supplement hereto or instrument of further assurance, or the validity, priority, perfection or sufficiency of the security for the Certificates issued hereunder or intended to be issued hereunder. Neither the Trustee nor the Securities Administrator shall at any time have any responsibility or liability for or with respect to the legality, validity and enforceability of any Mortgage or any Mortgage Loan, or the perfection and priority of any Mortgage or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of the Trust Fund or its ability to generate the payments to be distributed to Certificateholders, under this Agreement. The Trustee shall not be responsible for filing any financing or continuation statement in any public office at any time or to otherwise perfect or maintain the perfection of any security interest or lien granted to the Trustee hereunder or to record this Agreement.

Section 10.04 Trustee and Securities Administrator May Own Certificates.

Each of the Trustee and the Securities Administrator in its individual capacity or in any capacity other than as Trustee or the Securities Administrator hereunder may become the owner or pledgee of any Certificates with the same rights it would have if it were not the Trustee or the Securities Administrator, as applicable, and may otherwise deal with the parties hereto.

Section 10.05 Trustee's and Securities Administrator's Fees and Expenses.

The fees and expenses of the Trustee and the Securities Administrator shall be paid in accordance with a side letter agreement with the Master Servicer and at the expense of the Master Servicer. In addition, the Securities Administrator shall be entitled to any investment income on amounts on deposit in the Distribution Account. In addition, the Trustee and the Securities Administrator will be entitled to recover from the Master Servicer Collection Account pursuant to Section 5.07 all reasonable out-of-pocket expenses, disbursements and advances and the expenses of the Trustee and the Securities Administrator, respectively, incurred in the course of its respective engagement hereunder, including without limitation in connection with any Event of Default, any breach of this Agreement or any claim or legal action (including any pending or threatened claim or legal action) incurred or made by the Trustee or the Securities Administrator, respectively, in the administration of the trusts hereunder (including the reasonable compensation, expenses and disbursements of its counsel) except any such expense, disbursement or advance as may arise from its negligence or intentional misconduct or which is the responsibility of the Certificateholders hereunder. If funds in the Master Servicer Collection Account are insufficient therefor, the Trustee and the Securities Administrator shall recover such expenses, disbursements or advances from EMC and EMC hereby agrees to pay such expenses, disbursements or advances upon demand. Such compensation and reimbursement obligation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust.

Section 10.06 Eligibility Requirements for Trustee and Securities Administrator.

The Trustee and any successor Trustee and the Securities Administrator and any successor Securities Administrator shall during the entire duration of this Agreement be a state bank or trust company or a national banking association organized and doing business under the laws of a state or the United States of America, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus and undivided profits of at least \$50,000,000, subject to supervision or examination by federal or state authority and rated “Baa2” or higher by Moody’s with respect to any outstanding long-term unsecured unsubordinated debt, and, in the case of a successor Trustee or successor Securities Administrator other than pursuant to Section 10.10, rated in one of the two highest long-term debt categories by each Rating Agency or otherwise acceptable to each Rating Agency. The Trustee shall not be an Affiliate of the Master Servicer. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 10.06 the combined capital and surplus of such corporation shall be deemed to be its total equity capital (combined capital and surplus) as set forth in its most recent report of condition so published. In case at any time the Trustee or the Securities Administrator, as applicable, shall cease to be eligible in accordance with the provisions of this Section 10.06, the Trustee or the Securities Administrator shall resign immediately in the manner and with the effect specified in Section 10.08.

Section 10.07 Insurance.

The Trustee and the Securities Administrator, at their own expense, shall at all times (A) maintain and keep in full force and effect: (i) fidelity insurance, (ii) theft of documents insurance and (iii) forgery insurance (which may be collectively satisfied by a “Financial Institution Bond” and/or a “Bankers’ Blanket Bond”) or (B) in the case of the Securities Administrator, self insure if LaSalle Bank National Association maintains with any Rating Agency the equivalent of a long term unsecured debt rating of “A”. All such insurance shall be in amounts, with standard coverage and subject to deductibles, as are customary for insurance typically maintained by banks or their affiliates which act as custodians for investor-owned mortgage pools. A certificate of an officer of the Trustee or the Securities Administrator as to the Trustee’s or the Securities Administrator’s, respectively, compliance with this Section 10.07 shall be furnished to any Certificateholder upon reasonable written request.

Section 10.08 Resignation and Removal of Trustee and Securities Administrator.

The Trustee and the Securities Administrator may at any time resign (including, in the case of the Securities Administrator being affiliated with the Master Servicer, in connection with the resignation or termination of the Master Servicer) and be discharged from the Trust hereby created by giving written notice thereof to the Depositor, the Swap Provider, the Seller, the Securities Administrator (or the Trustee, if the Securities Administrator resigns) and the Master Servicer, with a copy to each Rating Agency. Upon receiving such notice of resignation, the Depositor shall promptly appoint a successor trustee or successor securities administrator, as applicable, (and in the case of the Securities Administrator’s removal, the Trustee may appoint a successor securities administrator) by written instrument, in triplicate, one copy of which instrument shall be delivered to each of the resigning trustee or securities administrator, as

applicable, and the successor trustee or securities administrator, as applicable. If no successor trustee or successor securities administrator shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee or Securities Administrator may petition any court of competent jurisdiction for the appointment of a successor trustee or securities administrator.

If at any time (i) the Trustee or the Securities Administrator shall cease to be eligible in accordance with the provisions of Section 10.06 hereof and shall fail to resign after written request thereto by the Depositor, (ii) the Trustee or the Securities Administrator shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or a receiver of the Trustee or the Securities Administrator or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or the Securities Administrator or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, or (iii)(A) a tax is imposed with respect to the Trust Fund by any state in which the Trustee or the Securities Administrator or the Trust Fund is located, (B) the imposition of such tax would be avoided by the appointment of a different trustee or securities administrator and (C) the Trustee or the Securities Administrator, as applicable, fails to indemnify the Trust Fund against such tax, then the Depositor or the Master Servicer may remove the Trustee or the Securities Administrator, as applicable, (and in the case of the Securities Administrator's ineligibility, the Trustee may appoint a successor securities administrator) and appoint a successor trustee or successor securities administrator, as applicable, by written instrument, in multiple copies, a copy of which instrument shall be delivered to the Trustee, the Securities Administrator, the Master Servicer and the successor trustee or successor securities administrator, as applicable.

The Holders evidencing at least 51% of the Voting Rights of each Class of Certificates may at any time remove the Trustee or Securities Administrator and appoint a successor trustee or securities administrator by written instrument or instruments, in multiple copies, signed by such Holders or their attorneys-in-fact duly authorized, one complete set of which instruments shall be delivered by the successor trustee or successor securities administrator to each of the Master Servicer, the Trustee or Securities Administrator so removed and the successor trustee or securities administrator so appointed. Notice of any removal of the Trustee or Securities Administrator shall be given to each Rating Agency by the related successor.

Any resignation or removal of the Trustee or the Securities Administrator and appointment of a successor trustee or securities administrator pursuant to any of the provisions of this Section 10.08 shall become effective upon acceptance of appointment by the successor trustee or securities administrator as provided in Section 10.09 hereof.

Section 10.09 Successor Trustee or Securities Administrator.

Any successor trustee or securities administrator appointed as provided in Section 10.08 hereof shall execute, acknowledge and deliver to the Depositor, to its predecessor trustee or predecessor securities administrator, as applicable, and the Master Servicer an instrument accepting such appointment hereunder and thereupon the resignation or removal of the predecessor trustee or securities administrator shall become effective and such successor trustee or securities administrator without any further act, deed or conveyance, shall become fully vested

with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee or securities administrator herein.

No successor trustee or securities administrator shall accept appointment as provided in this Section 10.09 unless at the time of such acceptance such successor trustee or securities administrator shall be eligible under the provisions of Section 10.07 hereof and its appointment shall not adversely affect the then current rating of the Certificates.

Upon acceptance of appointment by a successor trustee or securities administrator as provided in this Section 10.09, the successor trustee or securities administrator shall mail notice of the succession of such trustee or securities administrator hereunder to all Holders of Certificates. If the successor trustee or securities administrator fails to mail such notice within ten days after acceptance of appointment, the Depositor shall cause such notice to be mailed at the expense of the Trust Fund.

Section 10.10 Merger or Consolidation of Trustee or Securities Administrator.

Any corporation, state bank or national banking association into which the Trustee or the Securities Administrator may be merged or converted or with which it may be consolidated or any corporation, state bank or national banking association resulting from any merger, conversion or consolidation to which the Trustee or the Securities Administrator shall be a party, or any corporation, state bank or national banking association succeeding to substantially all of the corporate trust business of the Trustee or of the business of the Securities Administrator, shall be the successor of the Trustee or the Securities Administrator hereunder, provided that such corporation shall be eligible under the provisions of Section 10.06 hereof without the execution or filing of any paper or further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 10.11 Appointment of Co-Trustee or Separate Trustee.

Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Fund or property securing any Mortgage Note may at the time be located, the Master Servicer and the Trustee acting jointly shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees jointly with the Trustee, or separate trustee or separate trustees, of all or any part of the Trust Fund, and to vest in such Person or Persons, in such capacity and for the benefit of the Certificateholders, such title to the Trust Fund or any part thereof, whichever is applicable, and, subject to the other provisions of this Section 10.11, such powers, duties, obligations, rights and trusts as the Master Servicer and the Trustee may consider necessary or desirable. If the Master Servicer shall not have joined in such appointment within 15 days after the receipt by it of a request to do so, or in the case an Event of Default shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 10.06 and no notice to Certificateholders of the appointment of any co-trustee or separate trustee shall be required under Section 10.09.

Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) All rights, powers, duties and obligations conferred or imposed upon the Trustee, except for the obligation of the Trustee under this Agreement to advance funds on behalf of the Master Servicer, shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether a Trustee hereunder or as a Successor Master Servicer hereunder), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Fund or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) No trustee hereunder shall be held personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) The Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article X. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Master Servicer and the Depositor.

Any separate trustee or co-trustee may, at any time, constitute the Trustee its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 10.12 Tax Matters.

It is intended that the Trust Fund shall constitute, and that the affairs of the Trust Fund shall be conducted so that each REMIC formed hereunder qualifies as, a “real estate mortgage investment conduit” as defined in and in accordance with the REMIC Provisions. In furtherance of such intention, the Securities Administrator covenants and agrees that it shall act as agent (and

the Securities Administrator is hereby appointed to act as agent) on behalf of the Trust Fund. The Securities Administrator, as agent on behalf of the Trust Fund, shall do or refrain from doing, as applicable, the following: (a) the Securities Administrator shall prepare and file, or cause to be prepared and filed, in a timely manner, U.S. Real Estate Mortgage Investment Conduit Income Tax Returns (Form 1066 or any successor form adopted by the Internal Revenue Service) and prepare and file or cause to be prepared and filed with the Internal Revenue Service and applicable state or local tax authorities income tax or information returns for each taxable year with respect to each such REMIC containing such information and at the times and in the manner as may be required by the Code or state or local tax laws, regulations, or rules, and furnish, or cause to be furnished, to Certificateholders the schedules, statements or information at such times and in such manner as may be required thereby; (b) the Securities Administrator shall apply for an employer identification number with the Internal Revenue Service via a Form SS-4 or other comparable method for each REMIC that is or becomes a taxable entity, and within thirty days of the Closing Date, furnish or cause to be furnished to the Internal Revenue Service, on Forms 8811 or as otherwise may be required by the Code, the name, title, address, and telephone number of the Person that the Holders of the Certificates may contact for tax information relating thereto, together with such additional information as may be required by such Form, and update such information at the time or times in the manner required by the Code for the Trust Fund; (c) the Securities Administrator on behalf of the Trustee shall make, or cause to be made elections, on behalf of each REMIC formed hereunder to be treated as a REMIC on the federal tax return of such REMIC for its first taxable year (and, if necessary, under applicable state law); (d) the Securities Administrator shall prepare and forward, or cause to be prepared and forwarded, to the Certificateholders and to the Internal Revenue Service and, if necessary, state tax authorities, all information returns and reports as and when required to be provided to them in accordance with the REMIC Provisions, including without limitation, the calculation of any original issue discount using the Prepayment Assumption; (e) the Securities Administrator shall provide information necessary for the computation of tax imposed on the transfer of a Residual Certificate to a Person that is not a Permitted Transferee, or an agent (including a broker, nominee or other middleman) of a Person that is not a Permitted Transferee, or a pass-through entity in which a Person that is not a Permitted Transferee is the record holder of an interest (the reasonable cost of computing and furnishing such information may be charged to the Person liable for such tax); (f) each of the Securities Administrator and the Trustee shall, to the extent under its control, conduct the affairs of the Trust Fund at all times that any Certificates are outstanding so as to maintain the status of each REMIC formed hereunder as a REMIC under the REMIC Provisions; (g) neither the Trustee nor the Securities Administrator shall knowingly or intentionally take any action or omit to take any action that could (i) cause the termination of the REMIC status of any REMIC formed hereunder or (ii) result in the imposition of a tax upon the Trust Fund (including but not limited to the tax on prohibited transactions as defined in Section 860F(a)(2) of the Code and the tax on contributions to a REMIC set forth in Section 860G(d) of the Code); (h) the Securities Administrator shall pay, from the sources specified in this Section 10.12, the amount of any federal, state and local taxes, including prohibited transaction taxes as described below, imposed on any REMIC formed hereunder prior to the termination of the Trust Fund when and as the same shall be due and payable (but such obligation shall not prevent the Securities Administrator or any other appropriate Person from contesting any such tax in appropriate proceedings and shall not prevent the Securities Administrator from withholding payment of such tax, if permitted by law, pending the outcome of such proceedings); (i) the

Trustee shall sign or cause to be signed federal, state or local income tax or information returns or any other document prepared by the Securities Administrator pursuant to this Section 10.12 requiring a signature thereon by the Trustee; (j) the Securities Administrator shall maintain records relating to each REMIC formed hereunder including but not limited to the income, expenses, assets and liabilities of each such REMIC and adjusted basis of the Trust Fund property determined at such intervals as may be required by the Code, as may be necessary to prepare the foregoing returns, schedules, statements or information; (k) the Securities Administrator shall, for federal income tax purposes, maintain books and records with respect to the REMICs on a calendar year and on an accrual basis; (l) none of the Trustee, the Master Servicer or the Securities Administrator shall enter into any arrangement not otherwise provided for in this Agreement by which the REMICs will receive a fee or other compensation for services nor permit the REMICs to receive any income from assets other than “qualified mortgages” as defined in Section 860G(a)(3) of the Code or “permitted investments” as defined in Section 860G(a)(5) of the Code; and (l) as and when necessary and appropriate, the Securities Administrator, at the expense of the Trust Fund, shall represent the Trust Fund in any administrative or judicial proceedings relating to an examination or audit by any governmental taxing authority, request an administrative adjustment as to any taxable year of any REMIC formed hereunder, enter into settlement agreements with any governmental taxing agency, extend any statute of limitations relating to any tax item of the Trust Fund, and otherwise act on behalf of each REMIC formed hereunder in relation to any tax matter involving any such REMIC.

In order to enable each of the Trustee and the Securities Administrator to perform its duties as set forth herein, the Depositor shall provide, or cause to be provided, to the Trustee or the Securities Administrator within 10 days after the Closing Date all information or data that the Trustee or the Securities Administrator requests in writing and determines to be relevant for tax purposes to the valuations and offering prices of the Certificates, including, without limitation, the price, yield, prepayment assumption and projected cash flows of the Certificates and the Mortgage Loans. Thereafter, the Depositor shall provide to the Trustee or the Securities Administrator promptly upon written request therefor, any such additional information or data that the Trustee or the Securities Administrator may, from time to time, request in order to enable the Trustee or the Securities Administrator to perform its duties as set forth herein. The Depositor hereby indemnifies each of the Trustee and the Securities Administrator for any losses, liabilities, damages, claims or expenses of the Trustee or the Securities Administrator arising from any errors or miscalculations of the Trustee or the Securities Administrator that result from any failure of the Depositor to provide, or to cause to be provided, accurate information or data to the Trustee or the Securities Administrator, as applicable, on a timely basis.

In the event that any tax is imposed on “prohibited transactions” of any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V as defined in Section 860F(a)(2) of the Code, on the “net income from foreclosure property” of the Trust Fund as defined in Section 860G(c) of the Code, on any contribution to any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V after the Startup Day pursuant to Section 860G(d) of the Code, or any other tax is imposed, including, without limitation, any federal, state or local tax or minimum tax imposed upon any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V, and is not paid as otherwise provided for herein, such tax shall be paid (i) by the Master Servicer or the Securities Administrator, if any such tax arises out of or results from a breach by the Master Servicer or the

Securities Administrator of any of its obligations under this Agreement, provided, however, in no event shall the Master Servicer or the Securities Administrator have any liability (1) for any action or omission that is taken in accordance with and compliance with the express terms of, or which is expressly permitted by the terms of, this Agreement, (2) for any losses other than arising out of a negligent performance by the Master Servicer or the Securities Administrator of its duties and obligations set forth herein, or (3) for any special or consequential damages to Certificateholders (in addition to payment of principal and interest on the Certificates), (ii) by any party hereto (other than the Master Servicer or the Securities Administrator) to the extent any such tax arises out of or results from a breach by such other party of any of its obligations under this Agreement or (iii) in all other cases, or in the event that any liable party hereto fails to honor its obligations under the preceding clauses (i) or (ii), first, with amounts otherwise to be distributed to the Class R Certificateholders (pro rata), and second, with amounts otherwise to be distributed to the Holders of the following other Certificates in the following order of priority: first, to the Class B-4 Certificates, second, to the Class B-3 Certificates, third, to the Class B-2 Certificates, fourth, to the Class B-1 Certificates, fifth, to the Class M-6 Certificates, sixth, to the Class M-5 Certificates, seventh, to the Class M-4 Certificates, eighth, to the Class M-3 Certificates, ninth, to the Class M-2 Certificates, tenth, to the Class M-1 Certificates, and eleventh, to the Class A Certificates. Notwithstanding anything to the contrary contained herein, to the extent that any taxes described in the preceding sentence are payable by the Holder of any such Certificates, the Securities Administrator is hereby authorized to retain on any Distribution Date from the Holders of the Class R Certificates (and, if necessary, second, from the Holders of the other relevant Certificates in the priority specified in the preceding sentence), funds otherwise distributable to such Holders in an amount sufficient to pay such taxes. The Securities Administrator shall include in its Monthly Statement amounts allocated to the relevant Certificates, taking into account the priorities described in the second preceding sentence. The Securities Administrator shall promptly notify in writing the party liable for any such tax of the amount thereof and the due date for the payment thereof.

The Trustee, the Master Servicer and the Securities Administrator each agree that, in the event it should obtain any information necessary for the other party to perform its obligations pursuant to this Section 10.12, it will promptly notify and provide such information to such other party.

Notwithstanding the foregoing, with respect to the preparation and filing of tax returns in the event that the right to receive payments in respect of Basis Risk Shortfall Carry Forward Amounts could be treated as a partnership among the Holders of the Class A, Class M, Class B and Class C Certificates, the Securities Administrator shall not be required to prepare and file partnership tax returns on behalf of the Trust Fund or portion thereof unless it receives additional reasonable compensation for the preparation of such filings and written notification from either an officer or tax counsel for the Depositor recognizing the creation of a partnership for federal income tax purposes.

Notwithstanding any other provision of this Agreement, the Securities Administrator shall comply with all federal withholding requirements respecting payments to Certificateholders of interest or original issue discount that the Securities Administrator reasonably believes are applicable under the Code. The consent of Certificateholders shall not be required for such withholding. In the event the Securities Administrator does withhold any amount from interest

or original issue discount payments or advances thereof to any Certificateholder pursuant to federal withholding requirements, the Securities Administrator shall indicate the amount withheld to such Certificateholders.

Notwithstanding anything to the contrary in this Agreement, the Securities Administrator shall not be obligated to perform any tax preparing, filing or reporting in connection with the Class X Certificates.

For the avoidance of doubt, notwithstanding anything stated to the contrary herein, none of the Supplemental Interest Trust Trustee, the Swap Administrator, the Trustee or the Securities Administrator shall have any responsibility for the entity-level tax filing or tax preparation of the Supplemental Interest Trust.

Section 10.13 REMIC-Related Covenants.

For as long as each REMIC shall exist, the Trustee and the Securities Administrator shall act in accordance herewith to assure continuing treatment of such REMIC as a REMIC, and the Trustee and the Securities Administrator shall comply with any directions of the Seller, the Company, the Servicer or the Master Servicer to assure such continuing treatment. In furtherance, but not in limitation, of the foregoing, neither the Trustee nor the Securities Administrator shall (unless otherwise expressly permitted in this Agreement) (a) sell or permit the sale of all or any portion of the Mortgage Loans or of any investment of deposits in an Account unless such sale is as a result of a repurchase of the Mortgage Loans pursuant to this Agreement or the Trustee and the Securities Administrator has received a REMIC Opinion addressed to the Securities Administrator and the Trustee prepared at the expense of the Trust Fund; (b) other than with respect to a substitution pursuant to the Mortgage Loan Purchase Agreement or Section 2.03 of this Agreement, as applicable, accept any contribution to any REMIC after the Startup Day without receipt of a REMIC Opinion; or (c) acquire any assets for any REMIC other than any REO Property after the Startup Day without receipt of a REMIC Opinion.

ARTICLE XI

TERMINATION

Section 11.01 Termination upon Liquidation or Repurchase of all Mortgage Loans.

(i) Subject to Section 11.03, the obligations and responsibilities of the Depositor, the Master Servicer, the Securities Administrator, the Seller and the Trustee created hereby with respect to the Trust Fund shall terminate upon the earlier of (a) the exercise by the Majority Class C Certificateholder of its right to purchase all of the Mortgage Loans (and REO Properties) remaining in the Trust Fund at a price (the "Mortgage Loan Purchase Price") equal to the sum of (i) 100% of the Stated Principal Balance of each Mortgage Loan (other than in respect of REO Property), (ii) accrued interest thereon at the applicable Mortgage Rate to, but not including, the first day of the month of such purchase, (iii) the appraised value of any REO Property in the Trust Fund (up to the Stated Principal Balance of the related Mortgage Loan), such appraisal to be conducted by an appraiser mutually agreed upon by the Servicer or the Company, as applicable, and the Trustee and (iv) unreimbursed out-of pocket costs of the Company, the Servicer or the Master Servicer, including unreimbursed Servicing Advances and the principal portion of any unreimbursed Advances made on the Mortgage Loans prior to the exercise of such repurchase right (v) any unreimbursed costs and expenses of the Trustee and the Securities Administrator payable pursuant to Section 10.05 or of the Custodian pursuant to the Custodial Agreement and (vi) any Swap Termination Payment (which shall include any Net Swap Payment payable by the Trust Fund for the final Distribution Date) payable to the Swap Provider which remains unpaid or which is due to the exercise of such option (the "Swap Optional Termination Payment") and (b) the later of (i) the maturity or other liquidation (or any Advance with respect thereto) of the last Mortgage Loan remaining in the Trust Fund and the disposition of all REO Property and (ii) the distribution to Certificateholders of all amounts required to be distributed to them pursuant to this Agreement. In no event shall the Trust Fund created hereby continue beyond the earlier of (i) the expiration of 21 years from the death of the last survivor of the descendants of Joseph P. Kennedy, the late Ambassador of the United States to the Court of St. James, living on the date hereof and (ii) the Latest Possible Maturity Date.

(ii) The Majority Class C Certificateholder shall have the right to repurchase all Mortgage Loans and REO Properties at any time at which the aggregate Stated Principal Balance of all of the Mortgage Loans in the Trust Fund is less than or equal to 20% of the aggregate Cut-off Date Principal Balance of all of the Mortgage Loans. If the Majority Class C Certificateholder elects to terminate the Trust Fund pursuant to this Section 11.01 (such termination, an "Optional Termination"), the Majority Class C Certificateholder shall, at least 20 days prior to the last date on which notice of such Optional Termination is required to be mailed to the Certificateholders pursuant to Section 11.02(ii), notify in writing (which may be in electronic format) the Depositor, the Master Servicer, the Securities Administrator, the Trustee and the Swap Provider of the final Distribution Date on which the Majority Class C Certificateholder intends to terminate the Trust Fund. Upon termination of the Trust Fund, the Certificateholders shall present and surrender the related Certificates at the Corporate Office of the Securities Administrator, as further set forth in Section 11.02.

(iii) In connection with any Optional Termination, four Business Days prior to the final Distribution Date specified in the notice required pursuant to the Section 11.01(ii), the Securities Administrator shall, no later than 4:00 pm New York City time on such day, request from the Swap Provider the amount of the Estimated Swap Termination Payment. The Swap Provider shall, no later than 2:00 pm on the following Business Day, notify in writing (which may be in electronic format) the Securities Administrator of the amount of the Estimated Swap Termination Payment, and the Securities Administrator shall promptly on the same day notify the Majority Class C Certificateholder of the amount of the Estimated Swap Termination Payment.

(iv) Two Business Days prior to the final Distribution Date specified in the notice required pursuant to Section 11.01(ii), (i) the Majority Class C Certificateholder shall, no later than 1:00 pm New York City time on such Business Day, deposit funds in the Distribution Account in an amount equal to the sum of the Mortgage Loan Purchase Price (other than the Swap Optional Termination Payment) and the Estimated Swap Termination Payment, and (ii) if the Securities Administrator shall have determined that the aggregate Stated Principal Balance of all of the Mortgage Loans in the Trust Fund as of the related Determination Date is less than or equal to 20% of the aggregate Cut-off Date Principal Balance of all of the Mortgage Loans and that all other requirements of the Optional Termination have been met, including without limitation the deposit required pursuant to the immediately preceding clause (i) as well as the requirements specified in Section 11.03, then the Securities Administrator shall, on such Business Day, provide written notice to the Majority Class C Certificateholder, the Depositor, the Master Servicer, the Custodian and the Swap Provider confirming (a) its receipt of the Mortgage Loan Purchase Price (other than the Swap Optional Termination Payment) and the Estimated Swap Termination Payment and (b) that all other requirements of the Optional Termination have been met. Upon the Securities Administrator's providing the notice described in the preceding sentence, the Optional Termination shall become irrevocable, the notice to Certificateholders of such Optional Termination provided pursuant to Section 11.02(ii) shall become unrescindable, the Swap Provider shall determine the Swap Optional Termination Payment in accordance with the Swap Agreement, and the Swap Provider shall provide to the Securities Administrator written notice of the amount of the Swap Optional Termination Payment not later than one Business Day prior to the final Distribution Date specified in the notice required pursuant to Section 11.01(ii).

(v) In connection with any Optional Termination, only an amount equal to the Mortgage Loan Purchase Price less any Swap Optional Termination Payment shall be made available for distribution to the Regular Certificates. Any Estimated Swap Termination Payment deposited into the Distribution Account by the Majority Class C Certificateholder shall be withdrawn by the Securities Administrator from the Distribution Account on the final Distribution Date and distributed as follows: (i) to the Supplemental Interest Trust for payment to the Swap Provider in accordance with Section 4.12(c), an amount equal to the Swap Optional Termination Amount calculated pursuant to the Swap Agreement, provided that, in no event shall the amount distributed to the Swap Provider in respect of the Swap Optional Termination Amount exceed the Estimated Swap Termination Payment, and (ii) to the Majority Class C Certificateholder, an amount equal to the excess, if any, of the Estimated Swap Termination Payment over the Swap Optional Termination Payment. The Swap Optional Termination

Payment shall not be part of any REMIC and shall not be paid into any account which is part of any REMIC.

(vi) Upon receipt by the Custodian of notice from the Securities Administrator pursuant to Section 11.01(iv) and the receipt by the Custodian of a Request for Release therefor, the Custodian shall promptly release to the Master Servicer, as applicable the Mortgage Files for the Mortgage Loans and the Trustee shall execute and deliver any documents prepared and delivered to it which are necessary to transfer any REO Property.

(vii) Notwithstanding the foregoing, the provisions of Section 8.03 hereof shall survive the termination of this Agreement.

Section 11.02 Final Distribution on the Certificates.

(i) If on any Determination Date, (i) the Master Servicer determines that there are no Outstanding Mortgage Loans and no other funds or assets in the Trust Fund other than the funds in the Master Servicer Collection Account, the Master Servicer shall direct the Securities Administrator to send a final distribution notice promptly to each Certificateholder or (ii) the Securities Administrator determines that a Class of Certificates shall be retired after a final distribution on such Class, the Securities Administrator shall notify the related Certificateholders within five (5) Business Days after such Determination Date that the final distribution in retirement of such Class of Certificates is scheduled to be made on the immediately following Distribution Date. Any final distribution made pursuant to the immediately preceding sentence shall be made only upon presentation and surrender of the Certificates at the Corporate Office of the Securities Administrator.

(ii) Notice of any termination of the Trust Fund, specifying the Distribution Date on which Certificateholders may surrender their Certificates for payment of the final distribution and cancellation, shall be given promptly by the Securities Administrator by letter to Certificateholders mailed not later than two Business Days after the Determination Date in the month of such final distribution. Any such notice shall specify (a) the Distribution Date upon which final distribution on the Certificates shall be made upon presentation and surrender of Certificates at the office therein designated, (b) the amount of such final distribution, (c) the location of the office or agency at which such presentation and surrender must be made and (d) that the Record Date otherwise applicable to such Distribution Date is not applicable, distributions being made only upon presentation and surrender of the Certificates at the office therein specified. The Securities Administrator will give such notice to each Rating Agency at the time such notice is given to Certificateholders.

(iii) In the event such notice is given, the Master Servicer shall cause all funds in the Master Servicer Collection Account to be remitted to the Securities Administrator for deposit in the Distribution Account on the second Business Day prior to the applicable Distribution Date in an amount equal to the final distribution in respect of the Certificates. Upon such final deposit with respect to the Trust Fund and the receipt by the Custodian of a Request for Release therefor, the Custodian shall promptly release to the Master Servicer, as applicable the Mortgage Files for the Mortgage Loans and the Trustee shall execute and deliver any documents prepared and delivered to it which are necessary to transfer any REO Property.

(iv) Upon presentation and surrender of the Certificates, the Securities Administrator shall cause to be distributed to Certificateholders of each Class in accordance with the Remittance Report the amounts allocable to such Certificates held in the Distribution Account in the order and priority set forth in Section 6.04 hereof on the final Distribution Date and in proportion to their respective Percentage Interests.

(v) In the event that any affected Certificateholders shall not surrender Certificates for cancellation within six months after the date specified in the above mentioned written notice, the Securities Administrator shall give a second written notice to the remaining Certificateholders to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within six months after the second notice all the applicable Certificates shall not have been surrendered for cancellation, the Securities Administrator may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining Certificateholders concerning surrender of their Certificates, and the cost thereof shall be paid out of the funds and other assets that remain a part of the Trust Fund. If within one year after the second notice all related Certificates shall not have been surrendered for cancellation, the related Residual Certificateholders shall be entitled to all unclaimed funds and other assets of the Trust Fund that remain subject hereto.

Section 11.03 Additional Termination Requirements.

(a) Upon exercise by the Majority Class C Certificateholder of its purchase option as provided in Section 11.01, the Trust Fund shall be terminated in accordance with the following additional requirements, unless each of the Trustee and the Securities Administrator have been supplied with an Opinion of Counsel addressed to the Trustee and the Securities Administrator, at the expense of the Majority Class C Certificateholder, to the effect that the failure of the Trust Fund to comply with the requirements of this Section 11.03 will not (i) result in the imposition of taxes on “prohibited transactions” of a REMIC, or (ii) cause a REMIC to fail to qualify as a REMIC at any time that any Certificates are outstanding:

(1) The Majority Class C Certificateholder shall establish a 90-day liquidation period for REMIC I, REMIC II, REMIC III, REMIC IV and REMIC V and notify the Trustee and Securities Administrator thereof, and the Securities Administrator shall in turn specify the first day of such period in a statement attached to the tax returns for REMIC I, REMIC II, REMIC III, REMIC IV and REMIC V pursuant to Treasury Regulation Section 1.860F-1. The Majority Class C Certificateholder shall satisfy all the requirements of a qualified liquidation under Section 860F of the Code and any regulations thereunder with respect to each REMIC related to the terminated Trust Fund, as evidenced by an Opinion of Counsel addressed to the Securities Administrator and the Trustee obtained at the expense of the Majority Class C Certificateholder;

(2) During such 90-day liquidation period, and at or prior to the time of making the final payment on the Certificates, the Securities Administrator on behalf of the Trustee shall sell all of the assets of REMIC I for cash; and

(3) At the time of the making of the final payment on the Certificates, the Securities Administrator shall distribute or credit, or cause to be distributed or credited, to the

Holders of the Residual Certificates all cash on hand (other than cash retained to meet claims), and REMIC I shall terminate at that time.

(b) By their acceptance of the Certificates (other than the Class X Certificates), the Holders thereof hereby authorize the adoption of a 90-day liquidation period and plan of complete liquidation for the each related REMIC, which authorization shall be binding upon all successor Certificateholders.

(c) The Securities Administrator, as agent for each REMIC, hereby agrees to adopt and sign such a plan of complete liquidation meeting the requirements for a qualified liquidation under Section 860F of the Code and any regulations thereunder upon the written request of the Majority Class C Certificateholder and the receipt of the Opinion of Counsel referred to in Section 11.03(a)(1), and to take such other action in connection therewith as may be reasonably requested by the Majority Class C Certificateholder.

ARTICLE XII

MISCELLANEOUS PROVISIONS

Section 12.01 Amendment.

This Agreement may be amended from time to time by parties hereto without the consent of any of the Certificateholders to cure any ambiguity, to correct or supplement any provisions herein (including to give effect to the expectations of investors), to comply with any changes in the Code, to revise any provisions to reflect the obligations of the parties to this Agreement as they relate to Regulation AB, to change the manner in which the Master Servicer Collection Account maintained by the Master Servicer or the Protected Account maintained by the Company is maintained or to make such other provisions with respect to matters or questions arising under this Agreement as shall not be inconsistent with any other provisions herein if such action shall not, as evidenced by an Opinion of Counsel addressed to the Trustee (which opinion shall be an expense of the party requesting such opinion but in any case shall not be an expense of the Trustee), adversely affect in any material respect the interests of any Certificateholder; provided that any such amendment shall be deemed not to adversely affect in any material respect the interests of the Certificateholders and no such Opinion of Counsel shall be required if the Person requesting such amendment obtains a letter from each Rating Agency stating that such amendment would not result in the downgrading or withdrawal of the respective ratings then assigned to the Certificates.

Notwithstanding the foregoing, without the consent of the Certificateholders, the parties hereto may at any time and from time to time amend this Agreement to modify, eliminate or add to any of its provisions to such extent as shall be necessary or appropriate to maintain the qualification of any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V as a REMIC under the Code or to avoid or minimize the risk of the imposition of any tax on any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V pursuant to the Code that would be a claim against any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V at any time prior to the final redemption of the Certificates, provided that the Trustee, the Securities Administrator have been provided an Opinion of Counsel addressed to the Trustee and the Securities Administrator, which opinion shall be an expense of the party requesting such opinion but in any case shall not be an expense of the Trustee, the Securities Administrator or the Trust Fund, to the effect that such action is necessary or appropriate to maintain such qualification or to avoid or minimize the risk of the imposition of such a tax.

This Agreement may also be amended from time to time by the parties hereto with the consent of Holders of the Certificates evidencing over 50% of the Voting Rights, or, if applicable, Holders of each Class of Certificates affected thereby, evidencing over 50% of the Voting Rights of such Class or Classes, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Holders of Certificates; provided that no such amendment shall (i) reduce in any manner the amount of, or delay the timing of, payments required to be distributed on any Certificate without the consent of the Holder of such Certificate, (ii) cause any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to cease to qualify as a REMIC or (iii) reduce the aforesaid percentages of Certificates of each Class the Holders of which are required to

consent to any such amendment without the consent of the Holders of all Certificates of such Class then outstanding.

Notwithstanding any contrary provision of this Agreement, the Trustee shall not consent to any amendment to this Agreement unless it shall have first received an Opinion of Counsel addressed to the Trustee and the Securities Administrator, which opinion shall be an expense of the party requesting such amendment but in any case shall not be an expense of the Trustee or the Securities Administrator, to the effect that such amendment will not (other than an amendment pursuant to clause (ii) of, and in accordance with, the preceding paragraph) cause the imposition of any tax on any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V or the Certificateholders or cause any of REMIC I, REMIC II, REMIC III, REMIC IV or REMIC V to cease to qualify as a REMIC at any time that any Certificates are outstanding. Further, nothing in this Agreement shall require the Trustee to enter into an amendment without receiving an Opinion of Counsel, satisfactory to the Trustee (i) that such amendment is permitted and is not prohibited by this Agreement and (ii) that all requirements for amending this Agreement (including any consent of the applicable Certificateholders) have been complied with.

Notwithstanding any of the other provisions of this Section 12.01, none of the Depositor, the Master Servicer, the Company, the Securities Administrator or the Trustee shall enter into any amendment to Section 4.12 or Section 6.04(a)(3)(F) of this Agreement without the prior written consent of the Swap Provider, which consent shall not be unreasonably withheld, and shall not enter into an amendment that has a materially adverse effect on the Swap Provider without the prior written consent of the Swap Provider, which consent shall not be unreasonably withheld.

Promptly after the execution of any amendment to this Agreement requiring the consent of Certificateholders, the Securities Administrator shall furnish written notification of the substance of such amendment to each Certificateholder, the Swap Provider and each Rating Agency.

It shall not be necessary for the consent of Certificateholders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee may prescribe.

Section 12.02 Recordation of Agreement; Counterparts.

To the extent permitted by applicable law, this Agreement is subject to recordation in all appropriate public offices for real property records in all of the counties or other comparable jurisdictions in which any or all of the Mortgaged Properties are situated, and in any other appropriate public recording office or elsewhere. The Master Servicer shall effect such recordation at the Trust's expense upon the request in writing of a Certificateholder, but only if such direction is accompanied by an Opinion of Counsel (provided at the expense of the Certificateholder requesting recordation) to the effect that such recordation would materially and beneficially affect the interests of the Certificateholders or is required by law.

For the purpose of facilitating the recordation of this Agreement as herein provided and for other purposes, this Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

Section 12.03 Governing Law.

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE SUBSTANTIVE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HERETO AND THE CERTIFICATEHOLDERS SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS WITHOUT REGARD TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAWS).

Section 12.04 Intention of Parties.

It is the express intent of the parties hereto that the conveyance of the Mortgage Notes, Mortgages, assignments of Mortgages, title insurance policies and any modifications, extensions and/or assumption agreements and private mortgage insurance policies relating to the Mortgage Loans by the Seller to the Depositor, and by the Depositor to the Trustee be, and be construed as, an absolute sale thereof to the Depositor or the Trustee, as applicable. It is, further, not the intention of the parties that such conveyance be deemed a pledge thereof by each Seller to the Depositor, or by the Depositor to the Trustee. However, in the event that, notwithstanding the intent of the parties, such assets are held to be the property of the Seller or the Depositor, as applicable, or if for any other reason the Mortgage Loan Purchase Agreement or this Agreement is held or deemed to create a security interest in such assets, then (i) the Mortgage Loan Purchase Agreement and this Agreement shall each be deemed to be a security agreement within the meaning of the Uniform Commercial Code of the State of New York and (ii) the conveyance provided for in the Mortgage Loan Purchase Agreement from the Seller to the Depositor, and the conveyance provided for in this Agreement from the Depositor to the Trustee, shall be deemed to be an assignment and a grant by the Seller or the Depositor, as applicable, for the benefit of the Certificateholders of a security interest in all of the assets that constitute the Trust Fund, whether now owned or hereafter acquired.

The Depositor for the benefit of the Certificateholders shall, to the extent consistent with this Agreement, take such actions as may be necessary to ensure that, if this Agreement were deemed to create a security interest in the assets of the Trust Fund, such security interest would be deemed to be a perfected security interest of first priority under applicable law and will be maintained as such throughout the term of the Agreement.

No Certificateholder shall have any right to vote (except as provided herein) or in any manner otherwise control the operation and management of the Trust Fund, or the obligations of the parties hereto, nor shall anything herein set forth or contained in the terms of the Certificates be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third party by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

No Certificateholder shall have any right by virtue or by availing itself of any provisions of this Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trustee a written notice of an Event of Default and of the continuance thereof, as hereinbefore provided, the Holders of Certificates evidencing not less than 25% of the Voting Rights evidenced by the Certificates shall also have made written request to the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have neglected or refused to institute any such action, suit or proceeding; it being understood and intended, and being expressly covenanted by each Certificateholder with every other Certificateholder and the Trustee, that no one or more Holders of Certificates shall have any right in any manner whatever by virtue or by availing itself or themselves of any provisions of this Agreement to affect, disturb or prejudice the rights of the Holders of any other of the Certificates, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Agreement, except in the manner herein provided and for the common benefit of all Certificateholders.
